Raptures Tempest:

The Rapture, the Antichrist, and the Tribulation Rick Renner, 2025-09-02 YOU VE HEARD OF THE RAPTURE BUT WHAT HAPPENS NEXT Questions about the Bible and God s timeline of events for human history abound as more people sense we are reaching the end of an age They instinctively know that when one epoch of time ends another lies in wait and will soon after begin But what is the pivotal point in time upon which these mysterious next events hinge In this book Rick Renner takes you on a deep dive into Scripture to show you that Christ s rapture of His Church is the domino event that will set in motion the next phase in God s prophetic timeline The Rapture is the event God s people should desirously anticipate as they prepare to meet Him face to face But the Rapture Heaven and the Marriage Supper of the Lamb are not the end for true believers in Christ as Rick vividly explains In this book you ll learn Which group of saints will be raised first to meet Jesus in the Rapture The identity of those who are alive and remain that will be raised next The origin of the word rapture and every Greek instance of this word in the New Testament How to be prepared for the Rapture in the dark last hours of time What it will look like when mortal bodies put on immortality The identity of the restrainer that withstands the onslaught of evil on the earth right now The Antichrist s attributes according to Scripture and when he will finally be revealed How to avoid contamination by the spirit of the Antichrist that is already in the world Five differences between the Rapture of the Church and the Second Coming of Christ Who will be affected by the horrific bowls of judgment in the Great Tribulation to come And much more This book will answer many of your questions about end time events and surprise you with information on this subject you probably didn t know existed In fact this may be the most comprehensive look at all three topics the Rapture the Antichrist and the Tribulation you ve ever read in just one book *Rapture* Emily Maguire, 2024-10-01 The legend is only the beginning A spectacular story of shape shifting love and faith It enthralled me Jessie Burton multi million bestselling author of *The Miniaturist* and *The House of Fortune* Astonishing a scorching vision of a book Charlotte Wood Booker shortlisted author of *Stone Yard Devotional* A fierce sexy heady maelstrom of a book It sucked me in from the first page Kiran Millwood Hargrave author of *The Mercies* What an incredible book *Rapture* is It has all the hallmarks of a great thriller such tension mixed with the quiet confident beauty of Agnes voice her fury and her love Evie Wyld author of *The Echoes* Bold and unexpected *Rapture* buzzes with life and energy Extraordinary Rosanna Pike instant Sunday Times bestselling author of *A Little Trickerie* Emily Maguire has created an earthy visceral and sensual tale full of devotion intrigue and passion A stunning novel Victoria MacKenzie award winning author of *For Thy Great Pain Have Mercy On My Little Pain* Ninth century Mainz in the heart of the Holy Roman Empire Agnes is the motherless child of an English priest a wild and brilliant girl with a deep visceral love of God But when tragedy strikes she is suddenly forced to choose between what is expected of her and the life she has always dreamed of Determined to find her own freedom she disguises herself as a man securing a place at the revered Fulda monastery and forever altering the course of her existence Thus begins the life of John

the Englishman a matchless scholar and scribe of Fulda then a charismatic heretic in an Athens commune and by her middle years a celebrated teacher in Rome There she dazzles the Church hierarchy with her knowledge of the old and new languages of Europe theology and Church law and finds herself at the heart of political intrigue in a city where gossip is a powerful and deadly currency And when the only person who knows her identity arrives in Rome she will risk everything to once again feel what it is to be known and loved A note from the author Rapture is inspired by a thousand year old story about a clever girl who dresses as a man to follow her lover to a monastery where she becomes a brilliant scholar and teacher and eventually ends up still in careful disguise the most powerful person in Rome I feel like this is the book I've been working towards for my whole writing life The story of an ambitious woman in a world where women are supposed to be modest A woman whose mind refuses to accept a small life and whose body is reviled while remaining for her a source of great joy A woman who like so many oppressed people throughout history finds a way to subvert and resist To be who she is without permission or approval In Rapture this legendary much argued over figure is a flesh and blood woman of ingenuity purpose and passion Her name is Agnes and I'm excited for you to meet her

What is the Rapture? Scarlett Stoyer, About this book What is the Rapture The Rapture is a significant event in Christian eschatology that captures the hearts of believers It describes a moment when true followers of Christ will be taken up to heaven leaving the world behind This powerful concept is deeply woven into the themes of hope redemption and the promise of eternal life As believers anticipate this divine occurrence the narrative explores both the joy of being united with God and the tribulation faced by those left behind The Rapture is often set against a backdrop of apocalyptic scenarios highlighting the tension between faith and fear Through engaging storytelling it challenges readers to reflect on their beliefs and prepares them for the ultimate question Are you ready for the Rapture This thought provoking exploration invites readers into a gripping world of prophecy and faith making it a must read for those curious about divine destiny and spiritual urgency

The Particulars of Rapture Avivah Gottlieb Zornberg, 2011-02-01 Avivah Zornberg grew up in a world of rabbinic tradition and scholarship and received a Ph D in English literature from Cambridge University The Particulars of Rapture the sequel to her award winning study of the Book of Genesis takes its title from a line by the American poet Wallace Stevens about the interdependence of opposite things such as male and female and conscious and unconscious To her reading of the familiar story of the Israelites and their flight from slavery in Egypt Avivah Zornberg has brought a vast range of classical Jewish interpretations and Midrashic sources literary allusions and ideas from philosophy and psychology Her quest in this book as she writes in the introduction is to find those who will hear with me a particular idiom of redemption who will hear within the particulars of rapture what cannot be expressed Zornberg's previous book The Beginning of Desire Reflections on Genesis won the National Jewish Book Award for nonfiction in 1995 and has become a classic among readers of all religions The Particulars of Rapture will enhance Zornberg's reputation as one of today's most original and compelling interpreters of the biblical and rabbinic traditions

Tennyson's Rapture Cornelia D. J. Pearsall, 2008-01-29 In the wake of the death of his friend Arthur Henry Hallam the subject of In Memoriam Alfred Tennyson wrote a range of intricately connected poems many of which feature pivotal scenes of rapture or being carried away This book explores Tennyson's representation of rapture as a radical mechanism of transformation theological social political or personal and as a figure for critical processes in his own poetics The poet's fascination with transformation is figured formally in the genre he is credited with inventing the dramatic monologue Tennyson's Rapture investigates the poet's previously unrecognized intimacy with the theological movements in early Victorian Britain that are the acknowledged roots of contemporary Pentacostalism with its belief in the oncoming Rapture and its formative relation to his poetic innovation Tennyson's work recurs persistently as well to classical instances of rapture of mortals being borne away by immortals Pearsall develops original readings of Tennyson's major classical poems through concentrated attention to his profound intellectual investments in advances in philological scholarship and archeological exploration including pressing Victorian debates over whether Homer's raptured Troy was a verifiable site or the province of the poet's imagination Tennyson's attraction to processes of personal and social change is bound to his significant but generally overlooked Whig ideological commitments which are illuminated by Hallam's political and philosophical writings and a half century of interaction with William Gladstone Pearsall shows the comprehensive engagement of seemingly apolitical monologues with the rise of democracy over the course of Tennyson's long career Offering a new approach to reading all Victorian dramatic monologues this book argues against a critical tradition that sees speakers as unintentionally self-revealing and ignorant of the implications of their speech Tennyson's Rapture probes the complex aims of these discursive performances and shows how the ambitions of speakers for vital transformations in themselves and their circumstances are not only articulated in but attained through the medium of their monologues

Rapture Iliazd, 2017-05-16 The draft dodger Laurence yearns to take control of his destiny Having fled to the highlands he asserts his independence by committing a string of robberies and murders Then he happens upon Ivrita a beautiful young woman trapped in an intricately carved mahogany house Laurence does not hesitate to take her as well Determined to drape his young bride in jewels he plots ever more daring heists Yet when Laurence finds himself casting bombs alongside members of a revolutionary cell he must again ask is he a free man or a pawn of history Rapture is a fast-paced adventure romance and a literary treat of the highest order With a deceptively light hand Iliazd entertains questions that James Joyce Virginia Woolf and Thomas Mann once faced How does the individual balance freedom and necessity love and death creativity and sterility What is the role of violence in human history and culture How does language both comfort and fail us in our postwar post-Christian world Censored for decades in the Soviet Union Rapture was nearly lost to Russian and Western audiences This translation rescues Laurence's surreal journey from the oblivion he too faces as he tries to outrun fate
