Michael Fassbender - The Biography Jim Maloney, 2012-09-03 He's the outsider who rocked Hollywood with a string of powerful films earning him plaudits, awards and an army of adoring fans. His chiselled yet rugged good looks and masculinity set him apart from the pretty boy actors which has made him popular with both men and women. His intriguing mix of Irish/German roots has infused him with an easy-going charm combined with a steely confidence and determination to succeed. Michael Fassbender doesn't just act, he becomes the people he is portraying in a type of method acting that has seen him likened to Marlon Brando and Robert De Niro, both of whom were his childhood heroes. And he is an actor with remarkable versatility. In his breakthrough movie *Hunger* he went on a strict diet to lose weight in order to play IRA hunger striker Bobby Sands. By contrast he portrayed an English army officer in the rollicking World War Two adventure *Inglorious Basterds*, the comic book villain Magneto in *X-Men First Class* and psychiatrist Carl Jung in *A Dangerous Method* in which he famously spanked Keira Knightley's bottom. He shamelessly bared all as a sex addict in *Shame* and got moody and broody as a chilling hired killer in the action thriller *Haywire*. In this eagerly awaited biography Jim Maloney tells of his remarkable rise to fame from Heidelberg in south west Germany to Killarney in Ireland on to London and Hollywood. Read how he thought he was Superman, why he dropped out of drama school, his brief attempt to become a heavy metal rock star and about the piece of paper pinned to his school notice board that was to change his life forever.

Leonardo DiCaprio - The Biography Douglas Wight, 2013-11-04 While looking at the story of DiCaprio's meteoric rise to fame, this updated edition delves beneath his polished Hollywood image to examine just what makes him tick. It was only the beginning when Leonardo DiCaprio stood astride the bow in *Titanic*. Leo has rocketed to become one of the highest paid actors in the world and his position looks set to be secure for some time to come as the release of a new 3D version of *Titanic* heralds another sensational year for one of Hollywood's hottest talents. Recently Leo has taken on the lead role in a new adaptation of *The Great Gatsby* and as the villain in Quentin Tarantino's blockbuster *Django Unchained*. Both are a far cry from the heartthrob's humble beginnings when he had to scrape for parts in TV commercials and soap operas before his eye-catching performance in Baz Luhrmann's *Romeo & Juliet*. Cementing his reputation with captivating performances in films like *Catch Me If You Can* and *The Departed*, DiCaprio won a Golden Globe for his portrayal of Howard Hughes in *The Aviator*. A keen environmentalist and conservationist, he has given millions to good causes around the globe and has never been shy about wearing his political ideals on his sleeve. Yet although he's spent over 15 years at the top of his profession, Leonardo remains something of an enigma. He has famously dated some of the world's most beautiful women but seems no nearer to settling down and his often daring movie choices suggest someone still striving for perfection despite his stunning successes.
