

The 23rd Psalm

*The Lord is my shepherd, I shall not want
He maketh me to lie down in green pastures
He leadeth me beside still waters
He restoreth my soul
He leadeth me in the paths of righteousness
For His name's sake.*

*Yea though I walk through the valley
Of the shadow of death,
I will fear no evil for thou art with me
Thy rod and they staff they comfort me.
Thou preparest a table before me
In the presence of mine enemies
Thou anointest my head with oil
My cup runneth over.*

*Surely goodness and mercy shall follow me
All the days of my life,
And I will dwell in the house of the Lord forever.*

Psalm 23 Essence of the Psalms Norman M. Chansky,2008-01-01 Essence of the Psalms preserves the spirit of the biblical text while recasting it in a modern idiom The poetic styles in this work are based on those found in the sacred text Retained are the messages of petition praise thanksgiving musings anxiety awe confrontation and remorse smoldering embers of anguish and especially blessings They are filtered moreover through a lens ground with both the bleakness and brightness of human history The messages point to faith in and hope for a better world by taking the Virtuous Path of God a Path Ringed with Garlands of Goodness There is much mystery in the biblical text Because the rules and rhythms of the human condition are ever changing each time one revisits the text some mystery is unraveled new meanings are unlocked and enlightenment unfolds A better understanding of the storms and calms of life springs forth Extracting the marrow of the sacred text Essence of the Psalms is a living testimony of its vitality and relevance **The Poets' Book of Psalms** Laurance

Opening King David Brad Davis,2011-04-11 The human experience is an intimate tough and at times hilarious conversation with what is familiar and what is mystery Poetry at its best turns this conversation into art and teaches by example how to employ language creatively and courageously even coyly in exploring the full range of human response to whatever life may deliver Certainly the biblical Psalms set the highest of standards in this regard In Opening King David Davis takes aim at making contemporary poems in conversation with the Psalms his personal cultural and natural surroundings and the wonder and mess of his own soul As a painter with all colors at his disposal Davis writes with the full spectrum of his available vocabulary sometimes reaching for the glorious ineffable at other times bluntly telling it like it darkly is Neither devotional nor inspirational nor religious these human poems take God seriously and honor our common struggle toward what Saint Paul calls the measure of the stature of the fullness of Christ **The War's Been Won** Anna Christina,2021-09-03 Anyone seeking to move out of the wreckage this world can bring to our lives to the calm green pastures in Christ will want to read this volume of poetry This poetry is a unique selection of written poems that brings scripture versus of comfort You will cherish your journey with her through the heights of suffering to arrive safely at home in the sweetest relief of God's love and grace **Praise Poems** Miley White,2011-01-24 These poems leave you wanting more They are miniature versions of the original Psalms taken from the King James Version You can read them quickly because they each have only one verse Absorbing and pondering the meanings can take a lifetime If you have never read Psalms this is a great introduction Those already familiar with the book may experience the protection and peace that comes with being close to God The inspiration is from God There is complexity in their simplicity Find it and you will find your blessing

perfectly good book such as the Psalms Psalms is already an inspiring book poetic in nature and description Well the idea came to me as a challenge What if Psalms could be put into rhyme without sacrificing the core truths and inspirations I thought this idea was from the Lord so I acted on it Thirty one chapters into my writing I had a serious car accident which left me speech challenged for several months Forty five days after my accident I cried out to the Lord for help How could I continue my writing task when I couldn t even carry on a conversation The answer came Don t worry son just go on to sleep and I will wake you when it s time Three and a half hours after I went to bed that night the Lord awakened me It s time So every night I went to the front room where He would give me rhymes a little at a time until it was finally done Words and phrases like pennies from Heaven would fall into my mind s eye and I would write Once I started the poetry flowed out from the depth of my soul through pen strokes back to God who gave the inspiration to me I couldn t even talk but God was giving me beautiful poetic verses To Him be all the glory Psalms of Lament Ann Weems,1995-01-01 Here beloved poet Ann Weems offers a poignant rendering of her own personal psalms of lament She draws from the rich heritage of Scripture to give voice to the grief and anguish she has felt Her words will deeply move anyone who has mourned Dictionary of the Old Testament: Wisdom, Poetry & Writings Tremper Longman III,Peter Enns,2008-06-06 Tremper Longman III and Peter E Enns edit this collection of 148 articles by over 90 contributors on Job Psalms Proverbs Ecclesiastes Song of Songs Lamentations Ruth and Esther
