Judaism at a national level Included are the principal architects of reform national organizational leaders distinguished rabbis and academicians outstanding cantors volunteer lay activists and women The work begins with an essay on the history of Reform Judaism in America A biographical dictionary follows Each entry in the dictionary assesses the career and contributions of a particular leader and closes with a short bibliography of works by and about that individual The dictionary is followed by a set of essays that overview the history of associations related to Reform Judaism A section of appendices lists the principal figures affiliated with these organizations An extensive bibliography of primary and secondary sources concludes the work making it an indispensable reference tool     Response to Modernity Michael A. Meyer,1995 Comprehensive and balanced history of the Reform Movement The movement for religious reform in modern Judaism represents one of the most significant phenomena in Jewish history during the last two hundred years It introduced new theological conceptions and innovations in liturgy and religious practice that affected millions of Jews first in central and Western Europe and later in the United States Today Reform Judaism is one of the three major branches of Jewish faith Bringing to life the ideas issues and personalities that have helped to shape modern Jewry Response to Modernity offers a comprehensive and balanced history of the Reform Movement tracing its changing configuration and self understanding from the beginnings of modernization in late 18th century Jewish thought and practice through Reform s American renewal in the 1970s     Yearbook Central Conference of American Rabbis,1925 Contains proceedings of annual conventions     Year Book of the Central Conference of American Rabbis Central Conference of American Rabbis,1920 Containing the proceedings of the convention     Exploring Jewish Ethics Eugene B. Borowitz,1990 The essay Buddhist and Jewish Ethics A Response to Masao Abe pp 464 473 relates to a paper by Abe due to be published in 1990 which explains his Buddhist understanding of ultimate reality Though his primary discussion is with Christianity he also seeks to understand how Jewish thinkers have come to terms with the Holocaust hoping in this way to initiate Buddhist Jewish dialogue Borowitz explains Jewish philosophical and theological responses to the Holocaust     Modern Musar Geoffrey D. Claussen,Louis E. Newman,2022-04 How do modern Jews understand virtues such as courage humility justice solidarity or love In truth they have fiercely debated how to interpret them This groundbreaking anthology of musar Jewish traditions regarding virtue and character explores the diverse ways seventy eight modern Jewish thinkers understand ten virtues honesty and love of truth curiosity and inquisitiveness humility courage and valor temperance and self restraint gratitude forgiveness love kindness and compassion solidarity and social responsibility and justice and righteousness These thinkers from the Musar movement to Hasidism to contemporary Orthodox Reform Conservative Reconstructionist Renewal Humanist and secular Jews often agree on the importance of these virtues but fundamentally disagree in their conclusions The juxtaposition of their views complemented by Geoffrey Claussen s pointed analysis allows us to see tensions with particular clarity and sometimes to recognize multiple compelling ways of viewing the same virtue By expanding the category of musar literature to include not

only classic texts and traditional works influenced by them but also the writings of diverse rabbis scholars and activists men and women who continue to shape Jewish tradition Modern Musar challenges the fields of modern Jewish thought and ethics to rethink their boundaries and invites us to weigh and refine our own moral ideals     A Tribute to Geza Vermes Philip R.
