Rape by Celibacy Joe Besteiro,1995 **Rape by Celibacy** Joe A. Celibacy in the Ancient World Dale Launderville,2010-07-01 Celibacy is a commitment to remain unmarried and to renounce sexual relations for a limited period or for a lifetime Such a commitment places an individual outside human society in its usual form and thus questions arise What significance does such an individual and such a choice have for the human family and community as a whole Is celibacy possible Is there a socially constructive role for celibacy These questions guide Dale Launderville OSB in his study of celibacy in the ancient cultures of Israel Mesopotamia and Greece prior to Hellenism and the rise of Christianity Launderville focuses especially on literary witnesses because those enduring texts have helped to shape modern attitudes and can aid us in understanding the factors that may call forth the practice of celibacy in our own time Readers will discover how celibacy fits within a context of relationships and what kinds of relationships thus support a healthy and varied society one aware of and oriented to its cosmic destiny Dale Launderville OSB is professor of theology at Saint John s University School of Theology eminary Collegeville Minnesota He is the author of *Piety and Politics The Dynamics of Royal Authority in Homeric Greece Biblical Israel and Old Babylonian Mesopotamia* Eerdmans 2003 and *Spirit and Reason The Embodied Character of Ezekiel s Symbolic Thinking* Baylor University Press 2007 **The Fires of Lust** Katherine Harvey,2022-11-28 An illuminating exploration of the surprisingly familiar sex lives of ordinary medieval people The medieval humoral system of medicine suggested that it was possible to die from having too much or too little sex while the Roman Catholic Church taught that virginity was the ideal state Holy men and women committed themselves to lifelong abstinence in the name of religion Everyone was forced to conform to restrictive rules about who they could have sex with in what way how often and even when and could be harshly punished for getting it wrong Other experiences are more familiar Like us medieval people faced challenges in finding a suitable partner or trying to get pregnant or trying not to They also struggled with many of the same social issues such as whether prostitution should be legalized Above all they shared our fondness for dirty jokes and erotic images By exploring their sex lives the book brings ordinary medieval people to life and reveals details of their most personal thoughts and experiences Ultimately it provides us with an important and intimate connection to the past **Inner and Outer Meanings of Hinduism** Singh M Parashar,2019-11-13 During earthquakes death and destruction takes place on a vast scale and no providential care is taken by Mechanical Nature Matter is eternal and the mechanistic Nature is without consciousness and it was created by few laws of matter A providential care is taken by Baby childNature with consciousness by helping all living beings in adjusting the conditions of the environment The Baby Nature came into existence a long time after the Big Bang Brahman and Atman of a criminal can not identical Due to the

Kraft, 1979 *A Corrupt Tree: An Encyclopaedia of Crimes committed by the Church of Rome against Humanity and the Human Spirit* A.S., 2014-01-13 A Corrupt Tree is a unique extensively researched four volume exposé of the dark side of the Church of Rome It reveals that for nearly two thousand years the Church's fundamental characteristic has been its self serving abuse of religious corporate power A large proportion of this first volume provides a detailed catalogue of the multitude of unholy popes Included are those who were immature capricious corrupt lascivious fanatical senile truly mad megalomaniac tyrannical murderous and wholesale killers It confirms that for many many centuries the popes were corrupt cruel inhumane and despotic In an age of savagery they were the leaders in barbarity in the subsequent age of enlightenment they have persistently resisted the march of progress Additionally the popes were wholesale killers who made the principle of assassination a law of the Christian Church Accordingly the Church has shed more innocent blood than any other institution that has ever existed among mankind Here also are presented the cupidity

corruption and sexual misconducts of lesser ecclesiastics including cardinals bishops priests monks and nuns Pope Honorius III for example described his priests as worse than beasts wallowing in their dung The Church's ruthless stranglehold on knowledge and learning is catalogued in detail Mathematics philosophy and science were repressed Selected applied theology ruled the world Everything was explained but nothing was understood The chapters on censorship reveal that even works of considerable literary or philosophical merit did not escape A large number of writings which eventually became classics of European culture were condemned and prohibited The Church also exhibited a vitriolic hatred of those who translated the Bible into the vernacular Many of these men were annihilated Holy books were burned in large numbers particularly the Jewish Talmud It is clearly demonstrated that the Church held back civilisation for over fifteen hundred years Century after century passed away and left the peasantry but little better than the cattle in the fields Finally the unholy behaviours of the numerous popes cardinals and lesser ecclesiastics are shown to establish unequivocally that the Church of Rome is neither holy nor apostolic The ultimate message of these volumes is that to become an exemplary institution and to play a truly humane role in the world's future the Catholic Church must change

Celibacy, Culture, and Society Elisa Janine Sobo, Sandra Bell, 2001 What does celibacy mean for individuals and for the people around them What function does it serve This is the first cross cultural inquiry into the practice of celibacy around the world and through the ages among groups as diverse as Kenyan villagers and U S prisoners Mazatec Shamans and Buddhist nuns and monks Shaker church members and anorexic women The examples of celibacy described here illustrate the complex relationship between human sexuality and its particular sociocultural context Ideas about the body gender family work religion health and other dimensions of life come sharply into focus as the contributors examine the many practices and institutions surrounding sexual abstinence They show that though celibacy is certainly sometimes a punishment or a deliberate ritual abstinence it also serves many other social and material functions and in some cases contributes to kin group survival and well being Celibacy Culture and Society represents a significant step toward understanding the functions and meanings of sexuality

affected the women s movement overall and how it affects the women and men of today **Women, Passion & Celibacy**
 Sally Cline,1993 The author of Just Desserts Women and Food issues a startling but compelling call for single women to embrace their freedom and redefine and celebrate a non genital sexuality Essential reading for any woman who has ever felt that her body is not her own **Ethics Based on the Science of Evolution** Robert Gordon,Robert Gordon Ph. D.,2003
 Towards the end of 1943 and during all of 1944 the war on all Fronts was relentlessly and violently building to a dangerous and complex climax Although the Allies had massively invaded Europe in the early summer of 1944 we didn t see German capitulation for almost a year and even then only after the Russians renewed from their awful Battle of Stalingrad were rolling west into the very heartland of Germany taking Berlin block by block building by building With equal ferocity the Allies had rolled east Eisenhower was poised fifty miles west at the Elbe River April 30th Hitler killed himself Two days later Berlin capitulated American losses in Europe totaled 170 000 The German end came fast Although the World celebrated Victory in Europe on May 5th Germans had been surrendering in big numbers through late April and early May By May 15th Allies had imprisoned five million German military personnel Some of the best news I heard was the surrender of 153 German submarines The foe in the Pacific would prove as implacable In contrast to the land war in Europe for us the war in the Pacific had always been a sea war with island invasions and battles taking place over great distances A few months after Pearl Harbor the author went to war in the Engineering Department of a shipyard in Los Angeles Harbor and enjoyed a brief but rigorous engineering apprenticeship earning an Industrial Deferment which required draft board renewal every six months In late summer of 1943 the U S Merchant Marine Academy accepted him but with a string attached Unlike the other three Federal academies this Academy required a six month tour of duty at sea preceded by ninety days of Basic Training wartime or peacetime Only Say the Word Alan McManus,2012-11-30 Many good people in good faith while sympathising with the ethical and ecclesiastical situation of lesbian and gay Christians still regard homosexuality as unnatural Other good people in just as good faith defend homosexuality on grounds of personal plight and involuntary sexual orientation with private misgivings that this defence may also be applied to paedophilia This little book provides not only a useful argument for a more merciful reading of Scripture than that usually employed to condemn same sex relationships but also a philosophical analysis of the nature of nature Finding that all and only those relationships which are harmonious can be considered natural the author invites us to only say the Word that we may all be healed A former Franciscan friar Dr Alan McManus wrote his doctoral thesis Alchemy at the Chalkface Pirsig Pedagogy and the Metaphysics of Quality at the University of Glasgow Holding degrees in Church History Practical Theology and Religious Studies he has taught EFL at home and abroad Spanish Italian to adults and Religious Moral Philosophical Studies in comprehensive schools in Scotland He has published articles on political philosophy and WW1 remembrance in the online journal Citizenship Social and Economics Education He is a member of Affirmation Scotland Adventure of Sex in Power KAYODE

OLATUNBOSUN,2011-09-06 The book is lucidly written to expose the sex guilt placed on the succeeding generation It seeks to critically look into the social role of sex in ebb and flow of power politics in all epochs It seeks to edify the study of semio sex

What You Probably Didn't Know About Sex and Celibacy Simona Rich,2016-05-01 Sex 2 So that it serves as a source of information for those who are thinking about this lifestyle and want to find out what they can expect from it 3 Over the years of my spiritual journey I have come across many incorrect accounts in regard to celibacy like in patriarchal religious texts of the East which probably suffered additions like the Bible did These distortions about sex and celibacy especially target women so I consider it my responsibility to dispel all these falsities through revealing my first hand experience on the matter as well as quoting reliable sources that support my experiences and thus prove them to be genuine 4 I ve also written this ebook to at least to some extent remove the repulsion about the word celibacy since many practice celibacy when they re totally not ready for it and thus truly misguide others about this lifestyle such as priests that have no choice about the matter Because of this indulgence in sense pleasures is chosen over celibacy which serves to stall the spiritual development of a human that s not ready 5 When one becomes interested in such a road usually he is exposed to age old religious teachings that were copied and distorted throughout the ages by those who weren t celibates or practiced celibacy for all the wrong reasons thus not being able to receive any celibacy benefits Reading such texts and looking at the lives of such people only serves to misguide and off put a would be celibate So usually a conclusion is arrived at that celibacy is a road to misery In truth it s a road to total freedom and bliss and you ll think this way too after reading the book 6 Not only most people practice celibacy for all the wrong reasons but they don t even know how to practice it As a result sexual impulses are not transformed into spiritual ones but suppressed instead This with time results in uncontrollable anger outbursts addictions perversions of all sorts or mental imbalances In the Sex Celibacy book you ll read about how to transmute the energy of sex to experience celibacy blessings such as higher intelligence and spiritual growth 7 Finally I felt it necessary to share my celibacy experiences because the female take on celibacy is almost non existent Though somewhat distorted Vedic and Taoist sources still serve as a source of inspiration and information for men But many of such accounts are in no way helpful to women and as I mention in the book can even stop their spiritual progress since some of the teachings are clearly anti female So I consider it essential to share my celibacy experiences as a woman To follow the road of celibacy successfully as well as to gain spiritual blessings two essential rules must be met You must be ready to follow such a path most people aren t You must practice celibacy correctly most people don t This ebook explains in detail about how to meet both of these requirements Here s what Sex Celibacy ebook covers Celibacy benefits Celibacy dangers Things you must know before becoming celibate Who shouldn t practice celibacy How to practice celibacy correctly What is real celibacy and what isn t most people claiming to be celibates aren t Church misunderstanding of celibacy and a resulting disaster What takes place spiritually during the act of sex Lost information on conception exact days conception and delivery should occur for a

developed soul to enter this dimension Immaculate conception Spirit possession during sex Astral body dangers for celibates Creative power of celibates and how not to misuse it Signs showing that you should become celibate What Jesus really says about celibacy What happens to the energy body during celibacy What happens to the energy body during sex Hidden teachings on celibacy and sex in books such as the Bible and A Course in Miracles How luciferian forces operate in the human body and why How luciferian forces penetrated the human body The real function of the astral body and astral realms Sex and attempt to escape from the background of pain What you should know about masturbation An easy yogic method to maintain celibacy My diary entries concerning sex and celibacy Conquering the serpent of lust Two alternative roads for those who find celibacy too difficult Misunderstood unconditional love And so much more I sincerely believe that this ebook contains all you need to know about celibacy It explains what dangers you need to be aware of on this road what kind of blessings you ll experience if you follow this road correctly how to practice celibacy in the right way as well as who should practice celibacy and who isn t yet ready What s more not only will this ebook fully inform you about this unusual yet bliss filled lifestyle but it will also open your eyes to the true nature of sex The Celibate Michael Arditti,2009-04-22 The first published novel by the award winning bestselling and acclaimed Michael Arditti It is unusual to find an English first novel of such unflinching moral seriousness a varied and involving read Gregory Woods Times Literary Supplement An exceptional book at its core it combines the sexual with the spiritual Sunday Times An ambitious first novel which traces the liberation of a human soul through a gradual revelation of the meaning of passion and the Passion Candia McWilliam Independent on Sunday The Celibate is the story of a young man with a mind full of God but a heart closed to love While studying at the theological college he is confused by his feelings for a fellow ordinand and suffers a nervous collapse at the altar His college principal sends him on a placement to London where he enters an unfamiliar world of outcasts down and outs rent boys and religious fundamentalists In increasing despair he embarks on a journey through the world of Jack the Ripper the devastation of the Great Plague and the mysteries of his own family As the past and present come full circle he finally understands the true meaning of Passion This is an intelligent and emotive novel potent with atmosphere and rich in ideas and insights It employs a unique fictional structure which integrates the contemporary and the historical the personal and the theological the comic and the polemic in a revelatory way On its initial publication it was hailed as the debut of a major literary talent

Alwis,2011-10-27 Celibate Marriages in Late Antique and Byzantine Hagiography explores the puzzling phenomenon of celibate marriage as depicted in the lives of three couples who achieved sainthood Marriage without intercourse appears to have no purpose especially in Christian antiquity yet these three tales were copied for centuries What messages were they promoting What did it mean to be a virgin husband and a virgin wife Including full translations this volume sets each life in its historical context and by examining their individual and shared themes the book shows that the tension raised by pitting marriage against celibacy is constantly debated It also highlights the ingenuity of Byzantine hagiographers as they attempted to reconcile this curious paradox This book addresses a gap in late Antique and Byzantine hagiographic studies where primary sources and interpretative material are very rarely presented in the same volume By providing a variety of contexts to the material a much more comprehensive revealing and holistic picture of celibate marriage emerges **Why Homosexuality Was Not Opposed by Narendra Modi ?** Singh M Parashar,2020-04-17 The object of this work is save the institution of marriage from being destroyed and destabilized by the homosexual people We have to save our children from being sexually abused by the homosexual people We have to prevent the spread of HIV and other sexually transmitted diseases The aim is to seek rehabilitation of Gaypeople and save them from committing suicides
