Roy,2025-01-09 This cross disciplinary collection provides the first comprehensive study of library music practices in the 1960s and 1970s Library music was inexpensive off the shelf music available to license for a small fee It was widely used in television and film as a cheaper alternative to commissioned soundtracks The book pays attention to the different individuals groups organisations and institutions involved in making library music as well as to its transnational sites of production from continental recording studios to regional cutting rooms It addresses questions of distributed creativity collective authorship and agency Combining empirical and theoretical research the book unveils the modus operandi of a highly secretive yet enduringly significant cultural industry By drawing attention to the cultural ubiquity and intersectionality of library music the collection also shifts emphasis from individual film and TV composers to the invisible community of music publishers writers and session musicians It argues that the latter were collectively responsible for

fashioning much of the sonic identity of 1960s and 1970s film and television As well as providing a nuanced understanding of historical library music cultures the collection shows how they continue to inform contemporary audiovisual cultures Life After Life Paddy Armstrong, Mary-Elaine Tynan, 2017-03-10 Paddy Armstrong was one of four people falsely convicted of The Guildford Bombing in 1975 He spent fifteen years in prison for a crime he did not commit Today as a husband and father life is wonderfully ordinary but the memory of his ordeal lives on Here for the first time and with unflinching candour he lays bare the experiences of those years and their aftermath Life after Life is a testament to the resilience of the human spirit and the power of forgiveness It reminds us of the privilege of freedom and how the balm of love family and everyday life can restore us and mend the scars of even the most savage injustice This book captures the sweet soul of Paddy Beautifully written For lovers of freedom everywhere Jim Sheridan *King of Merrymaking* Pasquale De Marco, 2025-07-16 In the world of comedy few names shine as brightly as Benny Hill With his infectious laugh slapstick humor and clever wordplay Hill brought joy and laughter to millions around the world This comprehensive biography takes readers on a journey through the life and career of this beloved comedian from his humble beginnings in Southampton England to his rise to stardom on television and film King of Merrymaking delves into the formative years of Benny Hill exploring the influences that shaped his unique comedic style Readers will learn about his early performances in variety shows and on radio as well as the challenges and setbacks he faced on his path to success The book also provides an in depth analysis of Hill s groundbreaking television show The Benny Hill Show This long running program featured a mix of sketches slapstick humor and musical numbers that captivated audiences worldwide Readers will gain insights into the creative process behind the show and the talented team that brought it to life Beyond his television success King of Merrymaking also examines Benny Hill s film career and his work as a recording artist Hill appeared in several popular films including Those Magnificent Men in Their Flying Machines and Chitty Chitty Bang Bang and he released a number of comedy albums that were met with critical and commercial acclaim This biography not only celebrates Benny Hill s achievements but also explores the personal side of the man behind the laughter Readers will learn about his relationships his struggles with health problems and the controversies that sometimes surrounded him King of Merrymaking is a comprehensive and entertaining tribute to one of the greatest comedians of all time Through a combination of insightful storytelling and rare archival material this book offers a unique perspective on Benny Hill s life and work ensuring that his legacy continues to inspire and entertain generations to come If you like this book write a review **Tommy Steele** Sebastian Lassandro, 2021-07-11 The first ever complete and authorised biography of Britain s first rock n roller and all round entertainment legend Fully approved and endorsed by Sir Tommy Steele himself the first time he has given approval for such a work to be completed A completely comprehensive and detailed study of Tommy s incomparable 65 year career Handsomely illustrated with rare and archival photographs from Tommy Steele s archive Foreword by Sir Tim Rice with direct contributions from Dame Judi Dench Petula Clark Elaine Paige Paul

Nicholas Lesley Ann Warren and also from many of Tommy's theatrical co-stars. In the summer of 1956 while on shore leave from the Merchant Navy Thomas Hicks was spotted playing a new type of music in a coffee bar in London. Having never heard anything like this rock performed in Britain he became an overnight sensation never returning to his ship. He changed his name to Tommy Steele and for 65 years he has been Britain's greatest showman. In a remarkable career spanning radio, records, Broadway and Hollywood Tommy Steele started the rock revolution in the UK before moving to lighter family entertainment and becoming a well-loved household name. He received an OBE for Services to Entertainment in 1979 and a knighthood for Services to Entertainment and Charity in 2020. He has conquered the West End, Hollywood and Broadway, holds records for the longest running one-man show in the London's West End and also the record for most appearances at the hallowed London Palladium. However, his remarkable career has never been detailed accurately and comprehensively until now. Authorised by Sir Tommy Steele himself, *A Life in the Spotlight* offers readers a detailed insight into the career of an unrivalled entertainment legend with countless facts, stories, details and anecdotes never before committed to print.

Geek Six: A hell of a read. Film School Rejects: The key to an entertaining autobiography is a combination of good stories to tell and a distinctive life. Armstrong has them both. Library Journal: Armstrong has done it all. Empire: A spills n thrills ride through a fast-forward life in pictures. The Times: Armstrong takes us on the spectacular journey of his life that left me wondering who would be brave enough to play him in a movie. What a legacy. What a life. What a book. Geeks of Doom: Think you don't know Vic Armstrong? Wrong. You've seen his work in countless films. He's been a stunt double for James Bond, Indiana Jones and Superman, and he's directed action scenes for three Bond movies, Mission Impossible 3, Thor, and the upcoming The Amazing Spider-Man, to name but a few. Counting: Harrison Ford, Steven Spielberg and Arnold Schwarzenegger among his friends and officially credited in the Guinness Book.
