

ELIAS KAPLAN'S CH' YEMSEN

Shady Niamshala

Yemen is the Arab country that has possibly contributed most significantly to Arab day culture in America: material literature, medical history, and religious movements, movements in the Middle East, the capital, Aden, around some one of the military strongholds of the British Empire surrounded by partly British colonies under a British government which, in constant with modernized Aden, were prisoners of ancient ideas of social and political life. Surprisingly, it was South Yemen that was chosen as a laboratory for testing the ability to create power by the Movement of Arab Nationalism (M.A.N.), one of the other groups of post-Arab nationalists, along with Nasserism and Ba'athism. The M.A.N. created there a strictly clandestine political organization — the National Front — to trigger and lead a broad popular armed struggle for liberation.

A five-year armed struggle further enhanced the radicalization of the M.A.N. that had originated a diverse set of political actors inspired by different ideologies and their consequences — Nasser's Egypt, Ba'ath's China, the USSR, the world war, socialist movements, revolutionary China, and the Algerian war of liberation. In numerous violent clashes with its rivals the M.A.N. made the support base, mainly because it had received the most a broad power base in the international, where it had outperformed many other and other countries in its national front. The ideological process, a new level of religious, the radicalizing influence of collective violence, and the political skills of the leaders of the left wing of the M.A.N. originated a more surprising critical turn of the newly independent state — to Islamism.

Professor Fred Halliday, author of *Arabia without Borders*, has written that "no one is better qualified to address this issue than Shady Niamshala, a Russian specialist long resident in South Yemen and personally acquainted with many of its key actors. His account of South Yemen's politics in the 1970s draws extensively on interviews and Arabic sources, and sets the analysis in its social and regional context."

Professor Shady Niamshala is a prominent Russian scholar who worked in education in Moscow and in China and has lived for many years in the Arab world. His long conversations with many of the characters described in this book have allowed him great insight into this most intriguing period in Yemen's history, inseparable to politics.

Red Wolves Of Yemen

Anne-Linda Amira Augustin

Red Wolves Of Yemen:

Red Wolves of Yemen Vitalii Viacheslavovich Naumkin, 2004 *Yemen and the World* Laurent Bonnefoy, 2018 The influence of Yemen and its people extends far beyond its nominal borders both historically and in the present day as Laurent Bonnefoy reveals

South Yemen's Independence Struggle Anne-Linda Amira Augustin, 2021-11-30 A bold firsthand account of one of the persistent Arab uprisings in Yemen At its beginning in 2007 the Southern Movement in South Yemen was a loose merger of different people most of them former army personnel and state employees of the People's Democratic Republic of Yemen PDRY who were forced from their jobs after the war in 1994 only four years after the unification between the PDRY and the Yemen Arab Republic This bold ethnographic account of a persistent Arab uprising in a rarely studied corner of the Middle East explores why the Southern Movement has grown so tremendously during the last decade and how it developed from a primarily social movement demanding social rights into a mass protest movement claiming independence for a state that had long vanished from the world map Anne Linda Amira Augustin asks why so many young people born after 1990 joined the movement and demanded the re-establishment of a state that they had never themselves experienced At the core of South Yemeni resistance lies the transmission from generation to generation of a dominant counternarrative which may be seen as the continuation and rehabilitation of the PDRY's national narrative This narrative amplified through everyday communication in families and neighborhoods but also by media makers journalists school and university teachers civil society actors and by the movement's activists opposes the national unity narrative of the Republic of Yemen and intensifies the demands for an independent state

Hadhramaut and its Diaspora Noel Brehony, 2017-06-30 The Hadhramis of Yemen have migrated for centuries in large numbers establishing a diaspora that extends around the Indian Ocean Saudi Arabia and the other Gulf States This migration has deeply affected the host countries as well as Hadhramaut itself Yet the region has not been able to use its population size capabilities or resources to wield significant political influence in successive Yemeni regimes This book examines the people of the Hadhrami diaspora who travelled as religious scholars traders labourers and soldiers to understand their enduring influence and identity In doing so the book explores key aspects of their history including the impact of Yemeni nationalist movements the significance of land reforms the importance of social and tribal origins and how the Hadhrami resisted European domination as a Muslim community Although a distinctive part of geographical Yemen Hadhramaut was not regarded as a Yemeni political entity until the twentieth century This research asks if the recent turmoil in Yemen following the Arab Spring the growth of Al Qaeda and ISIS and war involving a coalition led by Saudi Arabia will produce even greater instability in the region or perhaps lead to a united Yemen a restored South Yemen or even to Hadhramaut as an independent state

A History of Counterinsurgency Gregory Fremont-Barnes, 2015-05-05 This two volume history of counterinsurgency covers all the major and many of the lesser known examples of this widespread and enduring form of conflict addressing the various measures employed in the

attempt to overcome the insurgency and examining the individuals and organizations responsible for everything from counterterrorism to infrastructure building How and when should counterinsurgency be pursued as insurgency is growing in frequency and conversely while conventional warfare continues to decline as a means by which political rivals seek to impose their will upon each other What lessons from the past should today's policymakers strategists military leaders and soldiers in the field keep in mind while facing off against 21st century insurgents This two volume set offers a comprehensive history of modern counterinsurgency covering the key examples of this widespread and enduring form of conflict It identifies the political military social and economic measures employed in attempting to overcome insurgency examining the work of the individuals and organizations involved demonstrating how success and failure dictated change from established policy and carefully analyzing the results Readers will gain valuable insight from the detailed assessments of the history of counterinsurgency that demonstrate which strategies have succeeded and which have failed and why After an introductory essay on the subject each chapter provides historical background to the insurgency being addressed before focusing on the specific policies pursued and actions taken by the counterinsurgency force Each section also provides an assessment of those operations including in most cases an analysis of lessons learned and where appropriate their relevance to counterinsurgency operations today The set's coverage spans modern counterinsurgencies from Europe to Asia to Africa since 1900 and includes the ongoing counterinsurgency operations in Afghanistan today Its wide international approach to the subject makes the set a prime resource for readers seeking specific information on a particular conflict or a better understanding of the general theories and practices of counterinsurgency [The Cold War](#) Spencer C. Tucker, 2020-10-27

This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies diplomatic initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals wars battles weapons systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps are inset throughout to provide additional context to the material **Encyclopedia of Insurgency and**

Counterinsurgency Spencer C. Tucker, 2013-10-29 A fascinating look at the insurgencies and counterinsurgencies

throughout history with a concentration on the 20th and 21st centuries This encyclopedia examines insurgencies and the counterinsurgency efforts they prompt through history addressing military actions and the techniques and technologies employed in each conflict significant insurgency leaders and the leading theorists with emphasis on the small wars of the 20th century and most recent decades The clear concise entries provide a breadth of coverage that ranges from the Maccabean Revolt in 168 143 BCE and the Peasants Revolt in Germany in the 1500s to the American Revolutionary War and the ongoing insurgency in Syria Readers will gain a solid understanding of how insurgency warfare and counterinsurgency COIN strategy has played a key role in the U S conflicts in Afghanistan and Iraq in the early 21st century and grasp how this important military strategy has evolved during modern times

Radical Islam in Central Asia Vitaly V.

Naumkin,2005-03-03 This original study by distinguished scholar Vitaly V Naumkin offers an authoritative analysis of the key militant Islamic organizations in Central Asia Long veiled in secrecy the Islamic Movement of Uzbekistan Hizb at Tahrir al Islami and the Islamic Revival Party of Tajikistan are illuminated here for the first time Drawing on his extensive fieldwork and an unprecedented array of Central Asian primary sources the author thoroughly compares their doctrines power bases and political practices The book also explores the history of political Islam in Central Asia and explains the concurrent roots of Islamic militancy from the early disputes between Salafis and traditionalists through the period of Islamic revival in the late 1980s when radical groups first emerged and up to their growing strength today Naumkin analyzes the human dimension in Central Asian Islam through the lives of the most significant theologians mullahs underground preachers and teachers in the region evaluating their role in the spread of Islamic radicalism Providing fresh insight into the balance between peaceful and militant means of struggle for power used by Islamic movements the author considers into the possibility of dialogue with the Islamists and the outcome of the Tajik experiment that brought former Islamic radicals into the government All those interested in the development of political Islam will find this study an invaluable resource

Counter-Insurgency in Nigeria Akali Omeni,2017-09-08 This book offers a detailed examination of the counter insurgency operations undertaken by the Nigerian military against Boko Haram between 2011 and 2017 Based on extensive fieldwork conducted with military units in Nigeria Counter Insurgency in Nigeria has two main aims First it seeks to provide an understanding of the Nigerian military s internal role a role that today as a result of internal threats pivots towards counter insurgency The book illustrates how organizational culture historical experience institutions and doctrine are critical to understanding the Nigerian military and its attitudes and actions against the threat of civil disobedience today and in the past The second aim of the book is to examine the Nigerian military campaign against Boko Haram insurgents specifically plans and operations between June 2011 and April 2017 Within this second theme emphasis is placed on the idea of battlefield innovation and the reorganization within the Nigerian military since 2013 as the Nigerian Army and Air Force recalibrated themselves for COIN warfare A certain mystique has surrounded the technicalities of COIN operations by the

Army against Boko Haram and this book aims to disperse that veil of secrecy Furthermore the work s analysis of the air force s role in counter insurgency is unprecedented within the literature on military warfare in Nigeria This book will be of great interest to students of military studies counter insurgency counter terrorism African politics and security studies in general

Mad Mitch's Tribal Law Aaron Edwards,2014-04-30 Aden 20 June 1967 two army Land Rovers burn ferociously in the midday sun The bodies of British soldiers litter the road Thick black smoke bellows above Crater town home to insurgents who are fighting the British backed Federation government Crater had come to symbolise Arab nationalist defiance in the face of the world s most powerful empire Hovering 2 000 ft above the smouldering destruction a tiny Scout helicopter surveys the scene Its passenger is the recently arrived Commanding Officer of the Argyll and Sutherland Highlanders Lieutenant Colonel Colin Mitchell Soon the world s media would christen him Mad Mitch in recognition of his controversial reoccupation of Crater two weeks later Mad Mitch was truly a man out of his time Supremely self confident and debonair he was an empire builder not dismantler and railed against the national malaise he felt had gripped Britain s political establishment Drawing on a wide array of never before seen archival sources and eyewitness testimonies Mad Mitch s Tribal Law tells the remarkable story of inspiring leadership loyalty and betrayal in the final days of British Empire It is above all a shocking account of Britain s forgotten war on terror LIFE ,1964-09-18 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use *Middle East Conflicts from Ancient Egypt to the 21st Century* Spencer C. Tucker,2019-08-27 With more than 1 100 cross referenced entries covering every aspect of conflict in the Middle East this definitive scholarly reference provides readers with a substantial foundation for understanding contemporary history in the most volatile region in the world This authoritative and comprehensive encyclopedia covers all the key wars insurgencies and battles that have occurred in the Middle East roughly between 3100 BCE and the early decades of the twenty first century It also discusses the evolution of military technology and the development and transformation of military tactics and strategy from the ancient world to the present In addition to the hundreds of entries on major conflicts military engagements and diplomatic developments the book also features entries on key military political and religious leaders Essays on the major empires and nations of the region are included as are overview essays on the major periods under consideration The book additionally covers such non military subjects as diplomacy national and international politics religion and sectarian conflict cultural phenomena genocide international peacekeeping missions social movements and the rise to prominence of international terrorism The reference entries are augmented by a carefully curated documents volume that offers primary sources on such diverse topics as the Greco Persian Wars the Crusades and the Arab Israeli Wars **Slavery in the Modern Middle East and North Africa** Elena Andreeva, Kevin McNeer,2024-05-30 What is the nature of slavery as

practiced and at times reintroduced over the past two centuries in the Middle East and North Africa In spite of the rich regional diversity of the areas studied from Morocco to the Indian Ocean to Iran this anthology demonstrates clear commonalities across the super region These include the regulation of slavery by Islam and local traditions the absence of a rigid racial hierarchy as in North American slavery the management of the sexuality and reproductive capacity of female slaves and views on identity and heritage among descendants of slaves Authors also examine the economic and theological underpinnings of contemporary slavery and human trafficking The book is among the first to focus on slavery across the Islamic world from the 19th century to the present a period constituting the endgame of institutionalized slavery in the region but also the persistence of forms of de facto enslavement Each chapter scrutinizes from a different vantage point institutions economics the abolitionist movement literature folklore and the moving image creating a multi dimensional picture of the phenomenon The authors have mined government archives and statistics memoirs interviews photographs drawings songs cinema and television Not only are Arabic Persian and Turkish sources leveraged but a variety of materials in minor and endangered languages such as Soqotri Balochi and Sorani Kurdish in addition to European languages

The Poisoned Well Roger Hardy, 2019 In *The Poisoned Well* veteran BBC journalist Roger Hardy presents a realist s history of the Middle East by weaving together stories of political strife and vivid firsthand accounts to illustrate that the current conflicts and crises of the Middle East are borne out of the troubled legacy of Western imperialism in the region

Civil Resistance in the Arab Spring Adam Roberts, Michael J. Willis, Rory McCarthy, Timothy Garton Ash, 2016-01-07 Civil resistance especially in the form of massive peaceful demonstrations was at the heart of the Arab Spring the chain of events in the Middle East and North Africa that erupted in December 2010 It won some notable victories popular movements helped to bring about the fall of authoritarian governments in Tunisia Egypt Libya and Yemen Yet these apparent triumphs of non violent action were followed by disasters wars in Syria anarchy in Libya and Yemen reversion to authoritarian rule in Egypt and counter revolution backed by external intervention in Bahrain Looming over these events was the enduring divide between the Sunni and Shi a branches of Islam Why did so much go wrong Was the problem the methods leadership and aims of the popular movements or the conditions of their societies In this book experts on these countries and on the techniques of civil resistance set the events in their historical social and political contexts They describe how governments and outside powers including the US and EU responded how Arab monarchies in Jordan and Morocco undertook to introduce reforms to avert revolution and why the Arab Spring failed to spark a Palestinian one They indicate how and why Tunisia remained precariously the country that experienced the most political change for the lowest cost in bloodshed This book provides a vivid illustrated account and rigorous scholarly analysis of the course and fate the strengths and the weaknesses of the Arab Spring The authors draw clear and challenging conclusions from these tumultuous events Above all they show how civil resistance aiming at regime change is not enough building the institutions and the trust necessary for reforms to be

implemented and democracy to develop is a more difficult but equally crucial task *The Middle East* ,2004 Keystone of

22 SAS Alan Hoe,2019-03-30 This British military biography tells the full story of the Lieutenant Colonel who helped turn the 22nd SAS into the world's leading special forces unit Despite its successes during World War II the future of the British Army's Special Air Service was uncertain for years afterward In the 1950s it was resurrected as the 22nd SAS Regiment to take part in the Malayan Emergency and over time evolved into one of the British military's most important units This renaissance was brought about by a small group of highly motivated officers Of these Lieutenant Colonel John Woodhouse stood out for his energy expertise and courage Written by an SAS insider this biography demonstrates how Woodhouse played a pivotal role in transforming the 22nd SAS into an elite fighting force Woodhouse led the regiment through campaigns in Oman Borneo Radfan and South Arabia as it built its unrivaled reputation After leaving the Army Woodhouse became a sought after counter terrorist consultant taking an advisory and active role in operations worldwide While Colonel Sir David Stirling publicly acknowledged Woodhouse as a cofounder of the 22nd SAS the full story of his role has not been widely recognized As this fascinating book reveals without his efforts there would probably be no 22nd SAS today LIFE ,1964-09-18 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use **King Faisal of Saudi Arabia**

Alexei Vassiliev,2013-03-01 In 1964 Faisal bin Abdul Aziz became king of a country holding a quarter of the world's oil reserves also home to Mecca and Medina He was called the most powerful Arab ruler in centuries Eleven years later in front of television cameras his nephew shot him at point blank range In this authoritative biography Alexei Vassiliev tells the story of a pious cautious and resolute leader who steered Saudi Arabia through a minefield of domestic problems inter Arab relations and the decline of Soviet influence in the Middle East King Faisal maintained ties with both Egypt and the United States through two Arab Israeli wars and the 1973 Arab oil embargo which revolutionized the world energy market Throughout he staked high hopes on cooperation with the US a relationship that is still vital to both countries interests Exhaustively researched and including original documents and interviews in Arabic Russian and English King Faisal of Saudi Arabia Personality Faith and Times offers a unique perspective of this seminal figure and is key to understanding the Arab world today **Confronting the Colonies** Rory Cormac,2014-03-01 Moving the debate beyond the place of tactical intelligence in counterinsurgency warfare Confronting the Colonies considers the view from Whitehall where the biggest decisions were made It reveals the evolving impact of strategic intelligence upon government understandings of and policy responses to insurgent threats Confronting the Colonies demonstrates for the first time how in the decades after World War Two the intelligence agenda expanded to include non state actors insurgencies and irregular warfare It explores the challenges these emerging threats posed to intelligence assessment and how they were met with varying degrees of success

Such issues remain of vital importance today By examining the relationship between intelligence and policy Cormac provides original and revealing insights into government thinking in the era of decolonisation from the origins of nationalist unrest to the projection of dwindling British power He demonstrates how intelligence mis understood the complex relationship between the Cold War nationalism and decolonisation how it fuelled fierce Whitehall feuding and how it shaped policymakers attempts to integrate counterinsurgency into broader strategic policy

Reviewing **Red Wolves Of Yemen**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
