**YOU: Raising Your Child (Enhanced eBook)** Michael F. Roizen, Mehmet Oz, 2010-10-05. Now available as an enhanced eBook. YOU Raising Your Child will include 12 videos that feature Dr. Oz and pediatrician Dr. Jennifer Trachtenberg answering real parents' questions about child rearing. They talk about everything from diet to bedtime and give candid answers to questions posed by real parents. YOU Raising Your Child could be the most valuable download for any parent's e-reader, providing the answers you need about the biology, psychology, and common sense wisdom of raising a healthy child. YOU Raising Your Child is the ultimate guide to raising children from birth to age five. The authors address everything from troubleshooting infant health issues to supporting the emotional and intellectual development of your child. Included are discussions of healthy nutrition, milestones for physical activity, building good habits, taking care of YOU, and how to cope with the biggest ailments and fears parents face today. The book is filled with wisdom and age-specific advice that will help parents manage all kinds of child rearing questions and issues. A sampling of topics include:

- The Mind of a Child:** This chapter is the foundation for what is discussed throughout the book. It explores personality quirks and how they are formed and will talk about things that parents can do from day one to day one thousand and beyond to help their children develop. Tips will be about how to recognize their differences but still instill good habits. After all, good parenting is really about being a good psychologist, knowing your child's brain, and helping them develop who they are.
- Nutrition:** Of course, a big part of parenting is making sure that kids learn how to keep themselves healthy and fit for a lifetime. This chapter emphasizes good nutrition and eating habits for all ages; it will address biologic differences like number of taste buds and requirement for dozen exposures to taste to achieve change.
- Physical Activity:** With the help of Joel Harper, fitness expert who appears on all of the YOU DVDs, this chapter will be filled with information and advice on how to make sure your kids are growing in all the right places.
- Taking Care of YOU:** This chapter takes a step back to show how being a good parent also means taking care of yourself and your dreams in order to show your kids how to love. Tips on how parenting isn't always being selfless. With these topics and many more, America's most trusted doctors once again come to the rescue and teach parents the best ways to raise healthy, happy children.

**It Takes a Child to Raise a Parent** Janis Clark Johnston, 2013-04-04. While advice abounds from a variety of sources before parents embark on their parenting journeys, the only parent preparation we actually receive comes from our family and peer stories. Yet most adults do not realize that in day-to-day challenges of guiding our children, something interesting happens. As we steer our children through life, we reopen our own childhood roads. Just when our child

most needs us we become needy ourselves as adults and parents we find that we have unresolved raising issues basic needs that were not met in our childhoods Our needs and memories echo and influence many of the parenting decisions we make even though we re unaware of those influences at times Fortunately children help parents reach their needs as much as their parents help them fulfill their own Our child ends up guiding us by connecting us to some earlier time in our life when we encountered distress We dredge up a lesson and we adapt by adhering to or changing the story that we tell ourselves about who we are We re negotiate the five basic needs that surface from our childhood memories as our youngsters pass through each of the developmental phases The self aware parent focuses on creative problem solving by focusing on one interaction at a time It Takes a Child to Raise a Parent offers an exploration of how our own childhood memories and needs influence and shape our parenting decisions in our adult lives Offering tips stories from a variety of families and step by step exercises Janis Johnston helps parents better understand and grasp the tools necessary to face parenting challenges head on and to explore new ways of understanding ourselves our children and our family interactions Expectant parents and current parents interested in understanding their own personality development as well as the many moods of childhood and their own children will find clear guidelines for understanding their roles in their children s lives as well as concrete suggestions for how to navigate the choppy waters of raising children
