Truth Matters John G. Trapani, 2004 Drawing upon the richness and breadth of Jacques Maritain's thought the contributors to this volume engage readers with philosophical essays about the search for truth in human life and civic engagement The essays examine a broad range of topics from those that are more properly theoretical such as God science natural law practical reason education and democracy to those that are more practical such as capital punishment eugenics friendship love and art In each essay the author implicitly challenges the claims of relativism and postmodernism specifically the idea that there is no real truth and that what matters is merely the perspective of one's own frame of reference The essays argue instead that theoretical truth claims have practical consequences that truth matters to those who are affected by it In addition to the editor the contributors are Gavin T Colvert John A D Cuddeback Raymond Dennehy Bernard E Doering Desmond J FitzGerald Sarah J Fodor William J Fossati W Matthews Grant James G Hanink Katie Hollenberg Gregory Kerr James P Mesa Peter Pagan Matthew S Pugh James V Schall S J Michael D Torre John R Traffas Cornelia A Tsakiridou Timothy S Valentine S J A Leo White Anne M Wiles and Henk E S Woldring John G Trapani Jr is Professor of Philosophy and Chair of the Humanities Division at Walsh University in North Canton Ohio
