explains how the Christian experience changed over the last four hundred years and how the twelve step process reconnects a spiritually seeking person to a deeper Christ experience that many mainstream churches cannot duplicate In preparation for this journey into studying the sermon he takes the reader on a historical church odyssey and highlights significant philosophical church and secular events that not only affected Christian thought but also were significant in altering how current Christians view Christ He also demonstrates why early Christians viewed Christ differently By providing this background he prepares the reader to study the sermon in a manner the early church did while simultaneously demonstrating why the twelve steps represent a reconnection to an almost lost and forgotten Christ experience Complementing this journey is an exhaustive examination of biblical Greek so that the reader may gain a deeper understanding of the sermon in its original majestic splendor This challenging and thought provoking book unlocks the deeper meanings of many biblical passages and greatly enhances a spiritual seekers walk The Journey Thomas Herrington,2010-11 Life is more than a destination Every life has a beginning and an end but it is what transpires between these two points that defines the person and changes those he comes in contact with Jesus life serves as an example of a life lived truly lived where in every moment He embraced the divine appointments along the pathway before Him One day Jesus headed to the Gerasenes to share God s love but on the way a possessed man was set free a woman with a chronic illness was healed a girl was raised from the dead and a family was forever changed This day had no agenda no three ring binder of to do lists and yet every step of the way was an appointment to bring Heaven to the broken and bring glory to God The same is true with us Every moment is a divine opportunity to see God at work God seeks to capture us to have us fully aware that each step each breath is intertwined with His will He wants us to listen to learn and to serve Him every moment The pages of this book will speak to you and encourage you to acknowledge the lessons from God that are all around and to remind you that God s purpose is fulfilled in each step of your life on The Journey Flirting with Faith Joan Ball,2010-05-11 As a thirty seven year old highly skeptical deeply rational woman Joan had it all loving family extravagant home a high profile career even personal contentment So Joan was more surprised than anyone when she was relieved in an instant from the luxury of spiritual doubt and compelled to realign her life around practices of faith about which she was a novice With an unexplainable desire to pursue whatever God had for her at whatever cost was called for Joan left her high salary profession sold her home and all her furniture with her husband s support and started life from a blank slate Finally realizing that she had been flirting with faith since she was a young teen Joan fell in love with the God who had been pursuing her Joan candidly shares the story of her radical life change as she moved from atheist to agnostic in addiction recovery to the unexpected moment when she was struck Christian As Joan lets go of control and convention her skepticism is gradually replaced with a realization that embracing her new faith with radical abandon led to a far more mysterious and countercultural lifestyle than she d ever imagined **The Jesus of My Grief** Kate Kelty,2014-06-27 On February 22 2005
