**The Rapture Question** Jack Binner, 2020-06-25 Dear God loving friends Our Lord Jesus loves us He died on a Roman cross and was made sin for us so that we might be forgiven He is in heaven seated at the right hand of our heavenly Father As we read through the New Testament scriptures we become aware that the Apostle Paul and others were waiting for our Lord Jesus to return Today in our time over two thousand years later Bible believing Christians are anxiously looking for our Lord's return Over the years theologians have written down their theories concerning our Lord's return The Apostle Paul in his letters to the church at Thessalonica carefully explained exactly when and how this glorious event will happen I pray that reading my book will provide some blessing for your life Perhaps you will gain some new perspectives Your old friend in Christ

Walvoord, 1979      **The Sequence** Steven R. Bates, 2024-08-30 Sometimes the best way to let one know what something is is to let one know what it isn't Today's typical academic book in eschatology provides the reader with a brief history of the various positions in the field followed by why certain positions should be considered the better options This is not that book Over the course of twelve chapters six sequences will be presented from the three major sources in the New Testament regarding the subject i.e Paul's letters to the Thessalonians the Olivet Discourse and John's visions in Revelation Through a careful reconciliation of those six sequences Dr Steven R Bates will show that there's only one sequence of end times which he has labeled The Post Armageddon Premillennial Resurrection He asserts that had any other sequence of end times been correct whether pre tribulationism pre wrath mid tribulationism historic pre millennialism post millennialism a millennialism preterism or any other sequence that one could possibly imagine then the proponents of that postulation should be able to take the same six sequences from Scripture and reconcile them precisely with one another sentence by sentence and prove whatever sequence they propose But of course no one will ever attempt such an endeavor because it's theoretically impossible Scripture's six sequences only confirm one sequence and it is the one which has been presented in The Sequence      Prophecy in the New Millennium John F. Walvoord, An up to date look at unfulfilled Bible prophecy and current events written by one of America's most recognized end times experts      **The Return** Thomas Ice, Timothy J. Demy, 1999-02-01 Foreword by Charles C Ryrie This work presents a biblically based reasoned examination of the second coming      **Biblical Eschatology, Second Edition** Jonathan Menn, 2018-03-07 Biblical Eschatology provides what is not found in any other single volume on eschatology it analyzes all the major eschatological passages including the Olivet Discourse and the book of Revelation issues including the second coming of Christ the millennium the rapture and Antichrist and positions including all the major views of the millennium in a clear but not superficial way The book concludes with a chapter showing how eschatology is relevant

for our lives Biblical Eschatology makes understanding eschatology easier by including chapters on how to interpret prophecy and apocalyptic literature by showing the history of eschatological thought and by placing eschatology in the context of the Bible's overall story line and structure Clarity and understanding are enhanced by the use of comparative tables and appendices Subject and Scripture indexes are included The book interacts with the best of Evangelical and Reformed scholarship and the extensive bibliography which includes the web addresses of many online resources provides an excellent source for the reader's further study This is a perfect resource for intelligent Christians including pastors students and teachers who desire to understand eschatology and to see how it fits together with the rest of the Bible

**God's EPIC Adventure** Winn Griffin, 2007-10 Griffin uses Bishop Tom Wright's five act play model as a way of presenting Scripture as a full length story in order to assist the reader in a better reading experience of the text Christian

**Things to Come** John Hill, 2019-01-09 This is not an easy read book It is designed to encourage the reader to become more involved in personal Bible study While offering biblical information concerning future things the author also provides guidelines and leading questions to invoke a real curiosity for knowing more from God's Word and more about His plans for humanity Take some time and sit down with your Bible and a pen in hand Your rewards will be great

**Evangelical Dictionary of Theology (Baker Reference Library)** Walter A. Elwell, 2001-05-01 Fifteen years after its original publication comes a thoroughly revised edition of the Evangelical Dictionary of Theology Every article from the original edition has been revisited With some articles being removed others revised and many new articles added the result is a completely new dictionary covering systematic historical and philosophical theology as well as theological ethics

**The Watchmen's Cry** Obadiah Frank, 2004-10 Modern Bible scholars teach that the Church will be miraculously kept from Tribulation in an event called the Rapture yet the Bible is strangely quiet about such an event This fascinating book finally makes the study of the last days understandable Using clear explanations the notion that the church will be raptured before the time of the Great Tribulation is proven a dangerous deception The key to understanding Bible prophecy is revealed and the fascinating reason why this key has been kept hidden for generations only to be recently made known is explained

**The Imminent Appearing of Christ** J. Barton Payne, 2021-03-10
