Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin

Dan Caldwell

Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin:

Reexamining The Soviet Experience David Holloway, Norman Naimark, 1996-02-15 How did we study the Soviet Union before and in what ways must we adjust our approaches and habits to take account of new opportunities and pitfalls How do current developments in the USSR's successor states alter or deepen our understanding of the Soviet experience These questions are explored here in thorough examinations of specific problems that arose during the authors recent research and writing as well as in the emergence and evolution of the field of Soviet studies and in the development of the Soviet social and political institutions themselves

Russia's Bitter Path to Modernity Alexander Chubarov, 2001-01-01 Will it follow the model of the Western capitalist democracies as those who applied the economic shock therapy of the early 90s hoped or will it chose its own distinct path of development In this history of Russia from 1917 to the present Alexander Chubarov teases out certain themes developed in his previous book on tsarist Russia *The Fragile Empire* One of the key factors to Russia's distinctiveness is its halfway location in the center of the Eurasian landmass This lends an inevitability to the traditional cultural schism between Westernizing reformers and Slavophiles Neither approach says Chubarov will work on its own Chubarov offers a balanced view abstaining from narrow ideologically biased assessments and examines the triumphs yes and failures of Russia's Soviet development within Russia's own cultural and historical context Without ever minimizing the brutalities of the Soviet period the state terror the collectivizations the labor camps the deportations of whole peoples Chubarov demonstrates much continuity between tsarist and Soviet Russia with the latter often repeating the former's mistakes Russia says Chubarov cannot turn its back on its Soviet experience Far from being a blind alley or aberrant phase the Soviet period was an organic part of Russia history and was largely successful in turning Russia and most of the other Soviet republics into modern states

Russia's Revolution from Above, 1985-2000 Gordon Hahn, 2018-04-27 The fall of the Soviet communist regime in 1991 offers a challenging contrast to other instances of democratic transition and change in the last decades of the twentieth century The 1991 revolution was neither a peaceful revolution from below as occurred in Czechoslovakia nor a negotiated transition to democracy like those in Poland Hungary or Latin America It was not primarily the result of social modernization the rise of a new middle class or of national liberation movements in the non Russian union republics Instead as Gordon Hahn argues the Russian transformation was a bureaucrat led state based revolution managed by a group of Communist Party functionaries who won control over the Russian Republic RSFSR in the mid 1990s Hahn describes how opportunistic Party and state officials led by Boris Yeltsin defected from the Gorbachev camp and proceeded in 1990-91 to dismantle the institutions that bound state and party These revolutionaries from above seized control of political economic natural and human resources and then separated the party apparatus from state institutions on Russian Republic territory With the failed August 1991 hard line coup Yeltsin banned the Communist Party and decreed that all Union state organs including the KGB and military were under RSFSR control In Hahn's account this mode of revolutionary change

from above explains the troubled development of democracy in Russia and the former Soviet republics Hahn shows how limited mobilization of the masses stunted the development of civil societies and the formation of political parties and trade unions with real grass roots The result is a weak society unable to nudge the state to concentrate on institutional reforms society needs for the development of a free polity and economy Russia's Revolution from Above goes far in correcting the historical record and reconceptualizing the Soviet transformation It should be read by historians economists political scientists and Russia area scholars **The Lights that Failed** Zara S. Steiner, Zara Steiner, 2007 In *The Lights that Failed* Steiner challenges the assumption that the Treaty of Versailles led to the opening of a second European war and provides an analysis of the attempts to reconstruct Europe during the 1920s OCLC **Anatomy of Mistrust** Deborah Welch Larson, 2000 Synthesizing different understandings of trust and mistrust from the theoretical traditions of economics psychology and game theory Larson analyzes five cases that might have been turning points in U S Soviet relations

Building the General Relativity and Gravitation Community During the Cold War Roberto Lalli, 2017-08-21 This monograph presents a new perspective on the history of general relativity It outlines the attempts to establish an institutional framework for the promotion of the field during the Cold War Readers will learn the difficulties that key figures experienced and overcame during this period of global conflict The author analyzes the subtle interconnections between scientific and political factors He shows how politics shaped the evolution of general relativity even though it is a field with no military applications He also details how different scientists held quite different views about what political meant in their efforts to pursue international cooperation The narrative examines the specific epistemic features of general relativity that helped create the first official international scientific society It answers Why did relativity bring about this unique result Was it simply the product of specific actions of particular actors having an illuminated view of international relations in the specific context of the Cold War Or was there something in the nature of the field that inspired the actors to pioneer new ways of international cooperation The book will be of interest to historians of modern science historians of international relations and historians of institutions It will also appeal to physicists and interested general readers *The Soviet Elite from Lenin to Gorbachev* Evan Mawdsley, Stephen White, 2000-03-09 Although the product of a self proclaimed proletarian revolution Soviet Russia was always dominated by an elite Basing itself upon nearly two thousand people who served on the Communist Party's Central Committee from 1917 to 1991 this is the first book to study the elite that ruled the world's largest country throughout the entire period of Soviet rule It is also the first to make full use of the rich sources available since the collapse of Communism The authors profile the elite as a whole and looks more closely at fifteen individual members identifying four elite generations The book examines the evolving connection between Central Committee membership and administrative functions the changing power and privileges of the elite and its relationship with the population the Communist party and the top leaders and the surprising extent to which the elite managed to maintain its position into the early years of post

communist Russia **The Demise of the Soviet Union** Jan Hallenberg, 2018-05-08 This title was first published in 2002 Designed as a research text for academics in higher education and interested practitioners this volume weaves together an original strand of international relations theory with key empirical case studies of the United States United Kingdom France and Sweden and their attitudes towards the Soviet Union Original in nature and composition the book deals with aspects of predictability in foreign policy and gauges the level of impact that international events have on domestic levels of awareness The hypothesis and the typology are solid giving the book its strong analytical structure In sum this book is cutting edge It will be of great use as a research text to those studying the countries of Western Europe and also those with an interest in Russia and the Soviet Union Given its strong theoretical content and its choices of case study this cross disciplinary text is also suitable for area studies in general The Second Generation Andreas W. Daum, Hartmut Lehmann, James J. Sheehan, 2015-12-01 Of the thousands of children and young adults who fled Nazi Germany in the years before the Second World War a remarkable number went on to become trained historians in their adopted homelands By placing autobiographical testimonies alongside historical analysis and professional reflections this richly varied collection comprises the first sustained effort to illuminate the role these men and women played in modern historiography Focusing particularly on those who settled in North America Great Britain and Israel it culminates in a comprehensive meticulously researched biobibliographic guide that provides a systematic overview of the lives and works of this second generation Russia's 1996 Presidential Election: The End of Polarized Politics Michael McFaul, 1997 Alexander L. George: A Pioneer in Political and Social Sciences Dan Caldwell, 2018-07-20 Alexander L George was one of the most productive and respected political scientists of the late twentieth century He and his wife Juliette George wrote one of the first psychobiographies and Professor George went on to write seminal articles and books focusing on political psychology the operational code foreign policy decisionmaking case study methodology deterrence coercive diplomacy policy legitimacy and bridging the gap between the academic and policymaking communities This book is the first and only one to contain examples of the works across these fields written by Alexander George and several of his collaborators This is a collection of Alexander L George's works from the major fields to which he contributed There are biographical essays by his wife and co author Juliette L George daughter Mary George Douglass former student Dan Caldwell and professional colleague Janice Gross Stein There are 25 photographs of Alexander L George and his family which have not previously been published **Russia's Unfinished Revolution** Michael A. McFaul, 2015-05-15 For centuries dictators ruled Russia Tsars and Communist Party chiefs were in charge for so long some analysts claimed Russians had a cultural predisposition for authoritarian leaders Yet as a result of reforms initiated by Mikhail Gorbachev new political institutions have emerged that now require election of political leaders and rule by constitutional procedures Michael McFaul traces Russia's tumultuous political history from Gorbachev's rise to power in 1985 through the 1999 resignation of Boris Yeltsin in favor of Vladimir Putin McFaul divides his account of the post Soviet

country into three periods the Gorbachev era 1985 1991 the First Russian Republic 1991 1993 and the Second Russian Republic 1993 present The first two were he believes failures failed institutional emergence or failed transitions to democracy By contrast new democratic institutions did emerge in the third era though not the institutions of a liberal democracy McFaul contends that any explanation for Russia's successes in shifting to democracy must also account for its failures The Russian Soviet case he says reveals the importance of forging social pacts the efforts of Russian elites to form alliances failed leading to two violent confrontations and a protracted transition from communism to democracy McFaul spent a great deal of time in Moscow in the 1990s and witnessed firsthand many of the events he describes This experience combined with frequent visits since and unparalleled access to senior Russian policymakers and politicians has resulted in an astonishingly well informed account Russia's Unfinished Revolution is a comprehensive history of Russia during this crucial period

After the Collapse of Communism Michael McFaul, Kathryn Stoner-Weiss, Kathryn Stoner, 2004-09-06 Publisher Description **Problematic Sovereignty** Stephen D. Krasner, 2001 Daniel Deudney Johns Hopkins University coeditor of Contested Grounds Security and Conflict in the New Environmental Politics **Russia in the Age of Wars, 1914-1945** Silvio Pons, Andrea Romano, 2000 **1996** Massimo Mastrogregori, 2014-02-21 Annually published since 1930 the International bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The works are arranged systematically according to period region or historical discipline and within this classification alphabetically The bibliography contains a geographical index and indexes of persons and authors

The Caucasus Emirate Mujahedin Gordon M. Hahn, 2014-10-23 Russia's North Caucasus mujahedin of the self declared Caucasus Emirate and the history thereof is part and parcel of the global jihadi revolutionary movement which includes but is no longer led by Al Qaeda This book corrects the inadequate previous treatments of the violence in the Caucasus almost all of which explain what ought to be called the rise of jihadism in the Caucasus solely in terms of Russian actions The author brings the international jihadist and local North Caucasian causes back into the picture detailing the global Jihadist Islamist revolutionary movement's propagation of the jihadi method and material support to nationalist and Islamic extremists in Chechnya and the Caucasus since the mid 1990s Like jihadi groups in Afghanistan and Pakistan Iraq Syria and Africa the Caucasus Emirate is an Al Qaeda ally and de facto affiliate It represents a threat to Russian U S and international security as evidenced by terrorist plots perpetrated or inspired by it in Belgium the Czech Republic Denmark Spain Azerbaijan and Boston

The Bolsheviks and Britain during the Russian Revolution and Civil War, 1917-24 Evgeny Sergeev, 2022-06-16 This book analyses the principal aspects of the relations between Soviet Russia USSR and Britain in the crucial phase of their formation namely the period from 1917 to 1924 Using previously unavailable and largely unknown archival records and memoirs published by statesmen diplomats and military commanders directly involved in the events Evgeny Sergeev not only

reconstructs the dynamics of the interaction between Moscow and London but also strips its key episodes of common myths and stereotypes The most debatable issues to which this study draws its primary attention include Britain's role in the Entente armed intervention against the Bolshevik regime as well as a series of reciprocal attempts to avoid political controversies and London's contribution to humanitarian aid and the economic recovery of post revolutionary Russia Special consideration is also given to the impact of British diplomacy on the recognition of the USSR by other great powers like France Italy and Japan in the mid 1920s

The Russian Revolution and Civil War 1917-1921 Jonathan

Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917-1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state

Days of Defeat and Victory Yegor Gaidar, 2012-03-15

Yegor Gaidar the first post Soviet prime minister of Russia and one of the principal architects of its historic transformation to a market economy here presents his lively account of governing in the tumultuous early 1990s Though still in his forties Gaidar has already played a pivotal role in contemporary Russian political history championing the cause of dramatic economic reform aggressive privatization of state enterprises and painful fiscal discipline in the face of widespread popular resistance Gaidar's youthfulness energy and daring are symbolic of a new phenomenon in Russian politics the emergence of a younger generation of politicians with a distinctly technocratic bent looking firmly to the United States and Europe for inspiration and sharing little of the old generation's nostalgia for Communist stability It was largely the implementation of Gaidar's policies that drove the Russian parliament to rebel against Boris Yeltsin in 1993 leading to the bloody tank assault on the parliament itself Though Yeltsin prevailed it was clear that the political and social costs of shock therapy were too great for Russia's fragile democracy to bear and Gaidar himself was ousted to appease the conservatives His unfinished agenda was put on hold though he later returned when Yeltsin needed to placate international financial forces Gaidar remains active in Russian politics having formed his own political party Russia's Democratic Choice In this book he brings his story through Yeltsin's cliffhanger re election in 1996 and assesses the still precarious state of the market reforms and democratic politics

When people should go to the ebook stores, search launch by shop, shelf by shelf, it is in fact problematic. This is why we present the book compilations in this website. Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin Introduction

In the digital age, access to information has become easier than ever before. The ability to download Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin has opened up a world of possibilities. Downloading Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When

downloading Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin Books

What is a Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing

Reexamining The Soviet Experience Essays In Honor Of Alexander Dallin

and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
