

A full-page photograph of a cowboy on a brown horse in a vast, open landscape. The cowboy is wearing a light-colored cowboy hat, a blue denim jacket over a plaid shirt, and blue jeans. He is holding the reins of the horse. The horse has a white blaze on its face. In the background, there are several black and brown cows grazing on dry grass. In the far distance, there are snow-capped mountains under a blue sky with some clouds. In the top right corner, there is a red rectangular box with a decorative wavy border containing the text "RANCHING TRADITIONS" in blue, bold, serif capital letters.

M. Evans, 2004 For much of its 130 year history the Bar U Ranch can claim to have been one of the most famous ranches in Canada Its reputation is firmly based on the historical role that the ranch has played its size and longevity and its association with some of the remarkable people who have helped develop the cattle business and build the Canadian West The long history of the ranch allows the evolution of the cattle business to be traced and can be seen in three distinct historical periods based on the eras of the individuals who owned and managed the ranch These colourful figures beginning with Fred Stimson then George Lane and finally Pat Burns have left an indelible mark on the Bar U as well as Canadian ranching history The Bar U and Canadian Ranching History is a fascinating story that integrates the history of ranching in Alberta with larger issues of ranch historiography in the American and Canadian West and contributes greatly to the overall understanding of ranching history The History of Texas Robert A. Rodeo as Refuge, Rodeo as Rebellion Elyssa Ford,2020-11-23 From the Wild West shows of the nineteenth century to the popular movie Westerns of the twentieth century one view of an idealized and mythical West has been promulgated Elyssa Ford suggests that we look beyond these cowboy clichés to complicate and enrich our picture of the American West Rodeo as Refuge Rodeo as Rebellion takes us from the beachfront rodeo arenas in Hawai'i to the reservation rodeos held by Native Americans to reveal how people largely missing from that stereotypical picture make rodeo and America their own Because rodeo has such a hold on our historical and cultural imagination it becomes an ideal arena for establishing historical and cultural relevance By claiming a place in that arena groups rarely included in our understanding of the West African Americans Native Americans Mexican Americans Native Hawaiians and the LGBT community emphasize their involvement in the American past and proclaim their right to an American identity today In doing so these groups change what Americans know about their history and themselves In her journey through these race and group specific rodeos Ford finds that some see rodeo as a form of escape a refuge from a hostile outside world For others rodeo has become a site of rebellion a place to proclaim their difference and to connect to a different story of America Still others like Mexican Americans and the LGBT community look inward using rodeo to coalesce and celebrate their own identities In Ford's study of these historically marginalized groups she also examines where women fit in race and group specific rodeos and concludes that even within these groups the traditional masculinity of the rodeo continues to be promoted Female competitors may find refuge within alternate rodeos based on their race or sexuality but they still face limitations due to their gender identity Whether as refuge or rebellion rodeos of difference emerge in this book as quintessentially American remaking how we think about American history culture and identity
