**Producing India** Manu Goswami, 2010-01-26 When did categories such as a national space and economy acquire self evident meaning and a global reach Why do nationalist movements demand a territorial fix between a particular space economy culture and people Producing India mounts a formidable challenge to the entrenched practice of methodological nationalism that has accorded an exaggerated privilege to the nation state as a dominant unit of historical and political analysis Manu Goswami locates the origins and contradictions of Indian nationalism in the convergence of the lived experience of colonial space the expansive logic of capital and interstate dynamics Building on and critically extending subaltern and postcolonial perspectives her study

shows how nineteenth century conceptions of India as a bounded national space and economy bequeathed an enduring tension between a universalistic political economy of nationhood and a nativist project that continues to haunt the present moment Elegantly conceived and judiciously argued Producing India will be invaluable to students of history political economy geography and Asian studies *The Neomercantilists* Eric Helleiner,2021-11-15 As critiques of free trade policies grow The Neomercantilists sheds light on the protectionist turn offering the first intellectual history of neomercantilism s evolution Eric Helleiner traces the ideology s pioneers from the late eighteenth to early twentieth centuries highlighting advocates of strategic protectionism and government economic activism to promote state power While Friedrich List is well known Helleiner also highlights lesser known thinkers many from beyond the West Helleiner s focus on neomercantilism s diverse origins challenges Western centric accounts of its history He uncovers neglected regional traditions and global exchanges of ideas that shaped distinct versions of the ideology in Latin America Africa Asia and the Caribbean These ideas endure influencing the two dominant powers in today s world economy China and the United States The Neomercantilists is a groundbreaking study of influential economic ideas It links the past to the present urging more global approaches to studying political economy and the cross border circulation of thought Macroeconomics Alex M. Thomas,2021-09-30 Provides a lucid and novel introduction to macroeconomic issues and introduces an alternative approach of understanding macroeconomics which is inspired by the works of Adam Smith David Ricardo Karl Marx John Maynard Keynes and Piero Sraffa It also presents the reader with a critical account of mainstream marginalist macroeconomics The Routledge Handbook to Global Political Economy Ernesto Vivares,2020-04-16 The Routledge Handbook to Global Political Economy provides a comprehensive guide to how Global Political Economy GPE is conceptualized and researched around the world Including contributions that range from traditional International Political Economy IPE to GPE approaches the Handbook gathers the investigations varying perspectives and innovative research of more than sixty scholars from all over the world Providing undergraduates postgraduates teachers and researchers with a complete set of traditional contending and regional perspectives the book explores current issues conceptual tools key research debates and different methodological approaches taken Structured in five parts methodologically correlated the book presents GPE as a field of global regional and national research historical waves and diverse ontological axes major theoretical perspectives beyond traditional perspectives regional inquiries research arenas Carefully selected contributions from both established and upcoming scholars ensure that this is an eclectic pluralist and multidisciplinary work and an essential resource for all those with an interest in this complex and rapidly evolving field of study **Handbook of Alternative Theories of Economic Development** Erik S. Reinert,Jayati Ghosh,Rainer Kattel,2016-09-28 The Handbook of Alternative Theories of Economic Development explores the theories and approaches which over a prolonged period of time have existed as viable alternatives to today s mainstream and neo classical tenets With a total of 40 specially commissioned chapters written by the foremost

authorities in their respective fields this volume represents a landmark in the field of economic development It elucidates the richness of the alternative and sometimes misunderstood ideas which in different historical contexts have proved to be vital to the improvement of the human condition The subject matter is approached from several complementary perspectives From a historical angle the Handbook charts the mercantilist and cameralist theories that emerged from the Renaissance and developed further during the Enlightenment From a geographical angle it includes chapters on African Chinese Indian and Muslim approaches to economic development Different schools are also explored and discussed including nineteenth century US development theory Marxist Schumpeterian Latin American structuralism regulation theory and world systems theories of development In addition the Handbook has chapters on important events and institutions including The League of Nations The Havana Charter and UNCTAD as well as on particularly influential development economists Contemporary topics such as the role of finance feminism the agrarian issue and ecology and the environment are also covered in depth This comprehensive Handbook offers an unrivalled review and analysis of alternative and heterodox theories of economic development It should be read by all serious scholars teachers and students of development studies and indeed anyone interested in alternatives to development orthodoxy

Decolonizing Development Rahul A. Sirohi, Sonya Surabhi Gupta, 2023-09-27 This book turns to the intellectual discourses that have emerged from India and Latin America two outposts of the Global South on the themes of imperialism sovereignty development and socio economic racial and caste inequalities It recovers the elided reflective traditions of thinkers writers and activists from these peripheries and highlights the distinctive ideas alliances and parallelisms in their works as well as the manner in which they articulate liberatory paradigms which continue to have contemporary relevance The book maps the innovative epistemic engagements of thinkers from India and Latin America highlighting the manner in which they have disrupted and challenged the hierarchies of global knowledge production It argues that political spatial and historical distinctions notwithstanding the experiences of peripheralization their common traditions of resistance to oppression and their deeply entangled histories have forged a shared intellectual identity and a rich alternative set of emancipatory epistemologies grounded in the realities and histories of Southern nations The book recovers this body of work as mass movements the world over seek civilizational alternatives to capitalist modernity The book will be of interest to students and researchers of development studies history political science sociology political economy South Asian studies Latin American studies and Global South studies

**Indian Liberalism between Nation and Empire** Elena Valdameri, 2022-03-10 This book analyses the political thought and practice of Gopal Krishna Gokhale 1866 1915 preeminent liberal leader of the Indian National Congress who was able to give a global voice to the Indian cause Using liberalism nationalism cosmopolitanism and citizenship as the four main thematic foci the book illuminates the entanglement of Gopal Krishna Gokhale s political ideas and action with broader social political and cultural developments within and beyond the Indian national frame The author analyses Gokhale s thinking on a range of issues such as nationhood education citizenship modernity caste social service cosmopolitanism and the women s question which historians have either overlooked or inserted in a rigid nation bounded historical narrative The book provides new enriching dimensions to the understanding of Gokhale whose ideas remain relevant in contemporary India

A new biography of Gokhale that brings into consideration current questions within historiographical debates this book is a timely and welcome addition to the fields of intellectual history the history of political thought Colonial history and Indian and South Asian history      **Colonial Transformation and Asian Religions in Modern History** David W. Kim, 2018-10-12

The localisation of a region group or culture was a common social phenomenon in pre modern Asia but global colonialism began to affect the lifestyle of local people What was the political condition of the relationship between insiders and outsiders The impact of colonial authorities over religious communities has not received significant attention even though the Asian continent is the home of many religions including Hinduism Buddhism Confucianism Taoism Islam Shintoism and Shamanism Colonial Transformation and Asian Religions in Modern History presents multi angled perspectives of socio religious transition It uses the cultural religiosity of the Asian people as a lens through which readers can re examine the concepts of imperialism religious syncretism and modernisation The contributors interpret the growth of new religions as another facet of counter colonialism This new approach offers significant insight into comprehending the practical agony and sorrow of regional people throughout Asian history      **Studies in International Economics and Finance** Naoyuki Yoshino, Rajendra N.
