Reflections On A Workplace Visit

This email was written from one pastor to his mentor, reflecting on the power of visiting congregants at work.

Workplace Visit

Hey John,

I think you'll love Steve Garber who is our local pastor who spends time in their congregants' places of work. He suggested that maybe 30 minutes prior to a lunch appointment with someone, we should meet at his/her place of work, get a tour, ask lots of questions, and get a sense of what they do all day every day. After all, Garber said, each our congregants spend upwards of 2 hours a week at our place of work (worship, midweek, prayer meeting etc.) watching us do what we do.

Reflections From The Workplace

Fiona Timmins

Reflections From The Workplace:

Reflections for the Workplace Bruce N. Hyland, Merle J. Yost, 1997 All of us want our work life to be successful and rewarding Yet there are common challenges that everyone faces and most of us are unsure how to handle What do you do when you notice your coworker not doing his fair share you assume you know what your boss wants needs and expects and you re wrong you have to do a task at work and you don t know how you didn t get along with your old boss and you need a reference for a new job what do you do Reflections for the Workplace shows you how to deal gracefully with workplace problems and make the most of your opportunities

Reflections from the Workplace Rex P. Gatto, 1995-12-01 This book is for everyone interested in the dynamics of the workplace Its message and insights are particularly appropriate for personal development human resources development workshops work related counseling and business development and change workshops This book will get people talking about how the workplace affects them The reflections provide organizational and individual insights

Healthcare Professionalism Lynn V. Monrouxe, Charlotte E. Rees, 2017-02-21 Healthcare Professionalism Improving Practice through Reflections on Workplace Dilemmas provides the tools and resources to help raise professional standards within the healthcare system Taking an evidence and case based approach to understanding professional dilemmas in healthcare this book examines principles such as applying professional and ethical guidance in practice as well as raising concerns and making decisions when faced with complex issues that often have no absolute right answer Key features include Real life dilemmas as narrated by hundreds of healthcare students globally A wide range of professionalism and inter professionalism related topics Information based on the latest international evidence Using personal incident narratives to illustrate these dilemmas as well as regulatory body professionalism standards Healthcare Professionalism is an invaluable resource for students healthcare professionals and educators as they explore their own professional codes of behaviour

A-Z of Reflective Practice Fiona Timmins, 2015-08-27 This new text provides a jargon free user guide to the key concepts models and techniques of reflective practice from one of the leading writers in the field A one stop source book it can be used both by the beginner as a handbook and by the more experienced practitioner as a guide to other sources of thinking and information

Daily Reflections for Educators, Coaches, Leaders, and Life Constant Hine, 2024-06-25 With Daily Reflections for Educators Coaches Leaders and Life build a practice of daily reflection to transform your teaching and leadership Reflection is the best way to bring sticky sustainable change Developing a reflective mindset helps us become self empowered lifelong problem solvers who create meaningful and fulfilling lives both personally and professionally Coaches leaders and all agents of change in early childhood education need to hone their own reflective practices not only to gain self awareness and make mindful decisions but also to facilitate reflection with the people they support Through reflection we make intentional choices to achieve the success we desire Reflection is not an event not just an activity but a lifestyle This book offers 12 reflective themes for cultivating both personal and professional self realization

and becoming a transformational change agent who helps others do the same There are 365 entries one for each day of the year Each entry has a quotation with a commentary to feed the day's reflection as well as a suggestion for reflective practice One entry every week offers the opportunity to review the previous week or sets up a focus for the coming week

Practicing Critical Reflection in Social Care Organisations Jan Fook, 2021-09-09 This book explores concrete examples of different strategies and activities aimed at creating and embedding critically reflective learning and working environments within organisations whose prime function is social care Critical reflection has long been recommended as a general professional skill and is a core component of the practice capabilities in social work in countries across the Western world However despite unequivocal support for it in social work education sustaining critical reflection within organisations as both an individual and collective practices supported by organisational cultures is problematic With contributions from social work practitioners and educators who have sought to embed critical reflection into broader activities and cultures within their organizations the book addresses common features of critical reflection and challenges and benefits in specific case studies This book will inspire and develop new thinking and vision about being critically reflective in organisations and facilitate efforts to improve the learning and working experience in addition to that of service quality and delivery It will be required reading for all undergraduate and postgraduate social work modules focusing on management leadership organizational change and professional education

Reflective Practice in Education and Social Work Robyn Ewing, Fran

Waugh, David L. Smith, 2021-12-14 This book offers unique interdisciplinary insights into developing connections between reflective practice and employability particularly through the lenses of the education and social work professions It recognises the various meanings that can be applied to the notion of reflection and examines the challenges of using reflective practice in the workplace The chapters explore the tensions that arise from preparing professionals to be agents of change and concerned with social justice and equity Further the book provides much needed perspective on how diverse positions can be identified and leveraged and shared meanings negotiated in the creation of meaningful professional learning resources for early career teachers and social workers and across the career continuum Bringing together contributions from internationally renowned scholars *Reflective Practice in Education and Social Work* is essential reading for early career and experienced professionals in education and social work academics and practitioners seeking further professional development in reflective practice
