Brown,2011-07-01 Sharing the Easter Faith with Children is theologically sound biblically focused educationally on target and developmentally appropriate Carolyn Brown writes clearly and helpfully with conviction and passion for what to share and how to share one s faith with children It should be required reading for every parent educator and pastor who wants to communicate and celebrate the Easter faith with children Brown packs a lot of practical suggestions insights and activities into this very readable resource I am confident children will mature in their understanding and affirmation of the Easter faith when they have been nurtured in families and congregations that take seriously what Brown offers Donald Griggs author of Teaching Today s Teachers to Teach It is easy to share the Christmas story and faith with children The story is beautiful and lends itself well to pageants and other celebratory events for children It is not so easy to share the Easter story and faith with children because the message and images are complex Many parents have trouble articulating what Easter means to them personally much less answering their children s questions In many congregations children are featured in palm parades on Palm Sunday but they are not specifically planned for at other Holy Week services When schools schedule an Easter break many families go away and thus unintentionally bypass the whole Easter message for years This book explores what the Easter message can mean to children as they grow up The author helps congregations and families share the Easter message with their children and include the children meaningfully in Lent Holy Week and Easter observances Included are materials for children from birth in the church nursery to age 12 and reproducible pages to create a booklet for parents The first section of the book describes the particular parts of the Easter faith that are important to children at different ages and comments on the biblical Easter texts from a child s point of view The second part of the book works through the Lenten season describing ways congregations can include children and providing program and worship plans including Lenten disciplines for children and their families Ash Wednesday Celebrating

Michael T. Foy,Brian Barton,2011-10-21 On Easter Monday between 1 000 and 1 500 Irish Volunteers and members of the

Irish Citizen Army seized the General Post Office and other key locations in Dublin. The intention of their leaders including Patrick Pearse and James Connolly was to end British rule in Ireland and establish an independent thirty-two county Irish republic. For a week, battle raged in the Irish capital until the Rising collapsed. The rebel leaders were executed soon afterwards, though in death their ideals quickly triumphed. Illuminating every aspect of that fateful Easter week, *The Easter Rising* is based on an impressive range of original sources. It has been fully revised, expanded, and updated in the light of a wealth of new material, and extensive use has been made of almost 2,000 witness statements that the Bureau of Military History in Dublin gathered from participants in the Rising. The result is a vivid depiction of the personalities and actions, not just of the leaders on both sides but the rank and file and civilians as well. The book brings the reader closer to the events of 1916 than has previously been possible and provides an exceptional account of a city at war. **Easter** Will Scheffer, 1999
