Reflections Of A Fisherman:

Reflections of a Fisherman Geoffrey A. Smith,1987 *The Doryman's Reflection* Paul Molyneaux,2017-07-25 What happens when the oceans are emptied of all their fish What happens when three hundred years of human knowledge and expertise disappear before the onslaught of the technology driven world The Doryman s Reflection is simply the most accurate and eloquent account of what transpired in the New England fisheries over the past half century as told by the people who lived it including author Paul Molyneaux Fishermen survive as relics the last hunter gatherers among us Their boats crammed with ropes and nets carry the mystique of a nearly forgotten world ruled by the elements Now an accomplished writer Molyneaux as a young man journeyed to Maine with no experience and a dream of working on a boat This is the story of his apprenticeship with Bernard Raynes one of Maine s last independent commercial fishermen The Doryman s Reflection speaks to those who want to know what really happened and what will happen on our oceans Part coming of age memoir part biography it is a very personal account of what families in this dying but important industry face each day Molyneaux shares his own history as a young man seeking the fisherman s life in Maine and Alaska Originally published in 2005 it has been thoroughly updated to cover the events of the past ten years Told through the life of the colorful and engaging Bernard Raynes The Doryman s Reflection is alive and real and powerful far from a dry pedantic treatise on the economics of commercial fishing

The Philosophical Fisherman Harold Blaisdell,2015-08-04 My favorite book on fishing a classic from one of my favorite writers John Randolph former editor Fly Fisherman Earthy and philosophical practical yet speculative this book is a wonderful and enduring portrait of a fisherman s temperament Full of the late Harold F Blaisdell s infectious humanity and wisdom The Philosophical Fisherman long out of print is a classic Blaisdell is always independent and original in his thinking He refutes the widely held theory that game fish attack artificial lures because they believe them to be baitfish He argues that fish do not fear leaders per se but become alarmed only if the leader results in the unnatural movement of the bait or lure He debunks the vaunted effectiveness of the artificial nymph explores the best methods of wet and dry fly fishing and tests his theories against such gamefish as trout smallmouth bass landlocked salmon walleyes and northern pike There is something here for everyone who fishes including a persuasive argument that the average angler anywhere in the country can invariably find superb fishing with in hour s drive of his home Skyhorse Publishing is proud to publish a broad range of books for fishermen Our books for anglers include titles that focus on fly fishing bait fishing fly casting spin casting deep sea fishing and surf fishing Our books offer both practical advice on tackle techniques knots and more as well as lyrical prose on fishing for bass trout salmon crappie baitfish catfish and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home

Fisherman's Luck Henry Van Dyke, 2007-09-01 There is good browsing among the leaves of the wood and the grasses of the meadow as every well instructed angler knows The bright emerald tips that break from the hemlock and the balsam like verdant flames have a pleasant savour to the tongue The leaves of the sassafras are full of spice and the bark of the black birch twigs holds a fine cordial Crinkle root is spicy but you must partake of it delicately or it will bite your tongue Spearmint and peppermint never lose their charm for the palate that still remembers the delights of youth Wild sorrel has an agreeable sour shivery flavour Even the tender stalk of a young blade of grass is a thing that can be chewed by a person of childlike mind with much contentment
