Ramsbury, Then and Now Barbara Croucher,1995 Market Garden Then and Now Boxed Set Karel Margry,2002-08-30 Both volumes of Operation Market Garden Then and Now in a presentation slip case If It's Love: Hoyden Meets Marquess Amanda Mariel,Dawn Brower,2020-12-28 A hellion determined to live life to the fullest Lady Hannah Blakey thrives on the thrill of gaming the rush of horse racing and the allure of fine scotch Marriage is the last thing on her mind much to her brother s frustration She defies his demands at every turn embracing a life of adventure and independence A man bound by friendship Graham Fulton Marquess Ramsbury is stunned when he discovers Lady Hannah Blakey his best friend s spirited sister disguised as a man and immersed in a high stakes card game at one of London s most notorious clubs Driven by loyalty and concern he escorts the daring lady home unaware that this encounter is only the beginning A dangerous attraction Hannah never expected to be captivated by Ramsbury yet she finds herself irresistibly drawn to him This newfound desire threatens her cherished freedom but resisting it proves impossible One stolen kiss ignites a passion neither can deny but will Hannah dare to surrender to her heart s longing *The Journal of the British Archaeological Association* ,1891 **Street Trees in Britain** Mark Johnston,2017-07-31 The trees which line many of the streets in our towns and cities can often be regarded as part of a heritage landscape Despite the difficult conditions of an urban environment these trees may live for 100 years or more and represent living history in the midst of our modern streetscapes This is the first book on the history of Britain s street trees and it gives a highly readable authoritative and often amusing account of their story from the tree lined promenades of the seventeenth century to the majestic boulevards that grace some of our modern city centers The impact of the Victorian street tree movement is examined not only in the major cities but also in the rapidly developing suburbs that continued to expand through the twentieth century There are fascinating descriptions of how street trees have helped to improve urban conditions in spa towns and seaside resorts and also in visionary initiatives such as the model villages garden cities garden suburbs and new towns While much of the book focuses on the social and cultural history of our street trees the last three chapters look at the practicalities of how these trees have been engineered into concrete landscapes This includes the many threats to street trees over the years such as pollution conflict with urban infrastructure pests and diseases and what is probably the greatest threat in recent times the dramatic growth in car ownership Street Trees in Britain will have particular appeal to those interested in heritage landscapes urban history and the natural and built environment Some of its themes were introduced in the author s previous work the widely acclaimed *Trees in Towns and Cities A History of British Urban Arboriculture* **Journal of the British Archaeological Association** British Archaeological Association,1891 The Hellion's Secret Jess Michaels,2024-11-19 Phineas Blanchard the Earl of Delacourt feels restless and he can t place why It s like there s some itch he can t scratch as he goes through the motions of his duties to his title and the dissipated pleasures he finds as a rake in hell s all over London

Until that is he encounters a mysterious woman one night One who bewitches and challenges him in ways that keep him dreaming of her Imagine his surprise when he later realizes she is the infamous masked female boxing champion only known as The Hellion Esme Crawford is the daughter of a marquess and ran from her life in Society when her father died under mysterious circumstances leaving her in grave danger Becoming The Hellion was a way to survive and retake control of her existence But now Finn is dancing around the edges of her deceptions and if she plays too close to his fire she will surely be revealed and possibly burned Neither can stay away from the other and eventually Finn discovers both her true identity and the fact that she believes her father was murdered Now a passionate affair rages between them and a treacherous investigation brings them closer and closer to a man more than willing to kill Will they be able to overcome the scandal of their passion is one question Will they survive is quite another **Find Me Love** Dawn Brower, Amanda Marie, 2018-07-17

As a young girl Diana decided she liked fencing more than being a proper lady but sometimes embracing the rules of society is a necessary evil Fortuna s Parlor gives her the opportunity to utilize her love of fencing and ton balls are the perfect place to hold the clandestine matches Roguish behavior gambling and expensive brandy are Luther Wright Earl of Northesk s favorite vices They each play a part in burying the demons that haunt him One night everything changes and he is forced to question every decision he s made After a chance encounter at one of Diana s fencing matches Luther decides to court her Her strong will and his need to protect her clash only time will tell if they are able to find a way past their differences and in turn an enduring love *The Accidental Countess* Jess Michaels, 2025-02-04 Roderick Stratford Earl of Kirkwood has always believed in true and instant love He expects he ll be struck by a lightning bolt when the right woman comes along Miss Clarissa Lockhart doesn t care if she finds love she knows her destiny in life is to marry well and raise her family s fallen fortunes And because of the gift of a strict book of etiquette she believes if she can only behave exactly correctly she can make that dream come true Clarissa s ire is sparked with Roderick arrives uninvited with her cousin to a gathering meant to help her find that perfect husband and the two spar They also begin to see each other in a different light But whatever fragile friendship they re forming is shattered when her grasping parents catch them in a compromising position and they re forced to marry Although passion comes easy trust and hope are less so Neither one of them chose this future but can Roderick find a lightning bolt with the fascinating wife he never expected And can Clarissa overcome her rigid expectations of propriety enough that she can see the value of true forever love **Lady August** Becky Michaels, 2021-03-30
