Rat Stew:

Child of the Riftgate Tim Cove,2020-09-27 Every myth is real Every legend is true The answers lie beyond the riftgate But Jane Baker doesn't want answers she wants ice cream She doesn't want friends or adventures she wants to be alone She doesn't want to be the most hunted person in a parallel world or caught in a twisting web of secrets and treachery but then again when has Jane ever got what she wanted Never that's when Now thrown together with a bizarre assortment of allies Jane must nurture a strength within herself that she never knew existed For the fate of a world has come to rest on her shoulders and saving it will require more than epic quests and deadly conflict it will require her to confront a lie that has defined her life and embrace a truth that will shake the foundations of the universe **On Stage at Any Age** Christine Goodman,2020-01-15 On Stage at Any Age invites you as a reader or performer to step out of the confines of everyday life into a world of fun and fantasy You'll meet diverse and intriguing characters like King Eye Spy the fussy food guy Lumpy Dumpy Egg Cats and Rats with culinary skills Bodyguard Conscience and more These plays were originally written for but should not be confined to infants and primary school aged children The scripts are ideal for backyard concerts and full stage performances Teachers parents and children of all ages could entertain or be entertained by the contents of this book

The Three Furies Kaza Kingsley,2010-08-10 Another task even more dangerous than the previous ones befalls Erec in the fourth book in the series He must literally face his worst nightmares to succeed but he isn't sure if he can overcome his fears On top of a contest he must win to continue his rise to King he must also save Bethany who has been entranced by Baskania and deal with his inevitable transformation into a dragon **The Tale Of Ashton Black And His Cat** David William Barr,2013-01-16 Back Cover Hilda the cat would have preferred to sleep on the couch all day but Ashton Black was terribly bored While his mother went downstairs to wash clothes Ashton discovered a curious sticker on the ceiling of his apartment and a huge surprise under the cushions of his couch Never in their wildest dreams could Ashton and Hilda have imagined the spirited adventure ahead of them The strangest things can happen while mom is in the laundry room Further description In this quick paced adventure for third grade and older Ashton and Hilda discover the magical world of Miya where the villainous cat Fellen has deceived many and conspires to capture all Ashton is befriended by the hero Prince Startling joins an army ready to attack Fellen and finds his first real friends He also finds his own true identity wielding powers he never knew he had **Crap Kitchen** Geoff Tibballs,2015-11-19 The worst cookbook ever packed with truly bizarre and utterly disgusting recipes from all over the world Ever since humankind produced its first foodie the culinary world has dished up some staggering confections which could best be described as acquired tastes dishes such as Virgin Boy Eggs eggs soaked in the urine of prepubescent boys live octopus which clutches at the diner's tongue and throat as it is swallowed and Beard Beer made from the yeast found in facial hair In northern Greenland the Inuit are fond of cramming as many as 500 dead auks small sea birds into an old seal skin which they place under a large rock until the birds have fermented into what has

rightly been described as a sticky pungent toxic cheesy gloop Kiviak as it is called is eaten by biting off the birds heads and sucking out the juices The mighty Roman Empire was built on such delicacies as larks tongues stuffed thrush boiled flamingo and grilled cow s womb while the Tudors loved nothing more than a roast cockenthrice the head and upper body of a pig carefully stitched onto the lower body and legs of a turkey Today for those with an adventurous mindset and a robust life insurance policy there is no shortage of nauseating local delicacies to enjoy In China not only is tuna eyeball on the menu but also yak penis served whole In Vietnam one can enjoy the still beating heart of a freshly killed snake in Iceland raw puffin heart In the Philippines there is duck embryo to be had like a Kinder Surprise only containing a dead foetus instead of a toy In Sardinia they like nothing more than a nice bit of maggot infested cheese and the favourite tipple of Korean foodies is Ttongsul a wine made from the fermented faeces of a child Bon appetit
