Rappaccinis Children American Writers In A Calvinist World:

Rappaccini's Children William H. Shurr, 2021-12-14 Nathaniel Hawthorne's short story Rappaccini's Daughter tells of a beautiful girl who has from birth absorbed the poison from the flowers of her father's garden In this allegorical tale of the fallen Garden of Eden William H Shurr finds a metaphor for the fate of many American writers for whom the heritage of Calvinism has been the poisoned fruit of the Garden of the New World For many American writers the legacy of the Puritan Fathers has been a pervasive sense of sinfulness and guilt in a violent and unforgiving universe In this new study Shurr examines how these writers have coped with this heritage

Calvinist Humor in American Literature Michael Dunne, 2007-12 Though the phrase Calvinist humor may seem to be an oxymoron Michael Dunne in highly original and unflinching readings of major American fiction writers uncovers and traces two recurrent strands of Calvinist humor descending from Puritan times far into the twentieth century Calvinist doctrine views mankind as fallen apt to engage in any number of imperfect behaviors Calvinist humor Dunne explains consists in the perception of this imperfection When we perceive that only others are imperfect we participate in the form of Calvinist humor preferred by William Bradford and Nathanael West When we perceive that others are imperfect as we all are we participate in the form preferred by Mark Twain and William Faulkner for example Either by noting their characters inferiority or by observing ways in which we are all far from perfect Dunne observes American writers have found much to laugh about and many occasions for Calvinist humor The two strains of Calvinist humor are alike in making the faults of others more important than their virtues They differ in terms of what we might think of as the writer perceiver's disposition his or her willingness to recognize the same faults in him or herself In addition to Bradford West Twain and Faulkner Dunne discovers Calvinist humor in the works of Flannery O'Connor Herman Melville Nathaniel Hawthorne Ernest Hemingway and many others For these authors the world and thus their fiction is populated with flawed creatures Even after belief in orthodox Calvinism diminished in the twentieth century Dunne discovers American writers continued to mine these veins irrespective of the authors religious affiliations or lack of them Dunne notes that even when these writers fail to accept the Calvinist view wholeheartedly they still have a tendency to see some version of Calvinism as more attractive than an optimistic idealistic view of life With an eye for the telling detail and a wry humor of his own Dunne clearly demonstrates that the fundamental Calvinist assumption that human beings are fallen from some putatively better state has had a surprising lingering presence in American literature

cultural institution and socio political model *Ravished by Beauty* Belden C. Lane, 2011-04-21 In this novel exploration of Reformed spirituality Belden C Lane uncovers a green theology that celebrates a community of jubilant creatures of all languages and species Lane reveals an ecologically sensitive Calvin who spoke of himself as ravished by the earth's beauty He speaks of Puritans who fostered a lusty spirituality in which Christ figured as a lover who encouraged meditation on the wonders of creation He presents a Jonathan Edwards who urged a sensuous enjoyment of God's beauty as the only real way of knowing God Lane argues for the double irony of Reformed spirituality showing that Calvinists who often seem prudish and proper are in fact a people of passionate desire Similarly Reformed Christians who appear totally focused on divine transcendence turn out at times to be closet nature mystics exulting in God's glory everywhere Lane also demonstrates however that a spirituality of desire can be derailed ending in sexual excess and pantheism Ecologically holy longing can be redirected from a contemplation of God's splendor in the earth's beauty to a craving for land itself resulting in disastrous misuse of its resources Between the major chapters of the book are engaging personal essays drawn from the author's own love of nature as a Reformed Christian and providing a thoughtful discussion of contemporary issues of species diversity and the honoring of an earth community **American Studies** Jack Salzman, 1986-08-29 This is an annotated bibliography of 20th century books through 1983 and is a reworking of *American Studies An Annotated Bibliography of Works on the Civilization of the United States* published in 1982 Seeking to provide foreign nationals with a comprehensive and authoritative list of sources of information concerning America it focuses on books that have an important cultural framework and does not include those which are primarily theoretical or methodological It is organized in 11 sections anthropology and folklore art and architecture history literature music political science popular culture psychology religion science technology medicine and sociology Each section contains a preface introducing the reader to basic bibliographic resources in that discipline and paragraph length non evaluative annotations Includes author title and subject indexes ISBN 0 521 32555 2 set 150 00 *American Declarations Of Love* Ann Massa, 1989-12-11 Inscrutable Malice Jonathan A. Cook, 2012-12-15 In *Inscrutable Malice* Jonathan A Cook expertly illuminates Melville's abiding preoccupation with the problem of evil and the dominant role of the Bible in shaping his best known novel Drawing on recent research in the fields of biblical studies the history of religion and comparative mythology Cook provides a new interpretation of *Moby Dick* that places Melville's creative adaptation of the Bible at the center of the work Cook identifies two ongoing concerns in the narrative in relation to their key biblical sources the attempt to reconcile the goodness of God with the existence of evil as dramatized in the book of Job and the discourse of the Christian end times involving the final destruction of evil as found in the apocalyptic books and eschatological passages of the Old and New Testaments With his detailed reading of *Moby Dick* in relation to its most important source text Cook greatly expands the reader's understanding of the moral religious and mythical dimensions of the novel Both accessible and erudite *Inscrutable Malice* will appeal to scholars students and enthusiasts of Melville's classic

Fulton has not written a study of Samuel Langhorne Clemens's religious beliefs but rather one about Twain's use of theological form and content in a number of his works some well known others not so widely read Twain adopted such religious personae to burlesque the religious literary genres associated with those vocations He wrote catechisms prophecies psalms and creeds all in the theological tradition but with a comic twist Twain even wrote a burlesque life of Christ that has the son of God sporting blue jeans and cowboy boots With his distinctive comic genius Twain entered the religious dialogue of his time employing the genres of belief as his vehicle for criticizing church and society Twain's burlesques of religious form and content reveal a writer fully engaged with the religious ferment of his day Works like *The Innocents Abroad* *Adventures of Huckleberry Finn* *Personal Recollections of Joan of Arc* *Roughing It* and *What Is Man* are the productions of a writer skilled at adopting and adapting established literary and religious forms for his own purposes Twain is sometimes viewed as a haphazard writer but in *The Reverend Mark Twain* Fulton demonstrates how carefully Twain studied established literary and theological genres to entertain and criticize his society Book jacket Edith Wharton Carol J.
