Rares Cooperhewitt National Design Museum Smithsonian Institution:

Ornament and European Modernism Loretta Vandi, 2017-09-22 These in depth historical and critical essays study the meaning of ornament the role it played in the formation of modernism and its theoretical importance between the mid nineteenth century and the late twentieth century in England and Germany Ranging from Owen Jones to Ernst Gombrich through Gottfried Semper Alois Riegl August Schmarsow Wilhelm Worringer Adolf Loos Henry van de Velde and Hermann Muthesius the contributors show how artistic theories are deeply related to the art practice of their own times and how ornament is imbued with historical and social meaning

The Color Revolution Regina Lee Blaszczyk, 2012-08-31 A history of color and commerce from haute couture to automobile showrooms to interior design When the fashion industry declares that lime green is the new black or instructs us to think pink it is not the result of a backroom deal forged by a secretive cabal of fashion journalists designers manufacturers and the editor of Vogue It is the latest development of a color revolution that has been unfolding for more than a century In this book the award winning historian Regina Lee Blaszczyk traces the relationship of color and commerce from haute couture to automobile showrooms to interior design describing the often unrecognized role of the color profession in consumer culture Blaszczyk examines the evolution of the color profession from 1850 to 1970 telling the stories of innovators who managed the color cornucopia that modern artificial dyes and pigments made possible These color stylists color forecasters and color engineers helped corporations understand the art of illusion and the psychology of color Blaszczyk describes the strategic burst of color that took place in the 1920s when General Motors introduced a bright blue sedan to compete with Ford s all black Model T and when housewares became available in a range of brilliant hues She explains the process of color forecasting not a conspiracy to manipulate hapless consumers but a careful reading of cultural trends and consumer taste And she shows how color information flowed from the fashion houses of Paris to textile mills in New Jersey Today professional colorists are part of design management teams at such global corporations as Hilton Disney and Toyota The Color Revolution tells the history of how colorists help industry capture the hearts and dollars of consumers

Rare Books and Special Collections in the Smithsonian Institution Libraries Smithsonian Institution Libraries, Ellen B. Wells, 1995-08-17 A richly illustrated full color survey of the valuable and unusual materials in the Smithsonian Libraries Special Collections Department

The Making of the American Creative Class Shannan Clark, 2021 The Making of the American Creative Class narrates the history of workers in New York s publishing advertising design and broadcasting industries and their efforts to improve their working conditions set against the backdrop of the economic dislocations of twentieth century capitalism

'The industrialized designer' Leah Armstrong, 2024-10-23 What does it mean to be called an industrial designer This book traces the remarkable rise of this professional identity in historical perspective from a position of anonymity in the early twentieth century to mid century professionalisation to decline and disintegration by 1980 Drawing on new extensive original archival research it uncovers the history of a profession in a state

of re invention 1930 1980 in Britain and the United States The book tests assumptions about the relationship between the professions in the two countries bringing them into comparative historical perspective for the first time The gendered dynamics of professionalisation and their interaction with the representation of the heroic male designer are interrogated and critically examined Building on new gender perspectives to the history of the industrial design profession the book calls for a re examination of the limits and boundaries of what constitutes professional identity and work

The Gardens of Emily Dickinson Judith FARR, Louise Carter, 2009-06-30 In this first substantial study of Emily Dickinson s devotion to flowers and gardening Judith Farr seeks to join both poet and gardener in one creative personality She casts new light on Dickinson s temperament her aesthetic sensibility and her vision of the relationship between art and nature revealing that the successful gardener s intimate understanding of horticulture helped shape the poet s choice of metaphors for every experience love and hate wickedness and virtue death and immortality Gardening Farr demonstrates was Dickinson s other vocation more public than the making of poems but analogous and closely related to it Over a third of Dickinson s poems and nearly half of her letters allude with passionate intensity to her favorite wildflowers to traditional blooms like the daisy or gentian and to the exotic gardenias and jasmines of her conservatory Each flower was assigned specific connotations by the nineteenth century floral dictionaries she knew thus Dickinson s association of various flowers with friends family and lovers like the tropes and scenarios presented in her poems establishes her participation in the literary and painterly culture of her day A chapter Gardening with Emily Dickinson by Louise Carter cites family letters and memoirs to conjecture the kinds of flowers contained in the poet s indoor and outdoor gardens Carter hypothesizes Dickinson s methods of gardening explaining how one might grow her flowers today Beautifully illustrated and written with verve *The Gardens of Emily Dickinson* will provide pleasure and insight to a wide audience of scholars admirers of Dickinson s poetry and garden lovers everywhere

Table of Contents Introduction 1 Gardening in Eden 2 The Woodland Garden 3 The Enclosed Garden 4 The Garden in the Brain 5 Gardening with Emily Dickinson Louise Carter Epilogue The Gardener in Her Seasons Appendix Flowers and Plants Grown by Emily Dickinson Abbreviations Notes Acknowledgments Index of Poems Cited Index Reviews of this book

In this first major study of our beloved poet Dickinson s devotion to gardening Farr shows us that like poetry gardening was her daily passion her spiritual sustenance and her literary inspiration Rather than speaking generally about Dickinson s gardening habits as other articles on the subject have done Farr immerses the reader in a stimulating and detailed discussion of the flowers Dickinson grew collected and eulogized The result is an intimate study of Dickinson that invites readers to imagine the floral landscapes that she saw both in and out of doors and to re create those landscapes by growing the same flowers the final chapter is chock full of practical gardening tips Maria Kochis Library Journal Reviews of this book This is a beautiful book on heavy white paper with rich reproductions of Emily Dickinson s favorite flowers including sheets from the herbarium she kept as a young girl But which came first the flowers or the poems So intertwined are Dickinson s verses with her life in

flowers that they seem to be the lens through which she saw the world In her day 1830-86 many people spoke the language of flowers Judith Farr shows how closely the poet linked certain flowers with her few and beloved friends jasmine with editor Samuel Bowles Crown Imperial with Susan Gilbert heliotrope with Judge Otis Lord and day lilies with her image of herself The Belle of Amherst Mass spent most of her life on 14 acres behind her father's house on Main Street Her gardens were full of scented flowers and blossoming trees She sent notes with nosegays and bouquets to neighbors instead of appearing in the flesh Flowers were her messengers Resisting digressions into the world of Dickinson scholarship Farr stays true to her purpose even offering a guide to the flowers the poet grew and how to replicate her gardens Susan Salter Reynolds Los Angeles Times Cuttings from the book The pansy like the anemone was a favorite of Emily Dickinson because it came up early announcing the longed for spring and as a type of bravery could withstand cold and even an April snow flurry or two in her Amherst garden In her poem the pansy announces itself boldly telling her it has been resoluter than the Coward Bumble Bee that loiters by a warm hearth waiting for May She spoke of the written word as a flower telling Emily Fowler Ford for example thank you for writing me one precious little forget me not to bloom along my way She often spoke of a flower when she meant herself You failed to keep your appointment with the apple blossoms she reproached her friend Maria Whitney in June 1883 meaning that Maria had not visited her Sometimes she marked the day or season by alluding to flowers that had or had not bloomed I said I should send some flowers this week but my Vale Lily asked me to wait for her People were also associated with flowers Thus her loyal brisk homemaking sister Lavinia is mentioned in Dickinson's letters in concert with sweet apple blossoms and sturdy chrysanthemums Emily's vivid ambitious sister in law Susan Dickinson is mentioned in the company of cardinal flowers and of that grand member of the fritillaria family the Crown Imperial *Rare Books* Stephen H. Van Dyk, 2001 This book examines more than one hundred illustrated printed design books dating from the sixteenth through to the twentieth centuries in the Library Collection of Cooper Hewitt National Design Museum **Encyclopedia of Interior Design** Joanna Banham, 1997-05 First published in 1997 Routledge is an imprint of Taylor Francis an informa company

Art and the Empire City Metropolitan Museum of Art (New York, N.Y.), 2000 Presented in conjunction with the September 2000 exhibition at the Metropolitan Museum this volume presents the complex story of the proliferation of the arts in New York and the evolution of an increasingly discerning audience for those arts during the antebellum period Thirteen essays by noted specialists bring new research and insights to bear on a broad range of subjects that offer both historical and cultural contexts and explore the city's development as a nexus for the marketing and display of art as well as private collecting landscape painting viewed against the background of tourism new departures in sculpture architecture and printmaking the birth of photography New York as a fashion center shopping for home decorations changing styles in furniture and the evolution of the ceramics glass and silver industries The 300 plus works in the exhibition and comparative material are extensively illustrated in color and bandw Oversize 9 25x12 25 Annotation copyrighted by Book News Inc
