Protection Or Free Trade Henry George,2006-10-01 Economist HENRY GEORGE 1839 1897 was at the height of his popularity in the 1880s and 1890s considered the third most famous American behind Mark Twain and Thomas Edison and his liberal philosophies on taxation copyrights poverty issues and more continue to influence progressive movements today Here in this 1886 book George examines the pressing issues of free trade and protectionism issues that continue to thwart and challenge our economies today How do tariffs impact production and revenue Do high wages necessitate protectionism What is lacking in arguments for free trade What are the strengths and weaknesses of both free trade and protectionism George answers these questions and others in this incisive work ALSO FROM COSIMO George s Progress and Poverty The Science of Political Economy A Perplexed Philosopher The Condition of Labor and Social Problems *Protection Or Free Trade* Henry George,2023-07-18 In this thought provoking book Henry George offers a passionate defense of the free trade movement With its clear arguments and persuasive rhetoric this book is a must read for anyone interested in the economics of protectionism versus free trade This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Protection or Free Trade** Henry George,1886

Protection Or Free Trade Henry George,1992-08-01 Henry George s classic PROTECTION OR FREE TRADE is read as avidly today as when first written It is more than a model of the polemicist s art It is one of the chief sources of the progressive tradition in American economic social policy of the ethical democratic faith in world politics George presented his basic ideas in his masterpiece PROGRESS POVERTY Then in SOCIAL PROBLEMS he elaborated the practical public side of his philosophy In PROTECTION OR FREE TRADE he works out the details of the reform of the monopoly ridden privilege racked status cursed system of private public enterprise we now cope with into a free enterprise system which rewards each according to his or her contribution gives nothing to the parasitical monopolist Henry George 1839 1897 one of America s most original economists one of history s greatest social philosophers wrote PROTECTION OR FREE TRADE other classic works For a catalogue of his works other books about George free trade land value taxation economic justice property tax reform related ideas write or call the Schalkenbach Foundation 41 E 72nd St New York NY 10021 212 988 1680

Protection Or Free Trade Henry George,2017-08-25 Henry George s treatise which discusses the benefits and drawbacks of both protectionist tariffs and unfettered free trade is published here complete When George wrote this book the economy of the world was seeing unprecedented levels of international trade Shipping technology facilitated the movement of goods

between borders relatively quickly and the consequent supply was viewed as disruptive to both existing business and labor. This book sees Henry George outline arguments and reasoning in favor of tariffs which are taxes imposed on imports exports or both. At the same time George examines views which support zero taxes on goods travelling between borders and even production itself in short unfettered free trade. After weighing up the effects of protection and free trade upon wages and the wider economy George favors the option of free trade. Henry George had a unique view on how the economies of the world should be organized and situated his attitudes to the protectionism versus free trade debate accordingly. He believed that the ever increasing value of land and the corresponding rents demanded by landowners caused the depression of wages production and prosperity. For George the protection versus free trade debate was thus something of a red herring the true cause of wages being so low was the ever increasing cost and rents of land. Rather than impose taxes on goods or the making of goods George proposed to tax land itself and to treat it as more as a common property rather than cede it to mass landowners who would in turn charge high prices for its use. He analyses the popularity of protection in the face of the evidence of its fallacies and examines the principle of free trade and its consequences.

Protection or Free Trade Henry George, 2015-06-26 Excerpt from Protection or Free Trade An Examination of the Tariff Question With Especial Regard to the Interest of Labor In this book I have endeavored to determine whether protection or free trade better accords with the interests of labor and to bring to a common conclusion on this subject those who really desire to raise wages. I have not only gone over the ground generally traversed and examined the arguments commonly used but carrying the inquiry further than the controversialists on either side have yet ventured to go I have sought to discover why protection retains such popular strength in spite of all exposures of its fallacies to trace the connection between the

tariff question and those still more important social questions now rapidly becoming the burning questions of our times and to show to what radical measures the principle of free trade logically leads While pointing out the falsity of the belief that tariffs can protect labor I have not failed to recognize the facts which give this belief vitality and by an examination of these facts have shown not only how little the working classes can hope from that mere revenue reform which is miscalled free trade but how much they have to hope from real free trade About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
