## **Randall Jarrell A Literary Life:**

**Randall Jarrell** William H. Pritchard, 1990-04-19 This elegantly written study concentrates on the complex interaction between Jarrell's life and work describing and commenting on his most important poems and prose but also focusing on the significant events and experiences of his life Pritchard dramatizes the ambiguous character of the man a worshipper of childhood deeply at odds with his own early years a wonderfully commonsensical and humorous critic whose imagination was haunted by darker patterns of story and myth

[Reading the Middle Generation Anew](#) Eric Haralson, 2006-04 Ten original essays by advanced scholars and well published poets address the middle generation of American poets including the familiar Robert Lowell Elizabeth Bishop Randall Jarrell and John Berryman and various important contemporaries Delmore Schwartz Theodore Roethke Robert Hayden and Lorine Niedecker This was a famously troubled cohort of writers for reasons both personal and cultural and collectively their poems give us powerful moving insights into American social life in the transforming decades of the 1940s through the 1960s In addition to having worked during the broad middle of the last century these poets constitute the center of twentieth century American poetry in the larger sense refuting invidious connotations of middle as coming after the great moderns and being superseded by a proliferating postmodern experimentation This middle generation mediates the so called American century and its prodigious body of poetry even as it complicates historical and aesthetic categorizations Taking diverse formal and thematic angles on these poets biographical historical deconstructionist and more formalist accounts this book re-examines their between-ness and ambivalence their various positionings and repositionings in aesthetic political and personal matters The essays study the interplay between these writers and such shifting formations as religious discourse consumerism militarism and war the ideology of America as nature's nation and U.S. race relations and ethnic conflicts Reading the Middle Generation Anew also shows the legacy of the middle generation the ways in which their lives and writings continue to be a shaping force in American poetry This fresh and invigorating collection will be of great interest to literary scholars and poets

**Poems by Robert Frost** Robert Frost, 2001-04-01 A collection of two of Robert Frost's most celebrated poems in their original form A Boy's Will and North of Boston The publication of A Boy's Will 1913 and North of Boston 1914 marked the debut of Robert

Frost as a major talent and established him as the true poetic voice of New England Four of his volumes would win the Pulitzer Prize before his death in 1963 and his body of work has since become an integral part of the American national heritage This is the only edition to present these two classics in their original form A Boy s Will introduced readers to Frost s unmistakable poetic voice and in North of Boston we find two of his most famous poems Mending Wall and The Death of the Hired Man With an introduction by distinguished critic and Amherst professor William H Pritchard and an afterword by poet and critic Peter Davison this centennial edition stands as a complete and vital introduction to the work of the quintessential modern American poet **WLA** ,2009 **A New Way of Seeing** Michael Sarnowski,2025-06-04 A New Way of Seeing considers the poetry of five writers Louis Simpson Keith Douglas Richard Hugo Howard Nemerov and Randall Jarrell whose work draws on their activities as soldiers in World War II Basing his examination on extensive primary source research Michael Sarnowski identifies distance both literal and figurative and traumatic memory as two interconnected elements of how these poets internalized the war and made sense of the events they witnessed The book is structured on a gradient related to each poet s proximity to combat as the chapters in turn focus on an infantryman Simpson a tank commander Douglas a bombardier Hugo a pilot Nemerov and a stateside flight instructor Jarrell Sarnowski relies on a wealth of archival material overlooked by previous scholarship including poem drafts correspondence flight logs and personal belongings The conclusion revisits notions of legacy and representation by assessing factors that contributed to the early labeling of World War II soldiers as a Silent Generation in contrast to the outpouring of poetry published during and following the First World War By exploring how poets processed their wartime experiences A New Way of Seeing offers a stark reminder of why it remains vital to recognize the physical mental and psychological consequences endured by veterans The Oxford Companion to English Literature Dinah Birch,2009-09-24 Written by a team of more than 150 contributors working under the direction of Dinah Birch and ranging in influence from Homer to the Mahabharata this guide provides the reader with a comprehensive coverage of all aspects of English literature *Oxford Treasury of Sayings and Quotations* Susan Ratcliffe,2011-10-13 Contains quotations proverbs and phrases from throughout history and around the world grouped by topic in over four hundred alphabetically arranged categories from Ability to Youth Includes a list of themes and a keyword index **An Emotional History of the United States** Peter N. Stearns,Jan Lewis,1998 Emotions lie at our very core as human beings How we process and grapple with our emotions how and what we emote and how we respond to the emotions of others constitute the essence of our social universe In a very real sense we exist only through the prism of our emotions And yet the profound effect of human emotion on history politics religion and culture remains underexamined While the influence of emotion in such realms as American foreign policy has been well documented other emotional aspects of American history have escaped notice What role for instance does emotion have in the practice of African American religion How do shame and self hatred influence American conceptions of identity How does our emotional life change as we age To

what degree is American consumerism driven by basic human emotion With this landmark anthology historians Peter N Stearns and Jan Lewis provide a road map of the American emotional landscape From the emotional world of working class Massachusetts to the prayers of evangelical and pentecostal women and the gendered nature of black rage these essays provide a multicultural snapshot of the unique nature and evolution of American emotions

**Selected Letters of Robert Penn Warren** Robert Penn Warren, 2011-06-14 The years 1969 and 1979 bookend a volatile and divisive decade in American history As an articulate and sagacious witness to the era of the Vietnam War Watergate America's Bicentennial Jimmy Carter and the national malaise Robert Penn Warren produced a phenomenal body of work in these years securing his place in the canon of American poetry This fifth volume of Selected Letters of Robert Penn Warren provides insight into Warren's inspiration during a remarkably productive era and will prove an essential resource and testament to his life and work
