

### Theater Attendance Reflection

For my theater attendance, I went to see the production of Legally Blonde at Reynolds Theater in the Bryan Center. I really enjoyed this rendition of the classic show, largely because of the musical numbers and festive costumes. Legally Blonde is based off of the movie about a stereotypical “dumb blonde” who spends all of her time shopping and primping. When her longtime boyfriend, Warren, breaks up with her to go to Harvard Law School and be with someone more “serious”, Elle decides she’s going to become the type of woman Warren left her for and get admitted into Harvard Law School to become an attorney. By the end, she changes everyone’s perception of her and discovers her new passion while realizing she deserves so much better than Warren.

I most thoroughly enjoyed Elle’s performance and I was intrigued by her take on the well known character. It is often difficult to play characters that the audience recognizes because there is already an expectation for you to perform or act a certain way that corresponds to the versions they’ve seen. This can make it difficult for an actor to make a character their own, but Elle did a really nice job of personalizing her character. She definitely pushed the boundaries of her character and performed the archetype of a “dumb blonde” very dramatically but not over the top. It was done in a way that only emphasized her transformation by the end and I admire how an actress can embody those dynamics on stage. I also liked watching the actor who played Warren perform because you could tell he was a beginner and took his role very seriously, which I appreciated as both an audience and someone who recognizes the effort that goes into performing.

## Reflections On The Theatre:

*Reflections on the Theatre* Jean-Louis Barrault, 1951      Reflections on the Theatre Jean Genet, 2009-11-03 The 1966 staging in Paris of Jean Genet's *The Screens* by the Jean Louis Barrault Madeleine Renaud Company was highly controversial. Written at the height of the Algerian War it was initially considered unperformable in France due to the violent political reactions it was bound to arouse. The Barrault Renaud production was directed by the venerable Roger Blin and during the several months of rehearsals that Genet attended he wrote a series of letters and notes to Blin giving his views on every aspect of the staging. His comments deal with the details of that play and that production but also transcend them amounting to a precise and fascinating compilation of Jean Genet's concept of the theatre. This volume also contains two essays by Genet originally published in the French periodical *Un Tel* giving his striking and highly personal views on life and art.

*Reflections on the Theatre, Etc. (Translated by Barbara Wall.) [With Portraits.]* Jean-Louis Barrault, afterwards WALL LUCAS (Barbara), 1951      **The Dramatic Imagination** Robert Edmond Jones, 2004 First Published in 2004      Brief Chronicles Martin Esslin, 1970      Winter Passages Robert Brustein, 2017-09-08 *Winter Passages* is Robert Brustein's nineteenth book of criticism. It includes his considerations of culture and politics over the past four years of American life demonstrating how the imperfections of the government and economy have plunged the country into an artistic winter in which there is a troubling lack of support for and understanding of America's arts and artists. In a section on Cultural Passages Brustein includes chapters on compromised theatre institutions, auteur productions, the American musical, generational idiosyncrasies and China's growing theatre culture which contrasts with American culture. The second section, *Dramatic Passages*, addresses twenty-seven great playwrights from Aeschylus to August Wilson and demonstrates how they have influenced our sense of history and human character. In *Laudatory Passages* Brustein discusses great American artists living and dead who continue to influence our sense of self as a nation and as individuals. Brustein concludes that we will be judged like all cultures by the quality of our arts and artists and by our willingness to allow their insights to influence our behavior.      The Dramatic Imagination Robert Edmond Jones, 2004-09-08 First Published in 2004 Routledge is an imprint of Taylor Francis, an informal company.      *Grotesques and Other Reflections on Art and the Theatre* Mary Cass Canfield, 1927      Conducting a Life Maria M. Delgado, Caridad Svich, 1999 A collection of reminiscences, homages, tributes and work journals tracing the life and work of master playwright-director-teacher Maria Irene Fornes presented in a hypertext fashion. Represented are performers, designers and producers who have collaborated directly with Fornes on her productions over the years; playwrights who have studied with Fornes and describe writing exercises and master classes as well as critics and scholars who provide contextual narratives about Fornes' impact and influence on generations of American and world theatre. The volume concludes with an interview recently conducted with Fornes herself where she touches on not only the different aspects of her theatrical life but its movement and change over the last forty years.      The Ancient Theatre at Kalydon in
