Sotillos,2013-05-01 Modern psychology is at an impasse as it searches anxiously for new therapies to address the increasing occurrence of mental illness in contemporary society In this groundbreaking anthology leading authors from the perennialist school including Huston Smith Seyyed Hossein Nasr and Frithjof Schuon draw on the age old insights of the world s wisdom traditions to argue that modern psychology behaviorism psychoanalysis humanistic and transpersonal psychology overlooks the specifically spiritual factors contributing to mental health and illness *Frithjof Schuon and the Perennial Philosophy*

Harry Oldmeadow,2010-04-16 This is the first comprehensive study of the intellectual and spiritual message of world renowned philosopher Frithjof Schuon 1907 1998 the foremost spokesman of the Perennialist or Traditionalist school of comparative religious thought Intended primarily as an introductory guide to Schuon s writings Harry Oldmeadow s book

focuses on Schuon's exposition of metaphysics and the transcendent unity of religions his presentation of the religious traditions of East and West including the spiritual heritage of the American Indians his criticism of the modern world and his views on sacred art and beauty Also included is an overview of Schuon's paintings and poetry as well as his insights on prayer and virtue in the spiritual life This ground breaking work provides the general reader with a coherent and systematic account of the Perennial Philosophy and covers all aspects of Schuon's work Publisher's website [The Return of the Perennial Philosophy](#) John Holman, 2012-01-01 Intelligent and perceptive this examination of the universal truths inherent in all cultures and religions is a powerful scholarly analysis of Western esotericism's deepest teachings John Holman contends that the perennial philosophy is not only at the heart of all world religions but also of all major schools of thought and writings by the great thinkers and philosophers no matter how diverse the presentation of their perceived truths In an accessible way Holman sheds light on a number of esoteric topics including The Absolute and the One the Great Chain of Being the Philosopher's Stone the Seven Spirits the evolution of consciousness and the Eternal Now paying particular attention to the subject of time This thought provoking book helps us to develop a better understanding of the nature of reality and our potential for transcendence and revolutionizes the debate on the perennial philosophy **Flowering Plant Index**, 1992 Indexes literature on flowering plants that include color photographs or illustrations [The Hero and the Perennial Journey Home in American Film](#) Susan Mackey-Kallis, 2010-08-03 In contemporary America myths find expression primarily in film What's more many of the highest grossing American movies of the past several decades have been rooted in one of the most fundamental mythic narratives the hero quest Why is the hero quest so persistently renewed and retold In what ways does this universal myth manifest itself in American cinema And what is the significance of the popularity of these modern myths The Hero and the Perennial Journey Home in American Film by Susan Mackey Kallis is an exploration of the appeal of films that recreate and reinterpret this mythic structure She closely analyzes such films as E T the Star Wars trilogy It's a Wonderful Life The Wizard of Oz The Lion King Field of Dreams The Piano Thelma and Louise and 2001 A Space Odyssey Elements of the quest mythology made popular by Joseph Campbell Homer's Odyssey the perennial philosophy of Aldous Huxley and Jungian psychology all contribute to the compelling interpretive framework in which Mackey Kallis crafts her study She argues that the purpose of the hero quest is not limited to the discovery of some boon or Holy Grail but also involves finding oneself and finding a home in the universe The home that is sought is simultaneously the literal home from which the hero sets out and the terminus of the personal growth he or she undergoes during the journey back Thus the quest Mackey Kallis asserts is an outward journey into the world of action and events which eventually requires a journey inward if the hero is to grow and ultimately necessitates a journey homeward if the hero is to understand the grail and share it with the culture at large Finally she examines the value of mythic criticism and addresses questions about myth currently being debated in the field of communication studies
