Miller, Charles Platter**

Rapes Of Lucretia A Myth And Its Transformations:

The Rapes of Lucretia Ian Donaldson, 1982 **The Rapes of Lucretia A Myth and its Transformations** **Rape and Ravishment in the Literature of Medieval England** Corinne J. Saunders, 2001 The study then considers the treatment of rape and ravishment in a range of literary genres in hagiography female saints are repeatedly threatened with rape the stories of Lucretia and Helen underpin legendary history the acts of rape and ravishment challenge and shape chivalric order in romance otherworldly rapes result in the conception of romance heroes The final two chapters examine the ways in which Malory and Chaucer write and rewrite rape and ravishment **BOOK JACKET** **Sex and Gender in Medieval and Renaissance Texts** Barbara K. Gold, Barbara H. Gold, Carolina Distinguished Professor of Classics and Comparative Literature Paul Allen Miller, Paul Allen Miller, Charles Platter, 1997-01-01 Examines interrelated topics in Medieval and Renaissance Latin literature the status of women as writers the status of women as rhetorical figures and the status of women in society from the fifth to the early seventeenth century **Rape in the Republic, 1609-1725: Formulating Dutch Identity** Amanda C. Pipkin, 2013-08-15 This book reveals the fundamental role rape played in promoting Dutch solidarity from 1609 1725 Through the identification of particular enemies it directed attention away from competing regional religious and political loyalties Patriotic Protestant authors highlighted atrocities committed by the Spanish and lower class criminals They conversely cast Dutch men as protectors of their wives and daughters an appealing characterization that allowed the Dutch to take pride in a sense of moral superiority and justify the Dutch Revolt After the conclusion of peace with Spain in 1648 marginalized authors including Catholic priests and literary women employed depictions of rape to subtly advance their own agendas without undermining political stability Rape was thus essential in the development and preservation of a common identity that paved the way for the Dutch defeat of the mighty Spanish empire and their rise to economic pre eminence in Europe [The Thirty Years' War and German Memory in the Nineteenth Century](#) Kevin Cramer, 2007-12-01 The nineteenth century witnessed the birth of German nationalism and the unification of Germany as a powerful nation state In this era the reading public s obsession with the most destructive and divisive war in its history the Thirty Years War resurrected old animosities and sparked a violent century long debate over the origins and aftermath of the war The core of this bitter argument was a clash between Protestant and Catholic historians over the cultural criteria determining authentic German identity and the territorial and political form of the future German nation This groundbreaking study of modern Germany s morbid fascination with the war explores the ideological uses of history writing commemoration and collective remembrance to show how the passionate argument over the meaning of the Thirty Years War shaped Germans conception of their nation The first book in the extensive literature on German history writing to examine how modern German historians reinterpreted a specific event to define national identity and legitimate political and ideological agendas *The Thirty Years War and German Memory in the Nineteenth Century* is a bold intellectual history of the

confluence of history writing religion culture and politics in nineteenth century Germany **Hamlet's Moment** András Kiséry,2016-04-28 Hamlet's Moment identifies a turning point in the history of English drama and early modern political culture the moment when the business of politics became a matter of dramatic representation Drama turned from open military conflict to diplomacy and court policy from the public contestation of power to the technologies of government Tragedies of state turned into tragedies of state servants inviting the public to consider politics as a profession to imagine what it meant to have a political career By staging intelligence derived from diplomatic sources and by inflecting the action and discourse of their plays with a Machiavellian style of political analysis playwrights such as Shakespeare Jonson Chapman and Marston transformed political knowledge into a more broadly useful type of cultural capital something even people without political agency could deploy in conversation and use in claiming social distinction In Hamlet's moment the public stage created the political competence that enabled the rise of the modern public sphere **Augustine in a Time of Crisis** Boleslaw Z. Kabala,Ashleen Menchaca-Bagnulo,Nathan Pinkoski,2021-03-01 This volume addresses our global crisis by turning to Augustine a master at integrating disciplines philosophies and human experiences in times of upheaval It covers themes of selfhood church and state education liberalism realism and 20th century thinkers The contributors enhance our understanding of Augustine's thought by heightening awareness of his relevance to diverse political ethical and sociological questions Bringing together Augustine and Gallicanism civil religion and Martin Luther King Jr this volume expands the boundaries of Augustine scholarship through a consideration of subjects at the heart of contemporary political theory

Rape Culture and Spiritual Violence Gina Messina-Dysert,2015-05-08 Rape Culture and Spiritual Violence examines sexual violence against women how religion and society contribute to a rape culture and the extreme suffering endured by rape victims as a result Using the testimony of women who have experienced both rape and the consequences of rape culture from a range of religious cultural ethnic and social contexts the book explores both the suffering and healing of rape victims from World War II to today Among the issues considered are victim invisibility the inability to express pain and the tendency to assume shame and self blame The study examines the role of society in shaping and reinforcing these responses contributing to traumas that can lead to spiritual death The book also explores possibilities for multiple spiritual resurrections within the practice of daily life encouraging both individual healing and social change *Shakespeare's Rise to Cultural Prominence* Emma Depledge,2018-07-26 Argues that the Exclusion Crisis of 1678-82 should be considered the watershed moment in Shakespeare's authorial afterlife **Sexual Violence and Rape in the Middle Ages** Albrecht Classen,2011 Contrary to modern assumptions sexual violence and rape were treated as severe crimes in the Middle Ages This book examines the testimony in medieval and early modern German literature and traces the discourse on both aspects from the twelfth through the sixteenth centuries Most comments about rape come from male writers and medieval literature contains numerous examples of rape scenes which are mostly viewed highly critically Previous studies on this topic have

focused on English French and Italian literature whereas here the emphasis rests on German examples Feminism, Literature and Rape Narratives Sorcha Gunne, Zoe Brigley Thompson, 2012-08-06 The essays in this volume discuss narrative strategies employed by international writers when dealing with rape and sexual violence whether in fiction poetry memoir or drama In developing these new feminist readings of rape narratives the contributors aim to incorporate arguments about trauma and resistance in order to establish new dimensions of healing This book makes a vital contribution to the fields of literary studies and feminism since while other volumes have focused on retroactive portrayals of rape in literature to date none has focused entirely on the subversive work that is being done to retheorize sexual violence Split into four sections the volume considers sexual violence from a number of different angles Subverting the Story considers how the characters of the victim and rapist might be subverted in narratives of sexual violence In Metaphors for Resistance the essays explore how writers approach the subject of rape obliquely using metaphors to represent their suffering and pain The controversy of not speaking about sexual violence is the focus of The Protest of Silence while The Question of the Visual considers the problems of making sexual violence visible in the poetic image in film and on stage These four sections cover an impressive range of world writing which includes curriculum staples like Toni Morrison Sarah Kane Sandra Cisneros Yvonne Vera and Sharon Olds

Rape and Writing in the Heptaméron of Marguerite de Navarre Patricia Francis Cholakian, 1991 Marguerite de Navarre 1492 1549 the sister of the French king François I composed the Heptaméron as a complex collection of seventy two novellas creating one of the first examples of realistic psychological fiction in French literature These novellas framed by debates among ten storytellers all noble lords and ladies reveal the author's desire to depart from the purely masculine voice of the age Cholakian contends that this Renaissance text is characterized by feminine writing She reads the text as the product of the author's personal experience Beginning her study with the rape narrative in the autobiographical novella 4 she examines how the Heptaméron interacts with male literary traditions and narrative conventions about gender relations She analyzes such words as rape and honor noting how they are defined differently by men and women and how these differences in perception affect the development of both plot and character Misogyny, Misandry, and Misanthropy R. Howard Bloch, Frances Ferguson, 2023-04-28

Postmodern Shakespeare Stephen Orgel, Sean Keilen, 1999 Shakespeare has never been more ubiquitous not only on the stage and in academic writing but in film video and the popular press On television he advertises everything from cars to fast food His birthplace the tiny Warwickshire village of Stratford Upon Avon has been transformed into a theme park of staggering commercialism and the New Globe in its second season is already a far bigger business than the old Globe could ever have hoped to be If popular culture cannot do without Shakespeare continually reinventing him and reimagining his drama and his life neither can the critical and scholarly world for which Shakespeare has for more than two centuries served as the central text for analysis and explication the foundation of the western literary canon and the measure of literary excellence The Shakespeare the essays collected in these volumes reveal is fully as

multifarious as the Shakespeare of theme parks movies and television. Indeed it is part of the continuing reinvention of Shakespeare. The essays are drawn for the most part from work done in the past three decades though a few essential enabling essays from an earlier period have been included. They not only chart the directions taken by Shakespeare studies in the recent past but they serve to indicate the enormous and continuing vitality of the enterprise and the extent to which Shakespeare has become a metonym for literary and artistic endeavor generally.

A Companion to Shakespeare's Works, Volume IV Richard Dutton, Jean E. Howard, 2008-04-15. This four volume Companion to Shakespeare's Works compiled as a single entity offers a uniquely comprehensive snapshot of current Shakespeare criticism. Brings together new essays from a mixture of younger and more established scholars from around the world: Australia, Canada, France, New Zealand, the United Kingdom and the United States. Examines each of Shakespeare's plays and major poems using all the resources of contemporary criticism from performance studies to feminist historicist and textual analysis. Volumes are organized in relation to generic categories: namely the histories, the tragedies, the romantic comedies and the late plays, problem plays and poems. Each volume contains individual essays on all texts in the relevant category as well as more general essays looking at critical issues and approaches more widely relevant to the genre. Offers a provocative roadmap to Shakespeare studies at the dawning of the twenty-first century. This companion to Shakespeare's poems, problem comedies and late plays contains original essays on *Troilus and Cressida*, *Measure for Measure*, *All's Well That Ends Well*, *Venus and Adonis*, *The Rape of Lucrece* and *The Sonnets* as well as *Pericles*, *The Winter's Tale*, *Cymbeline*, *The Tempest* and *The Two Noble Kinsmen*.

Art of Suicide Ron Brown, 2004-01-02. The Art of Suicide is a history of the visual representation of suicide from the ancient world to its decriminalization in the 20th century. After looking at instances of voluntary death in ancient Greece, Ron Brown discusses the contrast between the extr

Transforming Topoi Andrew James Johnston, Margitta Rouse, Wilhelm Schmidt-Biggemann, 2018-09-10. Traditionen leben von der Dialektik der Wiederholung: die das Gleiche stets anders inszeniert. Sie speisen sich aus den Erinnerungen an der Grenze von bedacht und selbstverständlich getan. Lassen sie sich nur als selbstverständliche Bezeugungen bestimmen. Aber wie ist es dennoch möglich Traditionen zu beeinflussen? Der vorliegende Band widmet sich der Frage, wie man mit Traditionen Symbolpolitik machen kann. Was sind die Zumutungen der Traditionen, wenn sie politisch instrumentalisiert werden? Gibt es Grenzen der Manipulation, die im Wesen der jeweiligen Traditionen liegen und sie folglich definieren? Die BeiträgerInnen geben eine Vielzahl von Antworten, indem sie sich Topoi aus Mittelalter und Früher Neuzeit aus interdisziplinärer Perspektive widmen. Traditions thrive on the dialectic of repetition. Drawing their topoi from the well of memory, they are situated on the very border between the deliberate and the habitual. Yet how is it possible to influence traditions? The present collection of essays studies the ways in which traditions are employed in the service of symbolic politics. What are the burdens and impositions of traditions when their topoi are consciously exploited in the service of ideological purposes? Are there certain limits to manipulation that lie in the very nature

of the traditions in question a nature which therefore defines them The contributors give a host of answers studying topoi in medieval and early modern Europe from an interdisciplinary perspective **"Saints, Sinners, and Sisters "** JaneL. Carroll,2017-07-05 A collection of original essays Saints Sinners and Sisters showcases the diverse questions currently being asked by gender scholars dealing with French Netherlandish and German art from the medieval and early modern periods Moving beyond the reclamation of personalities and oeuvres of lost female artists the contributors pose questions about gender and sex within specific historical contexts addressing such issues as intended audience use of the object and patronage These avenues of inquiry intersect with larger cultural questions concerning societal control of women The book s three sections Saints Sinners and Sisters Wives Poets are each preceded by a concise introductory essay detailing themes and offering reflective comparisons of theses and information In Saints contributors look at women who were positive exemplar used by society to uphold standards In the second section the essays focus on the power of women s sexuality The third section expands beyond the customary dichotomous division of the first two to examine women in diverse roles not widely studied as positions of women in those times This final section expands our definitions of women s responsibilities and realigns them historically it argues that women and thus gender need to be understood within a much broader historical context and beyond simplistic approaches sometimes superimposed by present day readers on past times This volume answers an acute need for research on the art of Northern Europe prior to the 20th century and highlights the possibilities of new directions in the field The effect of the new scholarship presented here is to broaden the discursive field allowing fluidity of disciplinary boundaries resulting in a volume that is illuminating to historians of more than art alone Revisiting Rape in Antiquity Susan Deacy,José Malheiro Magalhães,Jean Zacharski Menzies,2023-06-01 How did the Greeks and Romans perceive rape How seriously was it taken and who were seen as its main victims These are two central questions that Rape in Antiquity Sexual Violence in the Greek and Roman Worlds 1997 edited by Susan Deacy and Karen F Pierce aimed to approach in twelve chapters Setting out to understand if the ancients had a concept of rape and how it was understood through different angles including legal social cultural and historiographical Rape in Antiquity made an invaluable contribution to the scholarship on sexual violence in the ancient world impacting upon the development of new approaches in the decades that followed its publication Revisiting Rape in Antiquity Sexualised Violence in Greek and Roman Worlds maps out the influence of Rape in Antiquity while exploring how far cultural changes since the 1990s have reshaped the scholarly landscape This collection comprising chapters by established scholars and early career researchers from many countries provides a new window into sexual and sexualized violence Covering a long chronology this book journeys from Homer to Byzantium to modern receptions to the analysis of wartime rape ancient Greek tragedy classical myth how stories involving rape are retold for children ancient law and rhetoric classical art Ovid Late Antiquity modern literature comic books and cinema This book is the culmination of a rich scholarly inheritance setting out new perspectives that will hopefully inspire

researchers for decades to come **Violence, Trauma, and Memory** Nicholas Ealy, Alexandra Onuf, 2022-10-03 Violence Trauma and Memory Responses to War in the Late Medieval and Early Modern World brings together eight essays that examine medieval and early modern violence and warfare in France the Hispanic World and the Dutch Republic through the lens of trauma studies and memory studies By focusing on warfare these essays by historians literary specialists and historians of visual culture demonstrate how individuals and groups living with the ungraspable outcomes of wartime violence grappled with processing and remembering both culturally and politically the trauma of war

Rapes Of Lucretia A Myth And Its Transformations Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rapes Of Lucretia A Myth And Its Transformations has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rapes Of Lucretia A Myth And Its Transformations has opened up a world of possibilities. Downloading Rapes Of Lucretia A Myth And Its Transformations provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rapes Of Lucretia A Myth And Its Transformations has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rapes Of Lucretia A Myth And Its Transformations. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rapes Of Lucretia A Myth And Its Transformations. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rapes Of Lucretia A Myth And Its Transformations, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rapes Of Lucretia A Myth And Its Transformations has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers.

worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rapes Of Lucretia A Myth And Its Transformations Books

1. Where can I buy Rapes Of Lucretia A Myth And Its Transformations books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
