Touched by Kindness: Inspirational Words for Empowerment throughout Your Day Evangelist Jennifer Workman, Kindness never gets old Everyone benefits from words of affirmation What are you saying to speak life into someone s situation today The Bible states emphatically that life and death are in the power of your words And in Jennifer s latest book she speaks life to all of us

through quick and easy to read motivational messages that are sure to encourage to enlighten and to empower you to live a victorious life in Jesus Interactive Worship Readings from the Book of Psalms Melvin D. Campbell, 2014-05-01 The reading in the book focuses on worship is a community activity from the book of Psalm Through these readings the experiences of the writers of Psalms become our experiences in praise and adoration to God The readings are short using traditional translations but updated in language Dr Campbell holds graduate degrees in both chemistry and education having taught on the collegiate level in both areas He is prolific writer of Readers Theatres for classrooms and worship services He is very active in providing readings for large congregations including his own church He along with colleagues have authored 3 other books on Readers Theatre He has made numerous presentations at professional meetings and has given many workshops At the present time he is Adjunct Professor of Education at La Sierra University Introduction to Educational Research Craig A. Mertler, 2024-11-14 The Fourth Edition of Introduction to Educational Research by Craig A Mertler guides readers through the steps of the research process to help them plan and execute research projects in educational settings With balanced coverage of qualitative and quantitative methods an emphasis on ethics and concrete applications of methods this text offers a practical presentation of the research process New to the Fourth Edition are more information on interviews throughout the book expanded coverage of qualitative research and a thoroughly updated chapter on action research Three current research articles are included as appendices to demonstrate qualitative quantitative and mixed methods Comprehensive and student friendly Introduction to Educational Research uses conversational and nontechnical language to help students clearly understand and apply research concepts principles procedures and terminology *Sense-making: Problematizing Constructs of Literacy for 21st Century Education* Marilyn J. Narey, Kelli Jo Kerry-Moran, 2021-03-15 This book is a rich yet highly accessible volume that details an exciting and much needed inquiry into the notion of literacy what it is why it is and how it might be framed most effectively for 21st century education The chapters unfold in a creative interplay of practice and theory Narey s insightful questioning into the socio historical cultural implications of literacy as empowerment establishes the critical context while Kerry Moran s examination of the burgeoning literacy landscape reveals challenges for teacher education Drawing upon classic and cutting edge theories Narey builds a provocative and powerful case for a 21st century construct of literacy as sense making sense as relative to the senses i e sight hearing and sense as making meaning Her innovative model of the literacy event opens up a range of potential foci for analysis and facilitates her teasing out of two critical areas for instruction sensory perception and aesthetic knowledge This theoretical sense making lens is applied to Kerry Moran s teacher education classroom as the authors reflect upon further development As a timely original and thought provoking work this slim volume of big ideas promises to be a valuable resource for teacher educators and other scholars who seek a clear and cohesive frame for literacy in 21st century education This is a very well written scholarly text that provides a new and important theory of 21st century literacy Narey s sketches of literacy as sense making

are laid out in logical form building upon researched and referenced sources to ground her ideas and offering the reader information examples and new insights In addition to providing many significant perspectives underpinning her new theory Narey provides excellent historical and current explanations about literacy from highly respected researchers in the field The inclusion of a practical application of Narey s conceptual theoretical framework to Kerry Moran s example of an instructional unit in a teacher education course is helpful to understanding the theory in practice The references throughout the work are extensive comprehensive and very well documented This text Sense making Problematizing Constructs of Literacy for 21st Century Education contributes original thinking to the field of literacy and learning and would be an excellent resource for literacy and language professors or instructors in a post graduate or professional development program Penny Silvers
