Branson,2024-07-10 The stories of Southern brigadier generals during the Revolutionary War remain largely forgotten or untold but their experiences were unique During the war 13 of the 58 brigadier generals the lowest ranking generals who served under George Washington died because of combat wounds or under British captivity Seven of those 13 hailed from the southernmost and excepting Virginia less populated colonies Proportionally they were more likely to become casualties or prisoners than were their Northern counterparts and they were far more likely than were the more senior major generals only one of whom died during the war out of 28 total officers This book profiles the 18 Southern brigadier generals and their service during the American Revolution It makes the case that Washington and his brigadier generals especially the Southern brigadiers won the war in spite of the major generals many of whom exhibited cowardice alcoholism insubordination womanizing or ineffective leadership more than half of the major generals were effectively cashiered or voluntarily left military service long before Yorktown and the war s conclusion The author demonstrates that as much as Benjamin Franklin Thomas Jefferson Alexander Hamilton and other politicians the war s brigadier generals should be viewed as founding fathers too **Rand McNally and Co.'s New Imperial Atlas of the World Containing Large Scale Colored Maps of Each State and Territory in the United States, Provinces of Canada, the Continents and Their Subdivisions** Rand McNally and Company,1918 *Rand McNally Auto Road Atlas of the United States Including a Brief Description of the National Parks and Monuments* Rand McNally and Company,1926 *Highway 25 in the Carolinas: A Brief History* Anne Peden and Jim Scott,2021 Traveling US 25 through the Carolinas today is a much more pleasant experience than it was in the 1700s Then the road from the Tennessee Cherokee Towns to Augusta Georgia was a Cherokee trading path that followed a bison trace to the navigable port on the Savannah River Drovers came from as far as Kentucky herding hogs turkeys and mules Lowcountry South Carolinians traveled by stagecoach and wagon to the foothills and mountains staying for months

The Augusta Road Saluda Gap and Buncombe Turnpike became the Dixie Highway Carolina Division and then US Route 25 by 1931 Authors Anne Peden and Jim Scott travel the trading path and concrete highway to explore this fascinating history
