Congress,1854      **Resisting Equality** Stephanie R. Rolph,2018-06-04 In *Resisting Equality* Stephanie R Rolph examines the history of the Citizens Council an organization committed to coordinating opposition to desegregation and black voting rights In the first comprehensive study of this racist group Rolph follows the Citizens Council from its establishment in the Mississippi Delta through its expansion into other areas of the country and its success in incorporating elements of its agenda into national politics to its formal dissolution in 1989 Founded in 1954 two months after the Brown v Board of Education decision by the U S Supreme Court the Council spread rapidly in its home state of Mississippi Initially the organization relied on local chapters to monitor signs of black activism and take action to suppress that activism through economic and sometimes violent means As the decade came to a close however the Council s influence expanded into Mississippi s political institutions silencing white moderates and facilitating a wave of terror that severely obstructed black Mississippians participation in the civil rights movement As the Citizens Council reached the peak of its power in Mississippi its ambitions extended beyond the South Alliances with like minded organizations across the country supplemented waning influence at home and the Council movement found itself in league with the earliest sparks of conservative ascension cultivating consistent messages of grievance against minority groups and urging the necessity of white unity Much more than a local arm of white terror the Council s work intersected with anticommunism conservative ideology grassroots activism and Radical Right organizations

that facilitated its journey from the margins into mainstream politics Perhaps most crucially Rolph examines the extent to which the organization survived the successes of the civil rights movement and found continued relevance even after the Council's campaign to preserve state sanctioned forms of white supremacy ended in defeat Using the Council's own materials papers from its political allies oral histories and newspaper accounts *Resisting Equality* illuminates the motives and mechanisms of this destructive group      *Selections from the Letters and Diaries of Brevet-Brigadier General Willoughby Babcock of the Seventy-fifth New York Volunteers* Willoughby Babcock, Willoughby Maynard Babcock, 1922 Excerpts from General Babcock's diaries and letters which illustrate camp life for Union soldiers during the Civil War based in part on experiences in Florida Louisiana Maryland Virginia and New York covering a period in his life from Jan 1860 Sept 1864 The General then Colonel Babcock died on Oct 6 1864 from wounds suffered at the Battle of Winchester Va on Sept 19 1864
