Rapture Steve Hull,1983 Rapture Steve Hull,1975 **Innocence and Rapture** K. Ohi,2015-12-11 Taking as its focus the erotic child in decadent aesthetics this book explores the sexual and political stakes of an aestheticist experience of rapture Ohi examines the power of the work of art to transport to disorient to move to extort the equivocal pleasures of self loss He also explores how the beautiful child offers partisans of art for art s sake an emblem for the ecstatic and erotic even the queer possibilities of art Aestheticism s erotic child is thus in stark contrast to the innocent child of today s ideology who secures the claims of identity against the very disorientations celebrated by aestheticism Articulating aesthetic transport through the desiring and desired child aestheticism interrogates the ideology underpinning sexual oppression Catalog of Copyright Entries. the translation of Petrarch's vernacular verse *Canzoniere* and *Triumphs* into English from the Tudor age to the mid-seventeenth century and beyond. Approaching translation as an interpretive process but also a mode of literary emulation and cultural engagement with Petrarch's prestigious precedent, the collection explores the complex and interconnected trajectories of both poetic works in English and Scottish literary milieux. While situating each translation in its distinct historical material and literary context, the essays trace the reception of Petrarch's works in early modern Britain through the combined processes of linguistic and metric innovation, literary imitation, musical adaptation, and cultural and material domestication. The collection sheds light on the origins and development of early modern English Petrarchism as part of wider transnational and indeed translational European literary culture.
