Reformed Christians And Mormon Christians Lets Talk:

Reformed Christians and Mormon Christians Roger R. Keller, 1986 **The A to Z of Mormonism** Davis Bitton, Thomas G. Alexander, 2009-11-25 Mormonism is the unofficial name for The Church of Jesus Christ of Latter Day Saints which originated in the early 1800s Mormonism refers to the doctrines taught by Joseph Smith doctrines that are believed to be original gospel preached by Jesus Christ The Mormons oppose abortion homosexuality unmarried sexual acts pornography gambling tobacco consuming alcohol tea coffee and the use of drugs Despite its relatively young age the Mormon Church continues to grow and today it contains about 13 million members The A to Z of Mormonism relates the history of the Mormon church through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on crucial persons organizations churches beliefs and events Clearing up many of the misconceptions held about Mormonism and its members this is an essential reference **Man of Holiness: The Mormon Search for a Personal God** John L. Bracht, 2010-07-11 Serious efforts to understand Mormonism in a non confrontational non polemical way are few and far between In this book the author John Bracht has drawn together a multitude of LDS sources in order to demonstrate differences between Mormonism and traditional Christian views on the nature of God and the Godhead The Mormon Culture of Salvation Douglas J. Davies, 2018-12-07 The Mormon Culture of Salvation presents a comprehensive study of Mormon cultural and religious life offering important new theories of Mormonism one of the fastest growing movements and thought by many to be the next world religion Bringing social scientific and theological perspectives to bear on the Church of Jesus Christ of Latter day Saints Douglas Davies draws from theology history of religions anthropology sociology and psychology to present a unique example of a truly interdisciplinary analysis in religious studies Examining the many aspects of Mormon belief ritual family life and history this book presents a new interpretation of the origin of Mormonism arguing that Mormonism is rooted in the bereavement experience of Joseph Smith which influenced the development of temple ritual for the dead and the genealogical work of many Mormon families Davies shows how the Mormon commitment to work for salvation relates to current Mormon belief in conversion and to traditional Christian ideas of grace The Mormon Culture of Salvation is an important work for Mormons and non Mormons alike offering fresh insights into how Mormons see the world and work for their future glory in heavenly realms Written by a non Mormon with over 30 years research experience into Mormonism this book is essential reading for those seeking insights into new interdisciplinary forms of analysis in religion as well as all those studying or interested in Mormonism and world religions Douglas J Davies is Professor in the Study of Religion in the Department of Theology Durham University UK He is the author of many books including Death Ritual and Belief Cassell 1997 Mormon Identities in Transition Cassell 1994 Mormon Spirituality 1987 and Meaning and Salvation in Religious Studies Brill 1984 *Understanding Your Neighbor's Faith* Philip Lazowski, 2004 Understanding Your Neighbor's Faith What Christians and Jews Should Know About Each Other was the brainchild of Rabbi Philip Lazowski of Hartford

Connecticut The idea was born several years back after he invited a group of non Jewish clergymen to visit the Holy Land with him Priests ministers and some members of their congregations who wanted a better understanding of Israel and Judaism enthusiastically accepted his gesture of good will Rabbi Lazowski s unique perspective as a Holocaust survivor made him ideally poised to teach others about the historical and philosophical context of Judaism as well as its rich tradition of practice Rabbi Lazowski also learned much from his colleagues of other faith traditions This unprecedented volume gives Rabbi Lazowski and the other clergy the opportunity to explicate their religion using their own language and concepts in responding to the questions of people of goodwill outside their faith Difficult even uncomfortable questions are asked and answered No question is too simple or too complex Every chapter each by an author belonging to a different Christian faith tradition will prove as informative to the co religionist as to the outsider The concise straightforward question and answer style allows the book to be studied in full read casually or consulted for reference Historical Dictionary of Mormonism Davis Bitton,Thomas G. Alexander,2008-10-23 Clearing up many of the misconceptions held about Mormonism and its members the third edition of the Historical Dictionary of Mormonism expands on the second edition and includes hundreds of cross referenced dictionary entries on crucial persons organizations churches beliefs and events Historical Dictionary of the Latter-day Saints Thomas G. Alexander,Davis Bitton,2019-10-08 The Church of Jesus Christ of Latter day Saints is a Christian church that was organized by six men in western New York in 1830 under the leadership of Joseph Smith the church has grown to more than 16 million members today A restoration of the primitive church organized by Jesus Christ in the first century C E the church s membership was originally all Americans The church is now however a worldwide church with more members who live outside the United States than inside The fourth edition of Historical Dictionary of the Latter day Saints contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on the important people ideas doctrine and events during the hundred ninety year history of The Church of Jesus Christ of Latter day Saints This book is an excellent resource for students researchers and anyone wanting to know more about The Church of Jesus Christ of Latter day Saints **Encyclopedia of Mormonism: The history, scripture, doctrine, and procedure of the Church of Jesus Christ of Latter-day Saints** Daniel H. Ludlow,1992 **A Christian's Response to Jeremy Runnells' CES Letter** David Liscum ,2025-08-21 When Jeremy Runnells released the CES Letter it sent shockwaves through the Latter day Saint community a bold collection of historical facts doctrinal contradictions and troubling questions the LDS Church couldn t or wouldn t answer Many found their faith shaken Some walked away Others were left searching for truth In A Christian s Response to the CES Letter David Liscum takes you deeper affirming the hard questions Runnells raises while going further to reveal why the LDS narrative collapses under the weight of Scripture history and reason Written in the unapologetic Scripture saturated styled response this book dismantles Joseph Smith s prophetic claims exposes historical deceptions and contrasts the shifting sands of Mormon doctrine with the unshakable foundation of

the Bible scholars **Brigham Young University Studies** Brigham Young University, 1987 A voice for the community of LDS **Mormonism at the Crossroads of Philosophy and Theology** Carl Mosser , Donald W. Musser , Brian D. Birch , Douglas Davies , Francis J. Beckwith , Paul Owen , Joseph L. Price, Lyndsey Nay , John Welch, Craig L. Blomberg , John E. Sanders , Stephen T. Davis , Clark H. Pinnock , James E. Faulconer , Robert L. Millet, Kelli Potter, James McLachlan , 2012-07-01 Few scholars have made an impact on contemporary Mormon thought and theology like BYU Professor of Philosophy David L. Paulsen. Recently retired after nearly 40 years of teaching and mentoring, Paulsen has produced an imposing catalog of influential books and articles on Mormon teachings. More significant than his impressive scholarly oeuvre, however, has been his personal influence on generations of students, many of whom he inspired to become teachers and mentors themselves and contributors to an increasingly interesting and relevant religious conversation. In addition, as one of the first serious LDS interlocutors with Orthodox Christian scholars, Paulsen has established professional and personal relationships with a wide array of non-LDS academics engaged in a serious and respectful dialogue regarding Mormonism and Christianity. This volume is a collection of essays representative of Paulsen's wide-ranging professional and personal influence, collected in honor of his many achievements and published on the occasion of his retirement. Each of the authors, a majority of whom are not LDS, has been impacted by Paulsen's scholarship and friendship in important ways and have authored essays reflective of this dynamic. In addition, the essays are significant contributions to Mormon thought in and of themselves, covering diverse areas of inquiry from Mormon atheology to the possibility of an Evangelical Mormonism, from Liberation Theology to Mormon conceptions of divine embodiment, from Mormon approaches to transcendence to Mormonism's confrontation with evil and suffering and many more.

The Women of the Far Right Eviane Leidig, 2023-09-19 On mainstream social media platforms, far-right women make extremism relatable. They share Instagram stories about organic foods that help pregnant women propagate the pure white race and post behind-the-scenes selfies at antivaccination rallies. These social media personalities model a feminine lifestyle at once promoting their personal brands and radicalizing their followers. Amid discussions of issues like dating, marriage, and family life, they call on women to become housewives to counteract the corrosive effects of feminism and champion the Great Replacement conspiracy theory, which motivated massacres in Christchurch, El Paso, and Buffalo. Eviane Leidig offers an in-depth look into the world of far-right women influencers, exploring the digital lives they cultivate as they seek new recruits for white nationalism. Going beyond stereotypes of the typical male white supremacist, she uncovers how young, attractive women are playing key roles as propagandists, organizers, fundraisers, and entrepreneurs. Leidig argues that far-right women are marketing themselves as authentic and accessible in order to reach new followers and spread a hateful ideology. This insidious and highly gendered strategy takes advantage of the structure of social media platforms where far-right women influencers' content is shared with and promoted to mainstream audiences. Providing much-needed expertise on gender and the far right, this timely and accessible book also details online and offline approaches to countering extremism.

Subject Guide to Books in Print ,1997 **Talking with Mormons** Richard J. Mouw,2012-04-30 For over a decade Fuller Seminary president Richard Mouw has participated in Mormon evangelical dialogue with a view to developing a better understanding between the two groups His participation in these discussions has drawn severe criticism and even anger from people who believe such talks are pointless or even dangerous This brief highly accessible book is his answer Advocating humility patience and a willingness to admit our own shortcomings Mouw shows why it is necessary to move beyond stark denunciation to a dialogue that allows both parties to express differences and explore common ground Without papering over significantly divergent perspectives on important issues like the role of prophecy the nature of God and the creeds Mouw points to areas in which Mormon evangelical dialogue evidences hope for the future In so doing he not only informs readers but also models respectful evangelical debate *Talking Doctrine* Richard J. Mouw,Robert L. Millet,2015-07-09 A group of Mormon and evangelical scholars undertook a remarkable journey over fifteen years to discuss differences and investigate possible common ground in their beliefs With both candor and generosity these essays reflect the thoughtful respectful and nuanced engagements on some of the most controversial topics that have inflamed passions in the past **Public Discussion of the Issues Between the Reorganized Church of Jesus Christ of Latter Day Saints and the Church of Christ (Disciples)** Edmund Levi Kelley,1884 *I Love Mormons* David L. Rowe,2005-08-01 David L Rowe asserts that many Mormons view Christian witnessing as Bible bashing What Christians need to understand he suggests is that Latter day Saints are an entirely separate ethnic group with their own history values and customs Evangelizing Mormons can be so much more effective if Christians first know understand and respect Mormon heritage With helpful illustrations and discussions of Mormon values and theology Rowe calls Christians away from confrontational evangelism and instead suggests active listening and respect as a way to bridge Christian beliefs and Mormon culture A glossary in the back of the book and discussion questions at the end of each chapter will help readers apply these concepts in their own witnessing experiences In the end Christians will be more approachable representatives of Christ **Christian Nation** ,1924 **Christian Literature and Review of the Churches** ,1891 *The Christian Intelligencer and Mission Field* ,1923
