Reflections; Or Sentences and Moral Maxims Francois Duc de La Rochefoucauld, 2021-01-19 This famed work by a noted French author of the Renaissance era seventeenth century nobleman Francois de La Rochefoucauld offers hundreds of brief brutally honest observations of humankind and its self serving nature The perfect read for any realist or anyone with the desire to evaluate their moral standing this edition includes three supplements with additional maxims and essays *The Maxims (Bilingual Edition: French Text, with a Revised English Translation)* François de La Rochefoucauld, 2022-02-14 Of all the French epigrammatic writers La Rochefoucauld 1613 1680 is at once the most widely known and the most distinguished Voltaire said One of the works that most largely contributed to form the taste of the French nation and to diffuse a spirit of justice and precision is the collection of maxims by Francois duc de La Rochefoucauld though there is scarcely more than one truth running through the book that self love is the motive of everything yet this thought is presented under so many varied aspects that it is nearly always striking And Lord Chesterfield in his letters to his son Till you come to know mankind by your own experience I know no thing nor no man that can in the meantime bring you so well acquainted with them as La Rochefoucauld his little book of Maxims which I would advise you to look into for some moments at least every day of your life is I fear too like and too exact a picture of human nature I own it seems to degrade it but yet my experience does not

convince me that it degrades it unjustly The Maxims were first published in 1665 under the title Reflections or sentences and moral maxims and the edition of 1678 the fifth from which the text has been used for the present translation was the last revised by the author and published in his lifetime with maxims numbered 1 to 504 Maxims which appeared in previous editions and were suppressed by La Rochefoucauld can be found in the second part entitled Maxims withdrawn by the author here numbered 505 to 583 The French original of this bilingual edition was reviewed by Philippe Renaud The English translation originally by John William Willis Bund and James Hain Friswell has been thoroughly revised by Rebecca Hazell and Philippe Renaud *Reflections* John William Willis Bund, Francois La Rochefoucauld, 2019-03-06 REFLECTIONS; OR SENTENCES AND MORAL MAXIMS - Modern Translation Francois de la Rochefoucauld, 2025-05-09 Reflections or Sentences and Moral Maxims by Duke Francois de la Rochefoucauld is the most simple direct and profound non fiction book among all the books I have been able to read to date I have allowed myself the luxury of re editing the 1827 translation by J W Willis Bund correcting expressions and vocabulary that caused some confusion and distance from the original version With this collection of reflections and moral maxims the Second Duke de La Rochefoucauld undoubtedly crowns himself as one of the greatest exponents of sociology and psychology of his century and the centuries to come Despite the fact that it is 400 years since the publication of this work all his maxims are so accurate that it is difficult to find a single one of them whose veracity can be doubted today These are the maxims that appear on the cover of the book THERE IS GREAT TALENT IN KNOWING HOW TO CONCEAL ONE S OWN TALENT WE MAKE A VIRTUE OUT OF THE VICES WE CANNOT CORRECT SOME REPROACHES PRAISE SOME PRAISE REPROACH WE PROMISE OUT OF HOPE WE FULFILL OUT OF FEAR THE EVIL WE DO ATTRACTS LESS HATRED THAN OUR VIRTUES THE ONE WHO ADMIRES US IS ALWAYS LIKED THE ONE WE ADMIRE IS NOT ALWAYS LIKED THERE ARE MORE PEOPLE WITHOUT SELF LOVE THAN WITHOUT ENVY THERE ARE VERY FEW SENSIBLE PEOPLE ONLY THOSE WHO SHARE OUR OPINION I hope you enjoy it Reflections, Or Sentences and Moral Maxims François duc de La Rochefoucauld, 1900 **Reflections; Or Sentences and Moral Maxims** François duc de La Rochefoucauld, 2024-03-25 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision **Maximes Et Reflexions Morales** François de La Rochefoucauld, 2015-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we

concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Maxims François duc de La Rochefoucauld, 2001 English and French texts **Maxims** François de La Rochefoucauld, 2003-01 This is the first ever French English edition of La Rochefoucauld's *Reflexions ou sentences et maximes morales* long known in English simply as the *Maxims* The translation the first to appear in forty years is completely new and aims unlike all previous versions at being as literal as possible This involves among other things rendering the same word for example *amour propre* as self love as consistently throughout as good sense allows This also means that the translators have made every effort to maintain La Rochefoucauld's word order This allows the reader the best vantage point for viewing La Rochefoucauld's dramatic and paradoxical juxtapositions of words and ideas juxtapositions of the utmost importance to understanding his thought Despite the translation's concern with literalness careful attention has been paid to the nuances of the literary character of the *Maxims* **Maxims and Moral Reflections** François VI (duke de La Rochefoucauld), 1797
