Refractory Men Fanatical Women:

Refractory Men, Fanatical Women Edwin Bannon, 1992 **A History of Political Trials** John Laughland, 2008 This is a formidable and well documented counterblast to a developing modern orthodoxy expressing a point of view that many readers will not even have suspected existed let alone read Anthony Daniels Spectator A useful and controversial contribution to the debate about victor's justice and a valuable warning that international war crimes tribunals need to operate with precision and care Jonathan Steele Guardian The rapid development of the use of international courts and tribunals to try heads of state for genocide and other crimes against humanity has been welcomed by most people because they think that the establishment of international tribunals and courts to try notorious dictators represents a triumph of law over impunity In A History of Political Trials John Laughland takes a very different and controversial view namely that political trials are inherently against the rule of law and almost always involve the abuse of process as well as being seriously hypocritical By means of detailed consideration of the trials of figures as disparate as Charles I Louis XVI Erich Honecker and Saddam Hussein Laughland shows that the guilt of the accused has always been assumed in advance that the judges are never impartial that the process is always unfair and biased in favor of the prosecution that the defense is not permitted to use all the arguments at its disposal and that often the accusers have done exactly what they accuse the defence of having done All the trials he recounts were marked by arbitrariness and injustice often gross injustice Although the chapters are short and easy to read they are the fruit of formidable erudition and wide reading The general reader will be forced by this book to re examine the ideas on this subject and will be much less sanguine about the possibility of bringing dictators and other leaders to genuine justice John Laughland lives in Bath and is an author journalist and has been a university lecturer in France He has published The Tainted Source The Undemocratic Origins of the European Idea Time Warner Paperbacks and has written for the Spectator the Economist and The New York Times Table of Contents Introduction The Trial of Charles I and the Last Judgement The Trial of Louis XVI and the Terror War Guilt after World War I Defeat in the Dock the Riom Trial Justice as Purge Marshal Peacote tain faces his Accusers Treachery on Trial the Case of Vidkun Quisling Nuremberg Making War Illegal Creating Legitimacy the Trial of Marshal Antonescu Ethnic Cleansing and National Cleansing in Czechoslovakia 1945-1947 Peoples Justice in Liberated Hungary From Mass Execution to Amnesty and Pardon Postwar Trials in Bulgaria Finland and Greece Politics as Conspiracy the Tokyo Trials The Greek Colonels the Emperor Bokassa and the Argentine Generals Transitional Justice 1975-2007 Revolution Returns the Trial of Nicolae Ceausescu A State on Trial Erich Honecker in Moabit Jean Kambanda Convicted without Trial Kosovo and the New World Order the Trial of Slobodan Milosevic Regime Change and the Trial of Saddam Hussein Conclusion Notes Bibliography and Further Reading Index **With Christ in Prison** George M. how matters go at home and fill the soul with fresh gratitude or if it must be but I will not think of that In the valley of the Saale the trees are blossoming and a thousand flowers deck all the meadows just as they do here and did there two years ago when I left home for the second time After my father s death I was the heir but neither hunting nor riding to court neither singing nor the clinking of beakers could please me I went about like a sleep walker and it seemed as if I had no right to live without my father Then it is now just two years ago a messenger brought from Weimar a letter which had come from Italy with several others addressed to our most gracious sovereign it contained the news that our lost brother was still alive lying sick and wretched in the hospital at Bergamo A kind nun had written for him and we now learned that on the journey from Valencia to Livorno Louis had been captured by corsairs and dragged to Tunis How much suffering he endured there with what danger he at last succeeded in obtaining his liberty you shall learn later He escaped to Italy on a Genoese galley His feet carried him as far as Bergamo but he could go no farther and now lay ill perhaps dying among sympathizing strangers I set out at once and did not spare horseflesh on the way to Bergamo but though there were many strange and beautiful things to be seen on my way they afforded me little pleasure the thought of Louis so dangerously ill saddened my joyous spirits Every running brook urged me to hasten and the lofty mountains seemed like jealous barriers When once beyond St Gotthard I felt less anxious and as I rode down from Bellinzona to Lake Lugano and the sparkling surface of the water beyond the city smiled at me like a blue eye forgot my grief for a time waved my hat and sung a song In Bergamo I found my brother alive but enfeebled in mind and body weak and without any desire to take up the burden of life again He had been in good hands and after a few weeks we were able to travel homeward this time I went through beautiful Tyrol Louis s strength daily increased but the wings of his soul had been paralyzed by suffering Alas for long years he had dug and carried heavy loads with chains on his feet beneath a broiling sun Chevalier von Brand could not long endure this hard fate but Louis while in Tunis forgot both how to laugh and weep and which of the two can be most easily spared
