Brown,Timothy Tackett,2006-12-07 The Cambridge History of Christianity offers a comprehensive chronological account of the development of Christianity in all its aspects theological intellectual social political regional global from its beginnings to the present day Each volume makes a substantial contribution in its own right to the scholarship of its period and the complete History constitutes a major work of academic reference Far from being merely a history of Western European Christianity and its offshoots the History aims to provide a global perspective Eastern and Coptic Christianity are given full consideration from the early period onwards and later African Far Eastern New World South Asian and other non European developments in Christianity receive proper coverage The volumes cover popular piety and non formal expressions of Christian faith and treat the sociology of Christian formation worship and devotion in a broad cultural context The question of relations between Christianity and other major

faiths is also kept in sight throughout The History will provide an invaluable resource for scholars and students alike How did Christianity fare during the tumultuous period in world history from 1660 to 1815 This volume examines issues of church state society and Christian life in Europe and in the wider world It explores the intellectual and political movements that challenged Christianity from the rise of science and the Enlightenment to the French Revolution with its state supported programme of de Christianisation It also considers the movements of Christian renewal and reawakening during this period and Christianity s encounters with world religions in colonial and missionary settings Book jacket Trust and Distrust Ivana Markova,Alex Gillespie,2007-12-01 The dynamics of trust and distrust are central to understanding modern society These dynamics are evident at all levels of society from the child s relation to caregivers to the individual s relation to the state and they span from taken for granted trusting relationships to highly reflective and negotiated contractual interactions The collection of papers in this book questions the diverse ways in which the concept of trust has been previously used and advances a coherent theorisation of the socio cultural dynamics of trust and distrust In this volume trust and distrust are analysed in relation to lay knowledge and situated in historical cultural and interactional contexts The contexts analysed include witch hunting during the Reformation China before and after the move to capitalism building close personal relationships in South Korea the representation of political corruption in Brazil tourists bargaining for souvenirs in the Himalaya disclosing being HIV in India the historical shaping of trust in Portugal and the role of trust and distrust in the economic development of the Baltic States Throughout these analyses and in associated commentaries and theoretical chapters the focus is upon the cultural and social constitution of trust and distrust The European World 1500-1800 Beat Kümin,2022-12-12 The European World 1500 1800 provides a concise and authoritative textbook for the centuries between the Renaissance and the French Revolution It presents early modern Europe not as a mere transition phase but a dynamic period worth studying in its own right Written by an experienced team of specialists and derived from a successful undergraduate course it offers a student friendly introduction to all major themes and processes of early modern history This fully updated fourth edition is structured in six parts Starting Points Society and Economy Religion The Wider World Culture Politics and includes two new chapters on the Environment and Food and Drink Cultures Specially designed to assist learning The European World 1500 1800 features expert surveys of key topics written by an international group of historians suggestions for seminar discussion and further reading extracts from primary sources and generous illustrations including maps a glossary of key terms and concepts a full index of persons places and subjects and a companion website offering colour images direct access to primary materials and interactive features which highlight key events and locations discussed in the volume The European World 1500 1800 is essential reading for all students embarking on the discovery of the early modern period For support with the early modern historiographical debates see the partnering volume Interpreting Early Modern Europe edited by C Scott Dixon and Beat K min <https://www.routledge.com/Interpreting+Early+Modern+Europe/Dixon>

Kumin p book 9781138799011 **Catholic Cults and Devotions** Michael P. Carroll,1989 Imagine a heart which has been ripped from a man s body wrapped with thorns pierced with a knife and then placed on the man s chest or a group of people who believe that wearing a small rectangle of wool next to their skin ensures that they will go to heaven as long as it is brown wool and worn continuously Although psychoanalysts have long investigated similar ideas and beliefs they have ignored popular Catholicism even though behaviour such as this occurs over and over again in the history of Catholic cults and devotions **Luther and German Humanism** Lewis W. Spitz,2024-10-28 The particular interest of Professor Spitz has been the close relationship and synergy between humanism and religious reform in the transformation of European culture in the 16th century Within the general cultural and intellectual context of the Renaissance and Reformation movements the present volume focuses on Luther and German humanism a subsequent collection looks more particularly at the place of education and history in the thought of the time The articles here discuss Luther s imposing knowledge of the classics his attitudes towards learning the religious and patriotic interests of the humanists and the role of a younger generation of humanists in the Reformation Also included is a far reaching appraisal of the impact of humanism and the Reformation on Western history **Past Sense — Studies in Medieval and Early Modern European History** Constantin Fasolt,2014-04-03 The twenty studies collected in this volume focus on the transition from the Middle Ages to the modern world The method leads from technical investigations on William Durant the Younger ca 1266 1330 and Hermann Conring 1606 1681 through reflection on the nature of historical knowledge to a break with historicism an affirmation of anachronism and a broad perspective on the history of Europe The introduction explains when and why these studies were written and places them in the context of contemporary historical thinking by drawing on Wittgenstein s Philosophical Investigations This book will appeal to historians with an interest in historical theory historians of late medieval and early modern Europe and students looking for the meaning of history **Pier Paolo Vergerio the Propagandist** Robert A. Pierce,2003 **The Theology of the Czech Brethren from Hus to Comenius** Craig D. Atwood,2009 Examines the history and development of Moravian theology from its origins in the Hussite movement to the work of Comenius Explores the theology of the Unity of the Brethren within the context of the Protestant Reformation Provided by publisher *Historical Dictionary of the Reformed Churches* Robert Benedetto,Donald K. McKim,2023-10-15 As its name implies the Reformed tradition grew out of the 16th century Protestant Reformation The Reformed churches consider themselves to be the Catholic Church reformed The movement originated in the reform efforts of Huldrych Zwingli 1484 1531 of Zurich and John Calvin 1509 1564 of Geneva Although the Reformed movement was dependent upon many Protestant leaders it was Calvin s tireless work as a writer preacher teacher and social and ecclesiastical reformer that provided a substantial body of literature and an ethos from which the Reformed tradition grew Today the Reformed churches are a multicultural multiethnic and multinational phenomenon Historical Dictionary of the Reformed Churches Third Edition contains a chronology an introduction and an

extensive bibliography The dictionary section has more than 1 000 cross referenced entries on leaders personalities events facts movements and beliefs of the Reformed churches This book is an excellent resource for students researchers and anyone wanting to know more about reformed churches
