**Rediscovering Jesus** Dr. Tony Foster, 2022-01-25 Rediscovering Jesus is a book about taking a fresh new look at the claims of this amazing historical figure name Jesus Christ I say this in all humility but honestly I believe in my experience over the last 32 years of being a Christian and working with churches that the church has many misconceptions about who Jesus is When you do not have a proper understanding of the Bible as a Christian then your foundation will be faulty You cannot build a house to last

for generations on a faulty foundation I have taken an apologetic approach to writing this book Apologetics can be defined as a defense of the Christian faith Apologetics is giving a rational presentation for and providing the intellectual basis of the truth claims of biblical Christianity I wanted to give the reader enough information where it s not too academic but academic enough that you could have a theological historical and philosophical understanding of the claims of Jesus I pray that this book will give you a revelation and understanding of the greatest man who ever lived Jesus Christ I believe that Jesus is fully God and fully man The purpose of this book is to show the evidence that you will know and consider that Jesus is truly the Son of God And that you may receive him as your Lord and Savior In this critical time in our history the only answer to true freedom and liberty is by Rediscovering Jesus the true Savior of the world      **Rediscovering Jesus** Tony Foster,2022-01-25

whereby there are rampant uncontrolled changes in cultures technologies economic policies and even people s religious lives is very urgent How is contextual theology relevant in the ever changing contexts of the church in Africa Indeed there are a number of challenges which contextual theology faces within the church in Africa which need to be addressed contextually Some such challenges include poverty rampant violence homosexuality alcoholism the resurgence of prosperity gospel materialistic prophets and incurable illnesses like Ebola HIV and AIDS and the current coronavirus COVID 19 However which context in Africa Context in Africa as in other parts of the world is always in flux it is complex and fluid There is no permanent context The experience of Jesus in such a changing context needs to be rediscovered depending on what transpires in each particular place at a particular time This book addresses some of the overarching challenges that face contextual theology and how such challenges should be addressed by the church in Africa in contemporary ever changing context for it to be relevant in Africa It also highlights the need to move from liberation and inculturation theologies to reconstruction theology in dealing with the challenges of the current church Hence the book is important to students and scholars engaging in practical systematic biblical and contextual theologies in all their branches Freeing Jesus Diana Butler Bass,2021-03-30 The award winning author of Grateful goes beyond the culture wars to offer a refreshing take on the comprehensive multi faceted nature of Jesus keeping his teachings relevant and alive in our daily lives How can you still be a Christian This is the most common question Diana Butler Bass is asked today It is a question that many believers ponder as they wrestle with disappointment and disillusionment in their church and its leadership But while many Christians have left their churches they cannot leave their faith behind In Freeing Jesus Bass challenges the idea that Jesus can only be understood in static one dimensional ways and asks us to instead consider a life where Jesus grows with us and helps us through life s challenges in several capacities as Friend Teacher Savior Lord Way and Presence Freeing Jesus is an invitation to leave the religious wars behind and rediscover Jesus in all his many manifestations to experience Jesus beyond the narrow confines we have built around him It renews our hope in faith and worship at a time when we need it most **Ruining Christmas—Rediscovering Jesus** Carl N. Jewish Jesus Research and its Challenge to Christology Today Walter Homolka, 2016-10-05 Historical Jesus research

Jewish or Christian is marked by the search for origins and authenticity The various Quests for the Historical Jesus contributed to a crisis of identity within Western Christianity The result was a move back to the Jewish roots For Jewish scholars it was a means to position Jewry within a dominantly Christian culture As a consequence Jews now feel more at ease to relate to Jesus as a Jew For Walter Homolka the Christian challenge now is to formulate a new Christology between a Christian exclusivism that denies the universality of God and a pluralism that endangers the specificity of the Christian understanding of God and the uniqueness of religious traditions including that of Christianity Another Christ Andrew Mayes, 2014-10-16 Growth in Christlikeness is a goal for all Christians and especially for those in leadership But the images of Christ that have become the institutional norm refer to a model of pastoral ministry that seems to allow no scope for innovation or eccentricity In this riveting book Andrew Mayes explores how the first century setting of Jesus reveals his identity as builder hermit rebel mystic reveller jester iconoclast revealer and enigma liberator traveller and mentor brother and trail blazer The aim of *Another Christ* is to encourage us to see how these images can inform the practice and spirituality of leadership today and to this end each chapter ends with a set of penetrating questions and ideas for further reading

*Intellectuals Don't Need God and Other Modern Myths* Alister E. McGrath, 2010-12-21 Rethinking Effective Apologetics for the Present Age Christians have always had to defend their faith against all kinds of criticism and misunderstandings but these attacks change overtime and the strongest arguments of the famous classical apologists who preceded us are not necessarily the strongest today *Intellectuals Don't Need God* is written to today's faithful apologists who are trying to commend Christianity in terms of its relevance to everyday life and not just its inherent rationality Its focuses are Understanding and overcoming the barriers of faith in today's culture Presenting the points of contact between daily life and spiritual longing Demonstrating the apologetics of today in action Theologian and scientist Dr Alister McGrath author of the ECPA 2014 Christian Book Award Winning biography of C S Lewis shows convincingly that appeal to reason is only one of many possible bridges between the non Christian and the gospel In today's world cerebral and emotional concerns such as a sense that life lacks purpose or a deep sense of longing for something unknown are often more effective starting points for modern apologetics Dr McGrath combines the clarity of a brilliant scientific mind with a deep commitment to Christ and to reaching non Christians *Intellectuals Don't Need God* is for apologists and seekers alike for both those defending and questioning the validity and value of Christianity *Union with Christ* Michael Brautigam, 2016-02-25 *Union with Christ* is the first extensive work on the Christology of Swiss theologian Adolf Schlatter 1852-1938 It offers fresh insights not only to readers interested in Adolf Schlatter's theology in particular but also to students and professionals from the historical and dogmatic disciplines in general The first part of the book sets the scene by tracing the biographical context of Schlatter's Christological thinking It explores Schlatter's evaluation of Kantianism of the revival movement of Ritschl and the Ritschl school and of dialectical theologians particularly Karl Barth Based on this analysis the second part of the work examines the

dogmatic shape of Schlatter's relational Christology in more detail From the perspective of Schlatter's theological triad of seeing act thinking act and life act it investigates his relational account of Jesus Christ against the backdrop of a distinct Trinitarian framework According to Schlatter Jesus reveals his divinity on the cross as he is able to maintain fellowship with God in spite of God's forsakenness mediated by the Holy Spirit and he reveals his humanity by remaining in close communion with sinners transforming them and gathering them into the new community of faith Inventing Christic Jesuses, Volume 1 Charles A. Wilson, 2017-11-09 Inventing Christic Jesuses is the first comprehensive proposal for how revisionist theology can deploy historical Jesus research in a methodologically sophisticated way Rejecting positions that insulate theology from Jesus research the proposal sets out warrants and rules for a quested Christology in dialogue with an analysis of the conduct of historians of Jesus from the period of the Third Quest c 1980-2010 The volume Method analyzes for theology the methods and values of historical research on Jesus It argues that the methodic construction of historical images of Jesus in conversation with sources is simultaneously a retrojective activity of value production First in defining the terms of the inquiry Wilson locates a middle ground between hostility to questing and a too ready application of historical results to Christology He then identifies rules and warrants for the deployment of Jesus research in theology and reconstructs the notion of the retrojection of value in the production of a historical Jesus The volume ends with a case study of retrojective Jesus production an analysis and assessment of the new notion that Jesus is a sage in the tradition of wisdom **Union with Christ** Rankin Wilbourne, 2016-07-01 Winner of the 2017 Christian Book Award for New Author Named one of the top books of 2016 by John Piper's Desiring God ministry To experience why the gospel is good news and answer life's most foundational questions about identity destiny and purpose we must understand what it means to be united to Christ If you are a Christian the Bible says that Christ has united his life to yours that you are now in Christ and Christ is in you This almost unfathomable truth is the central theme of the Bible from Genesis to Revelation Yet few Christians today experience or enjoy this reality Union with Christ reveals the transformational power of this ancient doctrine while addressing the basic questions of the human heart Who Am I Why Am I Here Where Am I Headed How Will I Get There Nothing is more practical for living the Christian life than union with Christ The recovery of this reality provides the anchor and engine for your life with God for your destiny is not only to see Christ but to actually become like him
