Reddos Raiders Memoirs Of A B17 Bomber Aircraft:

Reddo's Raiders James J. Redmond, 2004 While I Am is the story of Se a young boy who is driven to explore his boundaries Se feels trapped inside the Dark School but to get out he must first break free from the dominion of three girls that mesmerize him With the help of his best friend Crea he journeys through new worlds all the while preserving his unalienable rights of life liberty and the pursuit of happiness I have expanded my world into that of another self and I met with love I have explored the universe of material existence and I discovered compassion I looked inward to discover my own self only to find wisdom And I arrived at G Written in a playful tone the novel outlines a fresh new philosophy on how one can get to G a place that follows from the teachings of Eastern Philosophies a concept that is compatible with contemporary science and a being with characteristics as prescribed by Western religions But only those who indeed take the journey will realize that G is by no means a final destination but only a beginning a beginning to discover what happens to human spirituality once we are able to unify it all that makes us human

Twenty-Seven-Eighty Blues Robert L. Thornton, 2006-01-01 The B 17 was called a Flying Fortress because of its fire power not because of its ability to protect its crew There was very little armor to do that In most places the only thing between the crew and Mother Earth sometimes more than four miles below was a thin sheet of Alclad aluminum As the aircraft struggled through acres of punishing flak or was attacked by enemy fighters there was no place to hide Twenty Seven Eighty Blues is the personal memoir of a WWII ROBG a Radio Operator Mechanic Gunner who called this widely celebrated aircraft his Guardian Angel you had to practically blow her out of the sky to knock her down he says Oh the stories I could tell you about this once mighty aircraft
