Prussian Officer And Other Stories:

The Prussian Officer, and Other Stories David Herbert Lawrence, 1971 They had marched more than thirty kilometres since dawn along the white hot road where occasional thickets of trees threw a moment of shade then out into the glare again On either hand the valley wide and shallow glittered with heat dark green patches of rye pale young corn fallow and meadow and black pine woods spread in a dull hot diagram under a glistening sky But right in front the mountains ranged across pale blue and very still snow gleaming gently out of the deep atmosphere And towards the mountains on and on the regiment marched between the rye fields and the meadows between the scraggy fruit trees set regularly on either side the high road The burnished dark green rye threw on a suffocating heat the mountains drew gradually nearer and more distinct While the feet of the soldiers grew hotter sweat ran through their hair under their helmets and their knapsacks could burn no more in contact with their shoulders but seemed instead to give off a cold prickly sensation **The Prussian Officer** David Herbert Lawrence, 1916 [The Prussian Officer, and Other Stories, by D.H. The Prussian Officer D H Lawrence, 2021-04-10 A collection of 12 short stories by D H Lawrence from the early part of his career The collection includes *The Prussian Officer* *The Odor of Chrysanthemums* *The Christening* *Daughters of the Vicar* and *the Shadow in the Rose Garden* [The Prussian Officer and Other Stories](#) D. H. Lawrence, 2017-12-25 Excerpt from *The Prussian Officer And Other Stories* He could now walk almost without pain At the start he had determined not to limp It had made him Sick to take the first steps and during the first mile or so he had compressed his breath and the cold drops of sweat had stood on his forehead But he had walked it Off What were they after all but bruises He had looked at them as he was getting up deep bruises on the backs of his thighs And since he had made his first step in the morning he had been conscious of them till now he had a tight

hot place in his chest with suppressing the pain and holding himself in There seemed no air when he breathed But he walked almost lightly The Captain s hand had trembled at taking his coffee at dawn his orderly saw it again And he saw the fine figure of the Captain wheeling on horse back at the farm house ahead a handsome figure in pale blue uniform with facings of scarlet and the metal gleaming on the black helmet and the sword scabbard and dark streaks of sweat coming on the silky bay horse The orderly felt he was connected with that figure moving so suddenly on horseback he followed it like a Shadow mute and inevitable and damned by it And the officer was always aware of the tramp of the company behind the march of his orderly among the men The Captain was a tall man of about forty grey at the temples He had a handsome finely knit figure and was one of the best horsemen in the West His orderly having to rub him down admired the amazing riding muscles of his loins For the rest the orderly scarcely noticed the officer any more than he noticed himself It was rarely he saw his master s face he did not look at it The Captain had reddish brown stiff hair that he wore Short upon his Skull His moustache was also cut Short and bristly over a full brutal mouth His face was rather rugged the cheeks thin Perhaps the man was the more handsome for the deep lines in his face the irritable tension of his brow which gave him the look of a man who fights with life His fair eyebrows stood bushy over light blue eyes that were always aching with cold fire About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
