Raleighs Eden:

Raleigh's Eden Inglis Fletcher,1977 **Eden's Edge** T. Bradford Hurdle,2014-05-16 June 5th 1951it is a warm summer morning in the quiet little town of Edens Edge North Carolina and Lisanne Walters has just stumbled upon the mutilated body of Jared Michaels A member of one of the most prominent families in town the victim seemingly has no enemies But if that was true why would someone torture him and dump his naked body in the middle of Town Square That is one of the many questions SBI Detective Donovan Wolf intends to answer during his stay in this quaint town As he investigates he quickly learns that things are not exactly as they seem The town is shrouded in secrecy and steeped in religious fanaticism While there is no shortage of suspects there is only circumstantial evidence To make matters worse the townspeople seem more intent on gossip than finding the killer As he deals with false leads and hidden threats from the murderer Wolf struggles to make sense of the evidence and fight against his own self doubt Will he ever find the evidence he needs to bring Jareds killer to justice or will this murder become just another unsolved case When Wolf finally comes face to face with the killer he begins the fight of his life If he wins the killer will be brought to justice and Jared will be vindicated If he loses he will become the killers second victim and the truth will die with him

Armstrong,2009-03-10 ANDREW HAS grown up near the Plymouth docks hearing the sailors talk about America Knowing that Andrew s heart is set on going to the new world his father sends him up to London to serve as page in the house of Walter Raleigh In Queen Elizabeth s court Raleigh s the strongest voice in favor of fighting with Spain for a position in the New World and everyone knows that it s just a matter of time before Her Majesty agrees to an expedition Can Andrew prove himself fit to go on an expedition to the New World Meticulously researched and brilliantly crafted combining fictional characters with historical Andrew s tale offers up a vivid look at the cloakand dagger politics of the time and a genuine feel for what it must have been like for the first Europeans to set foot on the beautiful bountiful savage shores of America

Moments of Despair David Silkenat, 2011-03-07 During the Civil War era black and white North Carolinians were forced to fundamentally reinterpret the morality of suicide divorce and debt as these experiences became pressing issues throughout the region and nation In Moments of Despair David Silkenat explores these shifting sentiments Antebellum white North Carolinians stigmatized suicide divorce and debt but the Civil War undermined these entrenched attitudes forcing a reinterpretation of these issues in a new social cultural and economic context in which they were increasingly untethered from social expectations Black North Carolinians for their part used emancipation to lay the groundwork for new bonds of community and their own interpretation of social frameworks Silkenat argues that North Carolinians attitudes differed from those of people outside the South in two respects First attitudes toward these cultural practices changed more abruptly and rapidly in the South than in the rest of America and second the practices were interpreted through a prism of race Drawing upon a robust and diverse body of sources including insane asylum records divorce petitions bankruptcy filings diaries and personal correspondence this innovative study describes a society turned upside down as a consequence of a devastating war
