

OF MODERN POETRY

The poem of the mind in the act of finding
What will suffice. It has not always had
To find: the scene was set; it repeated what
Was in the script.

Then the theatre was changed
To something else. Its past was a souvenir.

It has to be living, to learn the speech of the place.
It has to face the men of the time and to meet
The women of the time. It has to think about war
And it has to find what will suffice. It has
To construct a new stage. It has to be on that stage
And, like an insatiable actor, slowly and
With meditation, speak words that in the ear,
In the delicatest ear of the mind, repeat,
Exactly, that which it wants to hear, at the sound
Of which, an invisible audience listens,
Not to the play, but to itself, expressed
In an emotion as of two people, as of two
Emotions becoming one. The actor is
A metaphysician in the dark, twanging
An instrument, twanging a wiry string that gives
Sounds passing through sudden rightnesses, wholly
Containing the mind, below which it cannot descend,
Beyond which it has no will to rise.

It must
Be the finding of a satisfaction, and may
Be of a man skating, a woman dancing, a woman
Combing. The poem of the act of the mind.

Reading Modern Poetry:

52 Ways of Looking at a Poem, Or, How Reading Modern Poetry Can Change Your Life Ruth Padel, 2004 *A Grain of Poetry* Herbert R. Kohl, 2000-07-25 Poetry has the power to move and challenge the reader It can intensify or even celebrate misery be cynical or wry or just laugh outright in an outrageous way Poetry is as serious and antic as life and yet reading modern poetry can be shocking to our sense of what language is or must be In *A Grain of Poetry* Herbert Kohl presents a series of guideposts to help everyone read poetry and discover those poems that inform and inspire them In clear direct language he covers all of the essential but often uncharted paths to understanding poetry form and structure line breaks and pauses rhythm and melody imagery and recitation Written by one of the country's leading educators *A Grain of Poetry* is a comprehensive and accessible guide for all poets students and poetry lovers *How to Write Modern Poetry* Geoff Tims, 2004-11 Modern poetry has a way of putting feelings into words in a way that no other medium can Geoff Tims guide makes writing bad poetry almost impossible READING AND DISCOVERING MODERN POETRY. Reading Modern Law Ruth Margaret Buchanan, Stewart John Motha, Sundhya Pahuja, 2012 *Reading Modern Law* addresses the identification and elaboration of a critical methodology for reading and writing about law in modernity

Distant Reading Peter Middleton, 2005 A dynamic account of the history practice and theory of poetry as performance *Distant Reading* considers poetry as performance offers new insights into its popularity and proposes a new history of its origins It also explores related issues concerning the reception of poetry the impact of the computer on how we read poetry the persistence of the letter I in poems by avant garde poets the strangeness of the line break as a demand on the reader's attention and the idea of the reader as consumer These themes are connected by a historically contextualized and theoretically sophisticated discussion of contemporary American and British poets continuing to work in the modernist tradition The introductory essay establishes a new methodology that transforms close reading into what Middleton calls distant reading interpretive reading that acknowledges the distances that texts travel from their point of composition to readers in other geographical and historical locations It indicates that poetic innovation is often driven by a desire on the part of the poet to make this distance do cultural work in the meanings that the poem generates Ultimately *Distant Reading* treats poetry as a cultural practice that is always situated within specific sites of performance recited on stage displayed in magazines laid out on a page scrolled on the computer screen rather than as a transcendent cloud of meaning tethered only to its words *Science in Modern Poetry* John Holmes, 2012-01-01 Over the last thirty years more and more critics and scholars have come to recognize the significant influence of science on literature This collection of essays focuses specifically on what poets in the twentieth and twenty first centuries have made of modern scientific developments In these twelve essays leading experts on modern poetry literature and science explore how poets have used scientific language in their poems how poetry can offer new perspectives on science and how the two cultures can and have come together in the work

Reed, 2012-04-04 This book examines individually and collectively poets widely recognized as formal and linguistic innovators Why do their words appear in unconventional orders What end do these arrangements serve Why are they striking Brian Reed focuses on poetic form as a persistent puzzle utilizing historical fact and the views of other critics to clarify how particular literary works are constructed and how those constructions lead to specific effects Back cover **Reading Modern Poetry, Edited by Paul Engle and Warren Pendleton Carrier** Paul Engle, 1955 **Modern Poetry** Heron Lloyd Tait, 2023-09-28 About Modern Poetry by the author I believe that if you read Michelle L Devon s take on Modern Poetry you will get the tone and feel of my work in Modern Poetry Modern poetry creates a short story with visual imagery in a few lines rather than a few pages Modern poetry touches your heart by evoking emotion with which you can relate about things you probably have experienced yourself The common themes for modern poetry are love and romance nature beauty and loss and grief These are all things that everyone can relate to and when written in verse form with modern language use a poem or piece of prose can bring about feelings long forgotten remind of times of strong emotion or speak of dreams for the future all in a few lines instead of pages of story A good book or a novel makes you think striking the imagination poetry and prose makes you feel striking the emotions Why not give modern poetry a chance You can search online for samples or go to your local bookstore and pick up a copy and check it out You may just be surprised how much you enjoy reading modern poetry My poems are easily read stories They can be read and understood easily by everyone I tell them of people I know of myself of what I imagine took place in other peoples lives and of how I believe experiences should be They are real I hope my effort makes for easy reading enjoyment and emotional attachment to the themes Contemporary Poetry , 2011 *The Poetry Circuit* Peter B. Howarth, 2024-09-17 Live performance has changed poetry more than anything else in the last hundred years it has given poets new audiences and a new economy and it has generated new styles from Imagism to confessional to contemporary Spoken Word But the creative impact that public reading had right through the twentieth century has not been well understood Mixing close listening to archive performances with intimate histories of modernist venues and promoters The Poetry Circuit tells the story of how poets met their audience again and how the feedback loops between their voices the venues and the occasions turned poems into running dramas between poet and listener A nervous T S Eliot reveals himself to be anything but impersonal while Marianne Moore s accident prone readings become subtle ways of keeping her poems in constant re draft Robert Frost used his poems to spar with his fans and rivals while Langston Hughes wrote Ask Your Mama to expose the prejudice circulating in the room as he spoke it The Poetry Circuit also shows how the post war reading boom made new kinds of poetry involving their audience and setting in the performance such as John Ashbery s anti charismatic Poets Theatre Amiri Baraka s documentary soundtracks of the streets or the confessional readings of Allen Ginsberg which shame the listeners more than the poet Covering the first seventy years of the poetry reading The Poetry Circuit

demonstrates that there never were page and stage poets the reading simply changed what every modern poet could do

High Points in the Work of the High Schools of New York City, 1921 *The New Modernist Novel* Elizabeth Pender, 2024-09-30 Considers relationships between modernist literature and literary criticism and argues that new modernist fiction can bring with it new modes of reading Considers how close reading may change as the study of modernism changes to include recently recovered fiction Asks what reading meant for selected critics of modernist literature around 1930 and around 1960 Offers readings of three new modernist novels Djuna Barnes's *Nightwood* John Rodker's *Adolphe* 1920 and Mina Loy's *Insel* Considers key cultural moments of the novels composition and reception Extends the questions about reading raised by these novels to Samuel Beckett's *Comment c'est* *How It Is* and Jean Rhys's short stories Since the late twentieth century new understandings of modernism have come with new attention to a range of writers Yet if the academic study of modernism took shape around an older narrower selection of writers and works how can its modes of reading be relevant to newly recovered modernist writing This book considers how close reading may change as the subjects of literary study change Elizabeth Pender asks what reading meant for critics of modernist literature around 1930 and around 1960 and then what close reading might look like now for three new modernist novels Djuna Barnes's *Nightwood* John Rodker's *Adolphe* 1920 and Mina Loy's *Insel* tend to resist some of the strategies of reading that helped construct a narrowed modernist canon at mid century such as the pursuit of coherence These novels offer new thinking about the temporality of reading style and the ethics of narration Reading these novels now suggests that other new modernist fiction too may require revisions to vocabularies with which modernist literature has sometimes been read
