Donaldson,2010-10-28 How we understand God s future purposes for the world must shape to a significant degree how Christians live life in the present The decades since the publication of Hal Lindsey s The Late Great Planet Earth have seen a great deal of end times speculation Signs of the end time apocalypse occurring soon have been heralded across our radios televisions the internet and through written forms of media urging people to either be ready for the rapture or be left behind to endure the horrific suffering of the tribulation as God s end time program unfolds Is this really what the Bible teaches about the purposes of the God of whom our Bible declares so loved the world that he gave his only son in order that all things be reconciled The Last Days of Dispensationalism carefully examines this popular understanding known to us as dispensationalism and urges us to think again and to see within the Bible s grand salvation narrative and in the person of Jesus Christ a better message of redemptive hope for the future and a greater sense of meaning and purpose for the present

Writing the Rapture Crawford Gribben,2009-02-02 In this book Crawford Gribben offers the only full length history description and analysis of the rapture novel genre The late 1980s which saw a renaissance of the evangelical imagination culminated in the creation of the Left Behind series co authored by Tim La Haye and Jerry B Jenkins The novels in this series Gribben shows are astonishingly derivative borrowing entire characters and significant incidents from earlier books Analyzing the unexpected publishing success of the Left Behind novels he characterizes the series as a barometer of evangelical popular opinion **Rapture** David Currie,2003-07-31 These pages hold the world s most careful and thorough

scriptural study of the rapture and show that if you accept the Bible you must reject the rapture *Can We Still Believe in the Rapture?* Mark Hitchcock,Ed Hindson,2018-01-02 Christian Fiction or Biblical Fact Today the hope that all believers on earth will be caught up to heaven is being challenged in new waves of criticism Is the rapture really taught in the Bible Can we really expect Jesus to gather up His followers before the Antichrist is revealed In this well reasoned and thorough defense prophecy authors Mark Hitchcock and Ed Hindson examine the concept context and consequences of the important and long expected event known as the rapture Discover the answers to such questions as What is the rapture and is there any

historical precedent for it Why do some believers object to the idea of a rapture Does the timing of the rapture really make a difference As you explore what Scripture says about the end times you ll get a grander glimpse of your glorious future and the deepest hope of every follower of Jesus

And with All Your Mind Steven H. Propp, 2010-12-21 Its 1971 and Silas Baker is a high school senior in California whose main interests are basketball and weekend parties But his life takes a dramatic turn when he encounters a group of committed Christians who soberly inform him that Jesus is coming soon They enroll at Riverstent Bible College Its an exciting time as leading Bible teachers have predicted that Jesus will return to Rapture his Church within one generation of the 1948 formation of the State of Israel Popular movies further inflame this passion as the eager students study Apologetics and Biblical Archaeology aberrant theologies such as the Death of God movement and even conflicting interpretations of the End Times An activist spirit develops within evangelicalism culminating in the so called Christian Right as the evangelical world is rocked in the aftermath of the televangelist scandals Confronted by world views such as Calvinism and Christian Reconstruction the characters passionately debate controversies such as Biblical Inerrancy and the age of the cosmos in addition to challenging evangelicals who deny traditional doctrines such as that of endless punishment in Hell or who promote an Open yet limited concept of God himself As society evolves so does evangelicalism seeker sensitive megachurches appear while Postmodernism and the Emergent Church become realities Theologians wrestle with the question of divorce and remarriage and the role of women in the church as well as the divisive issue of homosexuality As they struggle with lifes realities they ultimately must also respond to nonchristians who are alienated indifferent or engaged in active opposition to Christianity while searching for the meaning of Christian faith in the modern world

If Not "Pre-Trib Rapture," Then What? Teri Sue Riddering TH.D., 2020-01-22 This book is a careful attempt to explore and fill in the picture of the eschatological puzzle using the entire Biblical Scripture cohesively within a conceptual framework of two peoples Jew and Christian who are His people of the New Covenant Jer 31 31 Matt 2 28 united under one Messiah as one new man Eph 2 15 Using solid hermeneutical practices the author attempts to disprove some major aspects of the Pretribulational Rapture theory because it produces a distorted picture of future events regarding the relationship between Jews and Christians She has organized prophetic past present and future events into a logical and coherent sequence that

more closely resembles historical reality and God's eternal plans. At the end she highlights some of the similarities between Christian and Jewish eschatologies and then describes the final outcome of God's purposes with mankind while offering some suggestions as to what Christians can do as they await victoriously for the converging of both eschatologies and the fulfillment of all things.

Tribulation as Wrath L. J. Anderson, 2025-08-15 Is the wrath of God something that happens later in the Tribulation or is it there from the start? Many Christians assume God's wrath begins with the bowl judgments or the Day of the Lord. But Scripture tells a different story. In *Tribulation as Wrath* L. J. Anderson offers a tightly focused exegetical study arguing that the entire Tribulation beginning with the seal judgments is an expression of divine wrath. By closely analyzing passages from Revelation and related texts, Anderson challenges the central assumptions behind both prewrath and midtribulational rapture views. Instead, he presents a modified pretribulational perspective, one that takes the text seriously while acknowledging the need for theological humility. This short work is written in the style of a journal article but made accessible for pastors, students, and everyday readers. It functions as a stand-alone book and also as part of a larger eschatological project within Anderson's broader theological framework known as Structural Theism.

Contents: Dedication, Abstract, Preface, 1. Introduction, 2. Scriptures Regarding Divine Wrath in Revelation, 3. The Prewrath and Posttribulation Views on Divine Wrath in Revelation, 4. Counterarguments to the Prewrath and Posttribulation Views, 5. The Value of Acknowledging the Possibility of a Later Outpouring of Wrath, 6. So What?, 7. Conclusion: A Brief Call to Action. Also by L. J. Anderson.

About the author: The End Of Earth Philip N. Moore, 2024-11-01 In this eye-opening exploration, discover how Moses' ancient prophecies on Israel, the coming of Jesus, and the End Times have striking connections to modern-day events. Delve into how these timeless predictions align with the unexpected rise of Donald Trump, Nostradamus' cryptic visions, and the eerie legacy of the Kennedy curse. With meticulous research, this book unravels a complex web of prophetic clues leading to the conclusion that the mystery surrounding the assassination of JFK and its aftermath has finally been solved. Prepare to be astonished as you uncover the undeniable threads that tie together history's greatest mysteries with prophetic foresight. Is it coincidence, or is there a higher plan at work?

ESCHATOLOGY Dr. Andrea D. Keys, 2025-02-06 Eschatology is the part of theology concerned with death, judgment, and the final destiny of the soul and of humankind. Also discussed in the book is the meaning of dispensation, which is a divinely appointed order, a system of order, government, or organization of a nation, community, etc., especially as existing at a particular time. This book on eschatology will first include a minimal definition of the seven dispensations: the rapture, the tribulation, part 1, revelations, the abomination of desolations, the great tribulation, part 2, mark of the beast, the battle of Armageddon, millennium, the great white throne judgment, new heaven and new earth, and eternity. Consequently, the author has attempted to place these end-of-time events in prophetic order and utilized a variety of sources to give insight to the reader. Although there are many doctrines of eschatology, this author will focus only on the set of beliefs taught through Christian eschatology. Life becomes difficult for those who are not educated

around technology and social media The same applies to eschatology life and beyond will become extremely arduous for those who are not educated on the devastating events that will take place during our last days on earth Eschatology The Doctrine of the Last Things will open up your understanding of the divine end of time events where Jesus Christ will ultimately reign with his saints in the New Jerusalem for all eternity According to the 1 Thessalonians 4 16 17 KJV which reads For the Lord himself shall descend from heaven with a shout with the voice of the archangel and with the trump of God and the dead in Christ shall rise first Then we which are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air and so shall we ever be with the Lord Amen The Oslo Accords 1993-2013 Petter

Bauck, Mohammed Omer, 2013-09-09 Twenty years have passed since Israel and the Palestine Liberation Organization concluded the Oslo Accords or Declaration of Principles on Interim Self Government Arrangements for Palestine It was declared a political breakthrough of immense importance Israel officially accepted the PLO as the legitimate representative of the Palestinian people and the PLO recognized the right of Israel to exist Critical views were voiced at the time about how the self government established under the leadership of Yasser Arafat created a Palestinian administered Israeli occupation rather than paving the way towards an independent Palestinian state with substantial economic funding from the international community Through a number of essays written by renowned scholars and practitioners the two decades since the Oslo Accords are scrutinized from a wide range of perspectives Did the agreement have a reasonable chance of success What went wrong causing the treaty to derail and delay a real workable solution What are the recommendations today to show a way forward for the Israelis and the Palestinians *COMING WITH THE CLOUDS* Joseph Charle Beach, 2023-05-17

that completely distort the true meaning of the writing and we lose the intended meaning of the prophecy COMING WITH THE CLOUDS A JOURNEY THROUGH PROPHECY explores the scriptures seeking the true meaning of Bible prophecy All prophecy centers around Jesus His kingdom and His rule The study of all prophecy must be Christ centered As you read this book you will gain true insight and understanding Studying Bible prophecy is one of the most encouraging and faith building adventures we can take Bible prophecy gives us hope and keeps us anticipating the Lord s return I invite you to join me in this journey through Bible prophecy Together we will come away with a clear understanding of what Bible prophecy is all about We will come away with a positive view of the end times and with a greater hope for our future When discussing His second coming Jesus himself said no one knows the time only the Father knows It is not up to us to discover the time It is up to us to be ready If you really want to know the truth about Bible prophecy read my book today *Answer Me This!* Patrick Madrid,2003-09-01 So why do Catholics Say Mary remained a virgin Refuse to rely on Scripture alone Teach papal infallibility Worship saints and bow down to their graven images Claim the wafer is really Jesus And bottom line again and again Where in the Bible does it say When some folks have questions about Catholicism they re more than merely curious They want to take a jab at your beliefs as they try to persuade you to accept theirs Door to door proselytizers are trained to ask hot button questions They proclaim to know what many Catholics can t articulate Now author EWTN television host and noted apologist that is defender and teacher of Catholic doctrine Patrick Madrid has compiled tough questions Catholics face They are questions he and others have been confronted with time and again He presents solid Bible based easy to understand and easy to explain answers Here is how to calmly charitably and effectively respond Discover the answers to some questions you may have wondered about yourself *The Politics and Ethics of Identity* Richard Ned Lebow,2012-08-30 Challenges the notion of consistent unitary identities arguing that we are multiple changing selves shaped by social contexts and processes

Peony in Adoration Shannon Kurtz, 2007-09 A lycanthropic entity roams the streets of Safford Arizona People are dying out in the deserts surrounding what once was a quiet out of the way town It is not until Safford Police Chief Daryl Collins and Graham County Sheriff Guy Stapleton pay a visit to a psychic at the local strip club that they realize how badly they've underestimated the danger to themselves and to the town of Safford If you are hoping to read a suspense story that has elements of danger romance and humor go pick up my novel Secret Things this is not for you Or pick up Glass or Level Heads Or anything else I've written If on the other hand you are prepared to experience the hideous depravity horror and pureness of evil that can reside in what might at first glance appear to be a normal functional human being this is your book If halfway through you realize you are in over your head don't say I didn't warn you

Coming Soon Michael Patrick Barber, 2005 Is there a book of the Bible more often discussed and yet less understood than the Book of Revelation The seven seals The dragon The beast The sea of glass The fantastic imagery found in the Book of Revelation has long captivated Christians but remains mysterious to many In the midst of so much discussion about the end times what does Revelation teach us about living in the present moment with our eyes focused on the heavenly Jerusalem Michael Barber's Coming Soon explores these questions by taking a detailed look at Revelation and its rich tapestry of prophecy history and biblical allusion Barber explores the profound link between the Mass celebrated here on earth and the eternal reality of heaven demonstrating that the Apocalypse reveals truth that has practical implications for today and points to a firm hope in tomorrow Coming Soon is a verse by verse commentary on the Book of Revelation using the Revised Standard Version Catholic Edition of the Bible Barber provides a Catholic interpretation which sees the liturgical background of this book of Scripture a perspective missing in many Protestant commentaries
