McCheyne's Dundee Bruce McLennan, 2018-02-15 In the mid nineteenth century Dundee was gradually establishing itself as Scotland's third largest city with a rapidly expanding economy What most attracted observers attention however was the religious revival that began in the Fall of 1839 under the leadership of two relatively young and inexperienced ministers Robert Murray McCheyne 1813-1843 and William Chalmers Burns 1815-1868 In McCheyne's Dundee historian Bruce McLennan ably traces the story of revival in this industrial Scottish seaport After looking at the social and economic conditions of the city as well as the significant religious issues of the day he then considers McCheyne and Burns their backgrounds their brief ministries in Dundee and their impact as God's instruments of great spiritual blessing to the people of that city McLennan concludes with an analysis of the reactions to the revival both approbation and opposition and the awakening's long term effects which could still be seen a generation later

A Communion of Love Jordan Stone, 2019-03-05 Few figures in church history that died before the age of thirty have left such a lasting legacy as Robert Murray M'Cheyne 1813-43 His name is virtually synonymous with the pursuit of personal holiness M'Cheyne was a living testimony to Scripture's command to let no one despise you for your youth but set the believers an example in speech in conduct in love in faith in purity 1 Tim 4:12 His ardent praying preaching and progress in godliness continue to captivate countless Christians around the world The model of piety found in M'Cheyne's life and ministry provides needed encouragement for properly understanding biblical spirituality What was the main fuel of his spirituality Love for Jesus Christ In A Communion of Love Jordan Stone argues that rightly understanding M'Cheyne's spirituality must begin with the fundamental issue of why he pursued the means of grace as he did before reckoning with how he used those means Such a reorientation reveals that loving communion with Christ was the all-consuming driving force for M'Cheyne's vision of the Christian life

Why America Hates Biblical Christianity David Harrell, 2021-02-23 As never before in American history Christians are witnessing biblical values being replaced by laws that impose a godless immoral oppressive social agenda on their country The overall disdain political and religious liberal activists have toward conservative values in general and authentic Christianity in particular has produced an ideological civil war that is raging out of control But many people sense there's something more sinister going on something beyond the realm of ideological divides something evil perhaps even eschatological and that's the position of this book Here you will learn the interplay between two corresponding evils that have been secretly gaining strength in America for many years human depravity and Satanic deception One is an enemy in us the other is an enemy of us These corrupting influences have destroyed every empire in history powers so formidable and so deceptive that they now threaten the Constitutional Republic of the United States This book addresses the interplay between these destructive forces from a biblical perspective and then demonstrates how they manifest themselves in our culture while at the same time encouraging authentic Christians to stand firm in their faith for the glory of Christ as we await His return

Riots, Revolutions, and the Scottish Covenanters L. Charles Jackson, 2015-04-29 Coauthor of the famous Scottish National Covenant moderator of the Glasgow General Assembly that defied King Charles I and member of the Westminster Assembly Alexander Henderson 1583-1646 led Scotland during the tumultuous period of the British Revolutions He influenced Scotland as a Covenanter preacher Presbyterian and pamphleteer and earned an important place in the nation's history Despite his numerous accomplishments no modern biography of Henderson exists In *Riots, Revolutions, and the Scottish Covenanters* L. Charles Jackson corrects this omission He avoids the extremes of casting Henderson as a forerunner to liberty or as a theological tyrant and instead places his actions in their historical setting presenting this important leader as he saw himself primarily a minister of the gospel who was struggling to live faithfully as he understood it Using neglected and in some cases new sources Jackson reassesses the role of religion in early modern Scotland as reflected in the life of Alexander Henderson
