Redemption The Life Of Henry Roth:

Redemption Steven G. Kellman, 2005 In following author Henry Roth's tortured life from his childhood on the Jewish Lower East Side to his twilight years in New Mexico literary critic Steven Kellman has uncovered FBI files spoken with family members and friends and gained access to the tape in which Roth discussed the long buried incest of his youth *A Study Guide for Henry Roth's "Call It Sleep"* Gale, Cengage Learning, 2016 A Study Guide for Henry Roth's *Call It Sleep* excerpted from Gale's acclaimed *Literary Themes for Students The American Dream* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Literary Themes for Students The American Dream* for all of your research needs **Trinity of Passion** Alan M. Wald, 2011-04-01 The second of three volumes by Alan Wald that track the political and personal lives of several generations of U S left wing writers *Trinity of Passion* carries forward the chronicle launched in *Exiles from a Future Time The Forging of the Mid Twentieth Century Literary Left* In this volume Wald delves into literary emotional and ideological trajectories of radical cultural workers in the era when the International Brigades fought in the Spanish Civil War 1936-39 and the United States battled in World War II 1941-45 Probing in rich and haunting detail the controversial impact of the Popular Front on literary culture he explores the ethical and aesthetic challenges that pro Communist writers faced Wald presents a cross section of literary talent from the famous to the forgotten the major to the minor The writers examined include Len Zinberg aka Ed Lacy John Oliver Killens Irwin Shaw Albert Maltz Ann Petry Chester Himes Henry Roth Lauren Gilfillan Ruth McKenney Morris U Schappes and Jo Sinclair He also uncovers dramatic new information about Arthur Miller's complex commitment to the Left Confronting heartfelt questions about Jewish masculinity racism at the core of liberal democracy the corrosion of utopian dreams and the thorny interaction between antifascism and Communism Wald re-creates the intellectual and cultural landscape of a remarkable era *Lives of the Novelists* Carl Rollyson, 2005-10 Is there a right way to write a literary life In this collection of columns from the *New York Sun* Carl Rollyson explores the relationship between narrative and literary analysis Should biographies be written in the style and form of novels How to balance the life and the work How much literary criticism can a biography absorb into its narrative Rollyson proposes a number of apologies for biography including the thought that in the right hands the literary biography is a continuation not only of the writer's work and life In such instances there seems to be a symbiosis between biographer and subject In other cases biographies spearhead the rediscovery of important writers He rejects the idea that literary figures are not good subjects for biography because they are not men and women of action That literary biography is a kind of strip mining a pathography laying bare the subject's life to no good purpose is another canard this book demolishes The pieces here also expose the genre's weak points a proclivity for overstatement and excessive length the failure of biographers to build upon their predecessors' work Rollyson invents a term biographology in order to discuss the biographical tradition **How the Other Half Looks** Sara

Blair, 2020-07-14 New York City's Lower East Side long viewed as the space of what Jacob Riis notoriously called the other half was also a crucible for experimentation in photography film literature and visual technologies This book takes an unprecedented look at the practices of observation that emerged from this critical site of encounter showing how they have informed literary and everyday narratives of America its citizens and its possible futures Taking readers from the mid nineteenth century to the present Sara Blair traces the career of the Lower East Side as a place where image makers writers and social reformers tested new techniques for apprehending America and their subjects looked back confronting the means used to represent them This dynamic shaped the birth of American photojournalism the writings of Stephen Crane and Abraham Cahan and the forms of early cinema During the 1930s the emptying ghetto opened contested views of the modern city animating the work of such writers and photographers as Henry Roth Walker Evans and Ben Shahn After World War II the Lower East Side became a key resource for imagining poetic revolution as in the work of Allen Ginsberg and LeRoi Jones and exploring dystopian futures from Cold War atomic strikes to the death of print culture and the threat of climate change How the Other Half Looks reveals how the Lower East Side has inspired new ways of looking and looking back that have shaped literary and popular expression as well as American modernity

Profane Christopher S. Grenda, 2014-08-15

Humans have been uttering profane words and incurring the consequences for millennia But contemporary events from the violence in 2006 that followed Danish newspaper cartoons depicting the Prophet Mohammed to the 2012 furor over the Innocence of Muslims video indicate that controversy concerning blasphemy has reemerged in explosive transnational form In an age when electronic media transmit offense as rapidly as profane images and texts can be produced blasphemy is bracingly relevant again In this volume a distinguished cast of international scholars examines the profound difficulties blasphemy raises for modern societies Contributors examine how the sacred is formed and maintained how sacrilegious expression is conceived and regulated and how the resulting conflicts resist easy adjudication Their studies range across art history politics law literature and theology Because of the global nature of the problem the volume's approach is comparative examining blasphemy across cultural and geopolitical boundaries

American Biography Carl Rollyson, 2006-02-22 This collection of reviews selected from Rollyson's New York Sun column is as much about the romance of biography as it is about the American lives Certain concerns resonate throughout the book the American left's failure to reckon with Communist subversion McCarthyism and Stalinism the problematic nature of authorized biography the history of American biography definitive biographies literary biography the differences between autobiography and biography the importance of interviews in biographies of contemporary figures the differences between history and biography comparative biographies the virtues of short biographies and of biographies for children the tendency of biographers to fictionalize and of novelists to biographize psychology and biography Rollyson's own experience as a biographer and the way biographers treat one another's work Too many biographers he believes evince no interest in the biographical tradition Concerned only with possession of their

subjects their proprietorial attitude deforms not only their biographies but also the genre itself If biography is reviewed badly receiving hardly more than a summary of the subject's life with a perfunctory nod to the biographer it is because the biographical tradition has been disregarded or discounted This book in other words has been written on the behalf of biography a genre that still awaits a full vindication Henry Roth's Semi-autobiographical Tetralogy *Mercy of a Rude Stream* (1994-1998) Alan Gibbs, 2008 **Exiles on Main Street** Julian Levinson, 2008-07-02 How have Jews reshaped their identities as Jews in the face of the radical newness called America Julian Levinson explores the ways in which exposure to American literary culture in particular the visionary tradition identified with Ralph Waldo Emerson and Walt Whitman led American Jewish writers to a new understanding of themselves as Jews Discussing the lives and work of writers such as Emma Lazarus Mary Antin Ludwig Lewisohn Waldo Frank Anzia Yezierska I J Schwartz Alfred Kazin and Irving Howe Levinson concludes that their interaction with American culture led them to improvise new and meaningful ways of being Jewish In contrast to the often expressed view that the diaspora experience leads to assimilation *Exiles on Main Street* traces an arc of return to Jewish identification and describes a vital and creative Jewish American literary culture An American in the Making M. E. Ravage, 2009-05-19 At the turn of the twentieth century M E Ravage set off in steerage for America one of almost two million Jews who like millions of others from eastern and southern Europe were lured by tales of worldly success Seventeen years after arriving on Ellis Island Ravage had mastered a new language found success in college and engagingly penned in English this vivid account of the ordeals and pleasures of departure and assimilation Steven G Kellman brings Ravage's story to life again in this new edition providing a brief biography and introduction that place the memoir within historical and literary contexts *An American in the Making* contributes to a broader understanding of the global notion of America and remains timely especially in an era when massive immigration now from Latin America and Asia challenges ideas of national identity Bohemian Bolsheviks Alan M. Wald, 2025-04-03 The rubric *Bohemian Bolsheviks* captures Alan Wald's sustained fascination with persistent contradictions between the image of Left political commitment and the actuality of experience especially in relation to cultural work and cultural workers Marxist political alignment engages a welter of intimate and biographical factors enriching the record of a varied history of fiction poetry literary criticism and other intellectual practices Exploring a field of study marked by enduring paradoxes of modernity this volume is a sharp reminder that historical narrative not only shapes our sense of the terrain under our feet but also the horizon in front of us Literary Writing in the 21st Century Anis Shivani, 2020-02-24 In *Literary Writing in the 21st Century* an incredible array of today's leading fiction writers poets critics editors publishers and booksellers engage in no holds barred dialogue about the challenging issues facing writing and publishing today Whether it's the impact of innovative technologies proliferation of new modes of teaching and learning changing economic dynamics for publishers shifting criteria to judge quality writing in a global context or redefinitions of authorship amidst larger cultural changes this book provides a cornucopia of strongly

articulated opinions It also serves as a manual for students enrolled in formal programs of creative writing as well as those pursuing writing independently Deploying his signature wit and unconventional insights these wide ranging cultural conversations are mediated by one of our most thought provoking literary critics and are sure to prompt spirited dialogue both inside and outside the classroom

Congress Gerald Sorin illuminates the connections among Fast's Jewishness his writings and his left wing politics and explains Fast's attraction to the Party and the reasons he stayed in it as long as he did Recounting the story of his private and public life with its adventure and risk love and pain struggle failure and success Sorin also addresses questions such as the relationship between modern Jewish identity and radical movements the consequences of political myopia and the complex interaction of art popular culture and politics in twentieth century America A notable study of a thorny protagonist whose life has much to reveal about the times in which he lived and about the interplay of political belief personal identity art and ambition Publishers Weekly Sorin has written a heavily researched critical biography of Fast The volume's strength is its explication and analysis of the complex social and political context of Fast's activism and creative work Sorin's lengthy critique of Fast's adherence to Communism long after most American writers and intellectuals had abandoned the party and his shameful public silence on Stalin's crimes and Soviet anti-Semitism are of significant import Recommended Choice An intriguing biography not least for its examination of how Fast interwove his political activism his Jewishness and his art during the heyday of McCarthyism Recommended Recorder Melbourne Ecstasy and Terror Daniel Mendelsohn, 2019-10-08 The role of the critic Daniel Mendelsohn writes is to mediate intelligently and stylishly between a work and its audience to educate and edify in an engaging and preferably entertaining way His latest collection exemplifies the range depth and erudition that have made him required reading for anyone interested in dissecting culture The Daily Beast In *Ecstasy and Terror* Mendelsohn once again casts an eye at literature film television and the personal essay filtering his insights through his training as a scholar of classical antiquity in illuminating and sometimes surprising ways Many of these essays look with fresh eyes at our culture's Greek and Roman models some find an arresting modernity in canonical works *Bacchae* the *Aeneid* while others detect a Greek DNA in our responses to national traumas such as the Boston Marathon bombings and the assassination of JFK There are pieces on contemporary literature from the aesthetics of victimhood in Hanya Yanagihara's *A Little Life* to the uncomfortable mixture of art and autobiography in novels by Henry Roth Ingmar Bergman and Karl Ove Knausgård Mendelsohn considers pop culture too in essays on the feminism of *Game of Thrones* and on recent films about artificial intelligence a subject he reminds us that was already of interest to Homer This collection also brings together for the first time a number of the award-winning memoirist's personal essays including his critic's manifesto and a touching reminiscence of his boyhood correspondence with the historical novelist Mary Renault who inspired him to study the Classics *"Something Dreadful and Grand"* Stephen Watt, 2015 This book traces the often uncanny relationships between Irish and Jewish America arguing for the centrality of these two diasporic groups to the development of American popular music fiction and especially drama
