Veils of the Heart Munirah Maclean,2025-06-03 Eastern and Western philosophy and experience clash as Munirah Maclean seeks to sustain her faith and values and find a place within the movement around the Sheikh This far reaching memoir follows Munirah as she converts to Islam marries and is initiated into an ancient Sufi lineage the Naqshbandi Her relationship with Sheikh Nazim is transformative taking place before he becomes a worldwide spiritual leader Following Sheikh Nazim she tries to live the role of a traditional Ottoman woman However as his recognition grows she finds she can t align with the model of his North American representative wherein spirituality has become another aspect of consumerism which does not reflect the Sufi path The conflict between a woman s traditional role and the demands of late capitalism and individualism has brought about huge societal changes which many people are struggling to negotiate How will she raise her family in North America and still stay on the mystical journey On her spiritual quest Munirah learns that one the most important parts of the spiritual path is to follow your heart and your own inner connection with ultimate truth She shares her personal story here acknowledging its subjectivity while authenticating the spiritual realities she experienced *Veils of the Heart* is a heartfelt portrayal of the place of women in traditional Sufism and an affirmation of them *Tantric Love Letters* Diana Richardson,2012-05-16 Diana Richardson an acclaimed authority on human sexuality began a personal enquiry into the union of sex and meditation the essence of tantra over twenty five years ago while living in India Through these innocent steps and motivated by simple curiosity she gained deep insights into the spiritual and generative implications of sex that lie beyond its reproductive aspect She stresses that it is the how of sex and not the what of sex that determines the difference With additional information we can begin to honor the innate sexual intelligence that exists in our bodies as a subtle electro magnetic reality On this fine and delicate level man and woman function as equal yet opposite forces that are highly complimentary Embracing this polarity potential can elevate and transform sex into an empowering and spiritual act an experience that creates and sustains love peace and harmony Her simple down to earth and practical approach as presented in her books has created a wave of positive resonance and response from readers worldwide **The Publishers Weekly**
