on Choosing Successor

By ROBERT C. DORT  
Senior Staff Writer, The New York Times  
PARIS, Monday, Oct. 29.—President de Gaulle won the referendum battle in his homeland, halting, nevertheless, but not overturning, widespread hopes of support for his resignation with presidential elections.

In the face of complete unofficial returns early this morning, 60.76 per cent of the valid ballots cast were in favor of the President's proposal to elect his successor by popular vote instead of by the two round college of electors "provisionally" specified in the present Constitution.

But, with abstentions running at about 34 per cent of the electorate, General de Gaulle had only a minority—about 48 per cent—of the registered voters backing him.

Of 21,078,676 registered voters, 21,064,032 went to the polls and

UNITED NATIONS, N.Y., Oct. 28.—U. Thant, the Acting Secretary General, said today to Cuba Tuesday with his top assistants to discuss arrangements for a United Nations observance on the dismantling of the two missiles and the halting of the building of bases.

Mr. Thant plans to stop in Cuba only long enough to visit Premier Fidel Castro's acceptance of the Thant plan to halt missile bases in August and to urge Premier Khrushchev's agreement to dismantle the missiles in compliance with the Security Council's demand.

In a message to President Kennedy, the Soviet leader said that he already had ordered the dismantling of the two missile bases and the halting of the building of bases.

Senior Staff Writer, The New York Times  
WASHINGTON, Oct. 28.—President Kennedy and Premier Khrushchev reached apparent agreement today on a formula to end the crisis over Cuba and to begin talks on making tomorrow a relief area.

Premier Khrushchev pledged the Soviet Union to stop work on its missile sites in Cuba, to dismantle the weapons and to cease them and take them down. All this would be done under supervision of United Nations representatives.

President Kennedy, for his part, pledged the lifting of the United States blockade when the United Nations had taken the "necessary measures," and that the United States would no longer Cuba.
