Rally Round The Jack:

Rally Round the Jack Leonard L. Knott,1976 **An Alley in Chicago** Margerie Frisbie,2002-05-01 Besides recounting the exemplary life of Monsignor John Joseph Egan *An Alley in Chicago* briefs us on the firebrand priests and lay people who radiated the power and lan that made Catholics across the country look to the heartland to Chicago s Catholic moment They sought leadership in marriage education in neighborhood empowerment in urban ministries in ecuminism in race relations in community organizing from these indefatigable Chicago leaders and they got it *The Price of Love* Anne Baker,2012-04-26 A young woman s desperate pursuit of love reveals secrets from more than one source Anne Baker writes a compelling saga in *The Price of Love* detailing the trials of life and love Perfect for fans of Nadine Dorries and Katie Flynn Kate McGlory longs to be loved Her seven younger brothers are cherished by their doting mother Lena but Kate tends to be forgotten Then Kate catches the eye of Jack Courtney and at last she too is adored But their courtship is not straightforward Jack comes from a family of wealthy ship owners in Merseyside who may not approve of the match Lena is terrified that history will repeat itself if her daughter falls in love with a man above her station and worst of all Jack has not been entirely honest with Kate from the start What readers are saying about *The Price of Love* Beautifully written the characters come to life on the page as their story unfolds I would highly recommend this book The book is very hard to put down Anne Baker is a superb writer and never fails to excite me Unsurpassed Helmut Norpoth,2018-08-27 Franklin Roosevelt was not only the first US president to be covered by public opinion polls but his ratings have consistently exceeded those of all subsequent sitting presidents save for John F Kennedy Moreover Roosevelt also stands out with a popular appeal that is unsurpassed by any of his successors serving at least a full term The key to his approval as this book shows was wartime leadership not economic performance It began with policies preparing the nation for war in the two years before formal entry To use FDR s own coinage it was making the United States the arsenal of democracy in the battle against tyranny That pursuit not the New Deal earned him high marks with the American people and re election to an unprecedented third term World War II and its heavy human toll did nothing to diminish FDR s popularity As such the FDR experience defies major paradigms of presidential politics Yet Roosevelt has been relatively ignored by scholars of public opinion What can FDR s experience teach us and his successors about rousing broad public support particularly during wartime What light does his success shed on the failures of Presidents Truman Johnson and George W Bush in Korea Vietnam and Iraq On key issues mainly with foreign policy FDR had to contend with an American public that opposed his plans at the outset Helmut Norpoth argues that Roosevelt had an unparalleled ability for leadership especially through the fabled fireside chats and his appreciation of opinion polls that enabled him to move the public to embrace his policies In this book Norpoth takes an in depth look at how FDR s leadership swayed public opinion comparing his experience to his successors to draw broad conclusions about what makes for successful presidential politics **Jack's Island** Norman Jorgensen,2010-03 Living on Rottnest during WWII Jack and his best friend Banjo have

the run of the island and a remarkable knack for getting into trouble Dafty a simple but loveable young boy is their constant companion But when Dafty seeks revenge against the local schoolmaster for a punishment inflicted on Banjo life becomes suddenly more serious Provided by publisher

History of Australia Manning Clark, 1993 In 1962 the first volume of Manning Clark's A History of Australia appeared For the next two and a half decades Clark unfolded his tragic celebration of white Australian history Today the six volume history is one of the masterpieces of Australian literature It is also one of the most passionately debated visions of Australian history Clark's Australians are men and women of lively goodwill and deep sinfulness of generous idealism and unthinking brutality He dramatizes the motivating forces of Australian life cowardice and vision cruelty and defiance greatness of spirit and the spiritual vacuity of the suburbs all of them locked in the unceasing struggle which builds a nation Michael Cathcart has re orchestrated Clark's epic narrative in this single volume Every page of this abridgement rings with Manning Clark's voice Here at last the general reader can encounter the deep resonances pessimism and passion

of Manning Clark Australian historian and prophet Michael Cathcart is co author of Mission to the South Seas the Voyage of the Duff and author of Defending the National Tuckshop a study of conservative responses to the Great Depression

Weighing the Odds Eileen Simkiss,2016-10-23 Set over two decades from the grim post war 1950s to the growing affluence of the 1970s three very different lines are intertwined Sally Steadman the indulged temperamental child of aspiring parents her heart set on a career in music Johnny Marshall the son a back street bookmaker making his way out of the terraced streets of his childhood at any cost Alice Spencer daughter of a controlling father and downtrodden mother struggling to find her independence All three are forced to make compromises which change their lives forever **Paul**

Quirk,2009-09-16 This book is published by an imprint of Globe Pequot Publishing Group All rights reserved This book may not be reproduced in whole or in part by any means with the exception of short quotes for the purpose of review without permission of the publisher It is prohibited for this work to be used for the purposes of training language learning models LLMs or artificial intelligence AI Logics of War Alex Weisiger,2013-03-19 Most wars between countries end quickly and at relatively low cost The few in which high intensity fighting continues for years bring about a disproportionate amount of death and suffering What separates these few unusually long and intense wars from the many conflicts that are far less destructive In Logics of War Alex Weisiger tests three explanations for a nation s decision to go to war and continue fighting regardless of the costs He combines sharp statistical analysis of interstate wars over the past two centuries with nine narrative case studies He examines both well known conflicts like World War II and the Persian Gulf War as well as unfamiliar ones such as the 1864 1870 Paraguayan War or the War of the Triple Alliance which proportionally caused more deaths than any other war in modern history When leaders go to war expecting easy victory events usually correct their misperceptions quickly and with fairly low casualties thereby setting the stage for a negotiated agreement A second explanation involves motives born of domestic politics as war becomes more intense however leaders are increasingly constrained in their ability to continue the fighting Particularly destructive wars instead arise from mistrust of an opponent s intentions Countries that launch preventive wars to forestall expected decline tend to have particularly ambitious war aims that they hold to even when fighting goes poorly Moreover in some cases their opponents interpret the preventive attack as evidence of a dispositional commitment to aggression resulting in the rejection of any form of negotiation and a demand for unconditional surrender Weisiger s treatment of a topic of central concern to scholars of major wars will also be read with great interest by military historians political psychologists and sociologists The Uncensored War Daniel C.

Hallin,1989-04-14 Vietnam was America s most divisive and unsuccessful foreign war It was also the first to be televised and the first of the modern era fought without military censorship From the earliest days of the Kennedy Johnson escalation right up to the American withdrawal and even today the media s role in Vietnam has continued to be intensely controversial The Uncensored War gives a richly detailed account of what Americans read and watched about Vietnam Hallin draws on the

complete body of the New York Times coverage from 1961 to 1965 a sample of hundreds of television reports from 1965 73 including television coverage filmed by the Defense Department in the early years of the war and interviews with many of the journalists who reported it to give a powerful critique of the conventional wisdom both conservative and liberal about the media and Vietnam Far from being a consistent adversary of government policy in Vietnam Hallin shows the media were closely tied to official perspectives throughout the war though divisions in the government itself and contradictions in its public relations policies caused every administration at certain times to lose its ability to manage the news effectively As for television it neither showed the literal horror of war nor did it play a leading role in the collapse of support it presented a highly idealized picture of the war in the early years and shifted toward a more critical view only after public unhappiness and elite divisions over the war were well advanced **Parliamentary Papers** Great Britain. The Bystander, 1908 **Confederate Phoenix** Edmund L. Drago, 2008 In this innovative book Edmund L. Drago tells the first full story of white children and their families in the most militant Southern state and the state where the Civil War erupted Drawing on a rich array of sources many of them formerly untapped Drago shows how the War transformed the domestic world of the white South Households were devastated by disease death and deprivation Young people took up arms like adults often with tragic results Thousands of fathers and brothers died in battle many returned home with grave physical and psychological wounds Widows and orphans often had to fend for themselves From the first volley at Fort Sumter in Charleston harbor to the end of Reconstruction Drago explores the extraordinary impact of war and defeat on the South Carolina home front He covers a broad spectrum from the effect of boy soldiers on the ideals of childhood and child rearing to changes in education marriage customs and community as well as family life He surveys the children's literature of the era and explores the changing dimensions of Confederate patriarchal society By studying the implications of the War and its legacy in cultural memory Drago unveils the conflicting perspectives of South Carolina children white and black today

The Effects of Wars Pierre Bocquillon, Suzanne Doyle, Toby S. James, Ra Mason, Soul Park, Matilde Rosina, 2024-12-09 War has been an ever present feature of human existence The analysis of wars has tended to focus on either their causes or the military and strategic consequences of a conflict This book argues that war can have a much wider impact across layers of society that go beyond international boundaries It presents a heuristic multi disciplinary framework for analysing the ripple and backwash effects across five connected analytical layers around the world material human capabilities economic values belief and attitudes policy and governance and power Through this framework the book introduces a set of empirically rich and theoretically informed studies which examine the first consequences of the war in Ukraine following the invasion of Russia in February 2022 This multi disciplinary approach shows that the effects of the war

were much deeper and sustained This volume will be of interest to students and scholars of international humanitarian law security studies peace and conflict studies and European history The chapters in this book were originally published as a special issue of Policy Studies
