**Secrets of Reflexology** Chris McLaughlin, Nicola

Hall,2017-03-02 Derived from methods of foot massage used in some ancient societies reflexology as we know it today was popularized in the 20th century It involves the application of pressure to specific energy zones of a subject s feet and hands by a practitioner to pinpoint and treat health problems If the flow in a zone is blocked or out of balance it could affect the part of the body that particular reflex area relates to Using this pocket guide learn to identify the longitudinal and transverse zones in the feet and hands and how to apply pressure to specific points in order to alleviate physical symptoms promote energy flow around the body and encourage good health *Textbook of Physical Diagnosis* Mark H. Swartz,2009-03-03 Despite the advanced technologies at our disposal today a complete health history and physical examination remain the most crucial diagnostic tools in any healthcare practitioner s arsenal And no one teaches these all important skills better than Mark H Swartz MD FACP For nearly two decades Dr Swartz s textbook has shown readers how to derive the maximum diagnostic information from interviewing and examining patients Using a compassionate humanistic approach Dr Swartz explores how cultural differences can influence communication diet family relationships and health practices and beliefs and demonstrates that your interpersonal awareness is just as essential in physical diagnosis as your level of technical skill In this 6th Edition a new chapter on the focused physical exam prepares you for the USMLE Step 2 CS and the OSCE You can access the complete contents of the book online at [www studentconsult com](http://www.studentconsult.com) Discussions of special considerations emphasize cultural differences that may affect your approach to patients guide you through assessment of nutritional status and inform you of things to look for and remember when examining children pregnant women older patients and acutely ill patients Pathophysiology explanations help you understand the causes of the symptoms you encounter Abundant color photographs capture the real appearance of various diseases Coverage of complementary and alternative medicine alerts you to the clinical implications of these increasingly popular modalities An appendix on examination of the Spanish speaking patient provides translations for commonly used medical phrases and questions is available on [www studentconsult com](http://www studentconsult com) Over 3 hours of video on DVD demonstrate the complete physical exam of an adult male patient the breast and pelvic exam of an adult female patient and the examination of pediatric and geriatric patients Student Consult access lets you reference the complete contents of the book online anywhere you go perform quick searches and add your own notes and bookmarks A new chapter on the focused physical exam prepares you for the USMLE Step 2 CS and OSCEs **Shadow Medicine** John S. Haller, Jr.,2014-07-08 Can Evidence Based Medicine EBM and Complementary and Alternative Medicine CAM find common ground A distinguished historian of medicine John S Haller Jr explores the epistemological foundations of EBM and the challenges these conceptual tools present for both conventional and alternative therapies As he explores a possible reconciliation between their conflicting approaches Haller maintains a healthy scientific skepticism yet finds promise in select complementary and alternative CAM therapies Haller elucidates recent research on the placebo effect and shows how a new engagement between EBM and CAM might lead to a more productive medical practice that includes both the

objectivity of evidence based medicine and the subjective truth of the physician patient relationship Haller's book tours key topics in the standoff between EBM and CAM how and why the double blinded randomized clinical trial RCT came to be considered the gold standard in modern medicine the challenge of postmodern medicine as it counters the positivism of evidence based medicine and the politics of modern CAM and the rise of the National Center for Complementary and Alternative Medicine He conducts an in depth case study of homeopathy explaining why it has emerged as a poster child for CAM and assesses CAM's popularity despite its poor performance in clinical trials Haller concludes with hope showing how new experimental protocols might tease out the evidentiary basis for the placebo effect and establish a foundation for some reconciliation between EBM and CAM
