Redburn, His First Voyage Herman Melville, 1971-01-01 Yes I will go to sea cut my kind uncles and aunts and sympathizing patrons and leave no heavy hearts but those in my own home and take none along but the one which aches in my bosom Cold bitter cold as December and bleak as its blasts seemed the world then to me there is no misanthrope like a boy disappointed and such was I with the warmth of me flogged out by adversity But these thoughts are bitter enough even now for they have not yet gone quite away and they must be uncongenial enough to the reader so no more of that and let me go on with my story
