**In a Dark Wood** Alston Chase,2017-07-12 In a Dark Wood presents a history of debates among ecologists over what constitutes good forestry and a critique of the ecological reasoning behind contemporary strategies of preservation including the Endangered Species Act Chase argues that these strategies in many instances adopted for political rather than scientific reasons fail to promote biological diversity and may actually harm more creatures than they help At the same time Chase offers examples of conservation strategies that work but which are deemed politically incorrect and ignored In a Dark Wood provides the most thoughtful and complete account yet written of radical environmentalism And it challenges the fundamental but largely unexamined assumptions of preservationism such as those concerning whether there is a balance of nature whether all branches of ecology are really science and whether ecosystems exist In his new introduction Chase evaluates the response to his book and reports on recent developments in environmental science policy and politics In a Dark Wood was judged by a recent national poll to be one of the one hundred best nonfiction books written in the English language during the twentieth century A smashing good read this book will be of interest to environmentalists ecologists philosophers biologists and bio ethicists and anyone concerned about ecological issues [Life from the Press Box](#)

Jim Street,2014-10-06 Jim Street learned early in his career that fairness and accuracy were two of the most important words of his profession From the beginning to the end of his forty year career as a sportswriter covering major league baseball and professional football on the West Coast Street strived to listen to both sides of each story and print the truth Street chronicles his intriguing sportswriting career beginning in high school when he discovered his passion for writing while covering beats for the local newspaper the Butte Valley Star As he moves through his career Street details his experiences working alongside iconic athletes and coaches that included O J Simpson Randy Johnson Joe Montana Bill Walsh John Madden and Ichiro Suzuki while sharing fascinating insight into what it was like to cover the Oakland Athletics famed Mustache Gang in 1972 featuring future Hall of Fame legends Catfish Hunter Reggie Jackson and Rollie Fingers several

World Series and All Star games the first World Baseball Classic two Super Bowls four Rose Bowls the Kentucky Derby and the men s and women s US Open golf tournaments Life from the Press Box shares memories from the forty year career of a former MLB com beat reporter and long time baseball writer who played a significant role during a bygone era
