Mothering, Time, and Antimaternalism Mary Trigg,2023-02-24 The book aims to broaden understanding of the diverse positions and meanings of motherhood by investigating understudied and marginalized mothers rural itinerant African American and Irish Catholic American between 1920 and 1960 Fuelled by anxieties around feminism a perception of men s loss of status and masculinity racial tensions and fears about immigration antimaternalism discourse blamed mothers for a wide range of social ills in the first half of the 20th Century Mothering Time and Antimaternalism considers the ideas practices and depictions of antimaternalism and the ways that mothers responded Religion class race ethnicity gender and immigration status are all analysed as factors shaping maternal experience The book develops the historical context of American motherhood between 1920 and 1960 examining how changing ideas scientific motherhood time efficiency devaluation of domesticity racial and religious bias influenced the construction and experiences of motherhood This is a fascinating and important book suitable for students and scholars in history gender studies cultural studies and sociology

*Transatlantic Footholds* Stephanie Palmer,2019-07-16 Transatlantic Footholds Turn of the Century American Women Writers and British Reviewers analyses British reviews of American women fiction writers essayists and poets between the periods of literary domesticity and modernism The book demonstrates that a variety of American women writers were intelligently read in Britain during this era British reviewers read American women as literary artists as women and as Americans While their notion of who counted as women was too limited by race and class they eagerly read these writers for insight about how women around the world were entering debates on women s place the class struggle religion Indian policy childrearing and high society In the process by reading American women in varied ways reviewers became hybrid and dissenting readers The taste among British reviewers for American women s books helped change the predominant direction that high culture flowed across the Atlantic from east to west to west to east Britons working in London or far afield were deeply invested in the idea of America America their responses prove is a transnational construct *Library Journal Book Review* 1980 Jaques Cattell Press,1983-06 **Bibliographic Guide to Womens Studies 1998** New York Public Library Staff,1999-08 Quarterly List of Additions ,1912 **Patriarchy** Pavla Miller,2017-06-14 Patriarchy particularly as embedded in the Old and New Testaments and Roman legal precepts has been a powerful organising concept with which social order has been understood maintained enforced contested adjudicated and dreamt about for over two millennia of

western history This brief book surveys three influential episodes in this history seventeenth century debates about absolutism and democracy nineteenth century reconstructions of human prehistory and the broad mobilisations linked to twentieth century women s movements It then looks at the way feminist scholars have reconsidered and revised some earlier explanations built around patriarchy The book concludes with an overview of current uses of the concept of patriarchy from fundamentalist Christian activism over foreign policy analyses of oppressive regimes to scholarly debates about forms of effective governance By treating patriarchy as a powerful tool to think with rather than a factual description of social relations the text makes a useful contribution to current social and political thought [Preview](#) ,1991 **Illustrated**
