Reflections On My Way Home:

Finding My Way Home Reddy Suzwe, 2010-03 I had asked the ultimate question what is Life before and so now my prayers were being answered I was about to find out for myself Never imagined this is how God was going to capture my heart but he did and so the journey begun This provided insight on how God healed my broken heart as he mended and repaired my being At first it felt like I went in for an open heart surgery and I was not on any medication so every single thing that was touched on I really felt it As painful as some of the things done to me in the past felt I came to understand that was the reason why my Lord was there so I chose to allow Him into my life for healing to begin It was in Him to give and so a new heart was provided for me to be able to live pain free As I accepted the gift I was given I felt the heart beat like never before A tear drop rolled down my cheek and I knew I was transformed I came to find out it was new life in me I was coming out a new person a new being who was no longer conformed to the world but renewed enlightened enriched I woke up and realized I was no longer sleeping beauty as I got the awakening To me that was healing from the house of heaven I was now free from heartache no longer day dreaming but living the dream The documentary touches on life experiences and showcases a woman's journey as she worked to free herself from oppression rebuilding her life to make it out of the wilderness alive It turned out to be a journey of a lifetime

Lilith's Reflection Brigitte Wynn Karey,2012-06 Lilith s Reflection explores the concept of possibilities rather than facts If facts dominate most of our daily thinking we d leave out possibilities that might exist in our lives the unseen from other dimensions that intercept our paths of life Things or events exist for a reason and there is more than one way to look into every situation Lilith was introduced as an orphan and a tragic victim who was abandoned by her psychopathic father at the

age of six She was mentally not well she thought at first Now she realized her condition has never been that simple Her illness wasn't strong enough to poison her mind but something else was Her mental illness was just the image she portrayed to others but her true self was far beyond her sickness Love in this novel is represented in an unnoticeable and unusual way rather than in a traditional way There is no such thing as the correct or the wrong way of loving someone Love could be in holiness or love could be in such sinfulness but love is love Lilith after countless struggles with her search for true love she had found not only her greatest love of all but also her true soul mate not for one life but for eternity Author Brigitte Wynn Karey is a lover of words The author expresses her thoughts not only to her audiences but also to herself Her ability to use words to express her thoughts creatively in her own way was excellent The imagination created in this book would let the audiences enjoy their mental imaginary visions as well as to open up the possibilities that they might have missed out

Hume's Reflection on Religion Miguel A. Badía Cabrera, 2012-12-06 This book presents a comprehensive interpretation of Hume's serious reflection on religion from the perspective afforded by his philosophical project and its Enlightened ends I relate his account of the origin development and significant effects of religious beliefs to his own historical works and conversely take the former as the leading thread into the disclosure of a Humean philosophy of history I also critically analyze his views about the eminently irrational and feigned character of most religious faith and its inevitable negative effect on morality Finally I examine Hume's attack on the validity of the conclusions of rational theology Reasonable support is provided for the claim that the belief in God as an intelligent author of the universe is a natural and reasonable belief This work may interest both scholars and general readers who are intrigued or troubled by religion and the issues of the utmost importance which it raises
